The Maiden of Nazareth Javier Suarez-Guanes,2017-04-07 When you love someone you want to know all about his life and character so as to become like him St Josemaria St Josemaria spoke these words about the Lord Jesus but they also apply to his Blessed Mother Mary The more we love Mary the more we will want to know everything about her so as to become like her The Maiden of Nazareth is a delightfully imaginative story that will help you get to know the Blessed Virgin Mary not as a statue in a church but as a living breathing human being It follows her life from her immaculate conception and birth up through her assumption into heaven and it introduces you to the various characters that

accompanied her along the way Her parents Joachim and Anne various cousins and relatives her husband Joseph Jesus his apostles and various disciples and friends You will feel like you know all of them much better after having read this book This story is the fruit of many years of contemplating the life of the Blessed Virgin Its primary source is the author s imagination an imagination fired by the love of the Blessed Virgin Mary *Children's Missionary Magazine of the United Presbyterian Church* ,1881 I Have Come to Tell the World That God Exists JUNE KLINS,2011-11-28 In 1981 a beautiful lady appeared to six young people in the village of Medjugorje in what is now Bosnia Herzegovina She said I have come to tell the world that God exists He is the fullness of life and to enjoy this fullness and peace you must return to God She told them that She was the Blessed Virgin Mary the Queen of Peace She has continued to appear since 1981 to give messages of peace love and joy She is confiding ten secrets to each visionary and promises to leave a visible sign at the place of the apparitions in Medjugorje This time of grace is for conversion and deepening of faith After the visible sign those living will have little time for conversion Many books have been written about Medjugorje but this one and Volume I and Volume II of this series are different They include not only information about Medjugorje and talks and interviews with the visionaries but also heartfelt testimonies of people who have been healed and changed through Medjugorje and advice written from the heart by ordinary people on how to live the messages This book will truly touch your heart and lift your spirits *Deliverance from Witchcraft* The Woman called Moses,2018-06-09 This book is an expos from Gods record in the Bible of what is happening in the spiritual realm that is causing families and nations to be torn apart God states that he is against manipulation and oppression and calls it witchcraft The book awakens ones awareness of the contrasts of darkness versus light It addresses modern day family dynamics and outlines my personal journey as a victim of manipulation and how I was able to overcome it when I accepted Jesus Christ the light of the world as my personal Savior My Heavenly Father warned me through a series of dreams and visions about the devils plans to destroy my life and taught me through his precious Holy Spirit how to overcome it This is my opportunity to expose the plans that the devil has for families nationwide and worldwide thereby giving those who have lost their way an opportunity to receive healing deliverance and restoration **The Tenderness of God** Daniel Bourguet,2016-07-13 The tenderness of God is not a theme that can be approached just to satisfy our intellectual curiosity but is an unfathomable mystery that leads us deep into the heart of God A deep thirst for tenderness means that many both young and old are prepared to do almost anything if only this thirst can be quenched Many of us go far astray without knowing or even suspecting that the most extraordinary tenderness is that of God and that indeed he is the source of all tenderness This volume is the fruit of many years of prayer and thought Throughout these meditations on lesser known biblical texts the reader will engage with the compassionate merciful God a God with all the tenderness of both mother and father In this way the reader will be opened up to new vistas onto the mystery of God s humble delicate tenderness
