My Road To Deschapelles The Story Of Hopital Albert Schweitzer:

My Road to Deschapelles Gwen Grant Mellon,1997 Inspired in 1947 by Swiss doctor and theologian Dr Albert Schweitzer successful rancher Larry Mellon and his wife Gwen Grant Mellon decided to found a hospital in Haiti then as now the poorest country in the Western hemisphere The Road to Deschapelles is the story of an extraordinary couple who in 1954 founded Hospital Albert Schweitzer in Deschapelles in central Haiti and where they and the hospital have cared for the most needy and the sick for more than 40 years **Song Of Haiti** Barry Paris,2000 Paris tells the story of Larry and Gwen Mellon and the passion that inspired them to leave behind a world of almost unfathomable luxury to devote their lives to the practice of medicine amongst the poorest of the poor of photos **Brothers in Spirit** ,1996-06-01 Scion of the Pittsburgh oil and banking family William Larimer Mellon Jr was married the father of three and a successful rancher in Arizona when at thirty seven he read a Life magazine article about Albert Schweitzer s reverence for life that guided his mission hospital in a remote area of Gabon Africa Mellon immediately wrote to the famous humanitarian in Lambarene expressing admiration of Schweitzer s life of service and the wish to engage in similar work with his wife Gwendolyn Schweitzer s reply in March 1948 was a lengthy letter of realistic encouragement In time Mellon received his medical degree from Tulane University and later established a well equipped hospital in one of the poorest regions of Haiti where with his wife he spent the rest of his life working as a physician and a community development engineer The hospital continues to thrive Brothers in Spirit brings together sixty five of the letters written between 1947 and Schweitzer s death in 1965 Presented here in both English and the original French they eloquently tell the story of a comfortable life abandoned for the goal of serving humanity *IN THE SHADOW OF TYRANNY*: James D. Fett, MD,2004-06-08 This physician s true stories carry the reader from his roots in rural America into a turbulent Congo devastated by dictator Mobutu s excesses into refugee camps on Cambodia s border a Cambodia ravaged by dictator Pol Pot into the Artibonite Valley beside Haitian peasants victimized by dictator Baby Doc Duvalier s bungling and into an interlude working with the Lakota Chippewa and Quinault Tribes of Native Americans Medical Doctor Jim Fett says I want the reader to garner a sense of sharing and searching in the lives and stories of these persons who deal with victory and defeat life and death healing and hope **The Blessing** Gregory Orr,2019-08-13 An acclaimed poet s gripping memoir of an accidental tragedy a childhood haunted by guilt and a quest to find healing through art Publishers Weekly When Gregory Orr was twelve years old he shot and killed his brother in a hunting accident From the immediate aftermath a period of shock sadness and isolation it quickly became clear that support and guidance would not be coming from his distant mother Nor would it come from his father a philandering country doctor addicted to amphetamines Left to his own devices the boy suffered Guilt weighed on him throughout a childhood split between the rural Hudson Valley and jungles of Haiti As a young man his feelings and a growing sense of idealism prompted him to activism in the civil rights movement where he marched and was imprisoned and then scarred again by a terrifying abduction Eventually Orr s

experiences led him to understand that art particularly poetry could work as a powerful source of healing and meaning to combat the trauma he carried Throughout The Blessing Orr articulates his journey in language as lyrical as it is authentic gifting us all with a singular tale of survival and of the transformation of suffering into art Even a chaotic and hapless family it seems can confer a blessing the strength to live in the world as it is and the wisdom to love people as they are The book is not so much about surviving pain so much as developing a writer s instinct for transforming it Kathleen Norris New York Times bestselling author of The Cloister Walk American Book Publishing Record ,1998 *Subject Guide to Books in Print* ,1991 *The Economist* ,2000 **Forthcoming Books** Rose Army,1997-12 **Congressional Record** United States.
