Poverty and Social Assistance in Transition Countries J. Braithwaite, C. Grootaert, B. Milanovic, 2016-02-10 Declining incomes and growing income inequality have led to a rise in poverty in the transition economies of Eastern Europe and the former Soviet Union This study examines poverty and social assistance in six countries Bulgaria Hungary Poland Estonia Russia and the Kyrgyz Republic comparing the poverty profiles and the correlates of poverty between the two regions The study finds that the profile of poverty is more sharply defined in Eastern Europe than in the former Soviet Union where poverty is more widespread This holds the potential for better targeting of social assistance in Eastern Europe and the study proposes a novel two step approach to identify the poor Poverty and Social Assistance in Transition Countries NA, 2016-04-30 Declining incomes and growing income inequality have led to a rise in poverty in the transition economies of Eastern Europe and the former Soviet Union This study examines poverty and social assistance in six countries Bulgaria Hungary Poland Estonia Russia and Kyrgyz Republic to compare the poverty profiles and the correlates of poverty between the two regions The study finds that the profile of poverty is more sharply defined in Eastern Europe than in the former Soviet Union where poverty is more widespread This holds the potential for better targeting of social assistance in Eastern Europe and the study proposes a novel two step approach to identify the poor Poverty and Social Assistance in Transition Countries Jeanine Braithwaite, Christiaan Grootaert, Branko Milanovic, 1999 Declining incomes and growing income inequality have led to a rise in poverty in the transition economies of Eastern Europe and the former Soviet Union This study examines poverty and social assistance in six countries Bulgaria Hungary Poland Estonia Russia and Kyrgyz Republic to compare the poverty profiles and the correlates of poverty between the two regions The study finds that the profile of poverty is more sharply defined in Eastern Europe than in the former Soviet Union where poverty is more widespread This holds the potential for better targeting of social assistance in Eastern Europe and the study proposes a novel two step approach to identify the poor *Social Assistance in Developing Countries* Armando Barrientos, 2013-08-15 This book provides the first comprehensive account of the global growth of social assistance transfers in developing countries It explains the emergence of programmes such as Brazil's Bolsa Familia India's National Rural Employment Guarantee Scheme and South Africa's Child Support Grant and examines their potential to address global poverty **Social Protection in Developing Countries** Katja Bender, Markus Kaltenborn, Christian Pfleiderer, 2013-09-02 Providing universal access to social protection and health systems for all members of society including the poor and vulnerable is increasingly considered crucial to international development debates This is the first book to explore from an interdisciplinary and global perspective the reforms of social protection systems introduced in recent years by many governments of low and middle income countries Although a growing body of literature has been concerned with the design and impact of social protection less attention has been directed towards analyzing and explaining these reform processes themselves Through case studies of African Asian and Latin

American countries this book examines the global phenomenon of recent social protection reforms in low and middle income areas and how it differs across countries both in terms of scope and speed of institutional change Exploring the major domestic and international factors affecting the political feasibility of social protection reform the book outlines the successes and failures of recent reform initiatives This invaluable book combines contributions from both academics and practitioner experts to give students researchers and practitioners in the fields of social security economics law and political science an in depth understanding of political reform processes in developing countries

Social policy in challenging times

Farnsworth, Kevin,Irving, Zoë,2011-09-21 There is no precedent to the current economic crisis which looks set to redefine social policy debate throughout the globe But its effects are not uniform across nations Bringing together a range of expert contributions the key lesson to emerge from this book is that the crisis is better understood as a variety of crises each mediated by national context Consequently there is an array of potential trajectories for welfare systems from those where social policy is regarded as incompatible with the post crisis economy to those where it is considered essential to future economic growth and security

World Development Report 1997 ,1997 This is the twentieth in the annual series assessing major development issues The report is devoted to the role and effectiveness of the state what it should do how it should do it and how it can improve in a rapidly changing world Governments with both centrally planned and mixed economies are shrinking their market role because of failed state interventions This report takes an opposite stance that state s role in the institutional environment underlying the economy that is its ability to enforce a rule of law to underpin transactions is vital to making government contribute more effectively to development It argues against reducing government to a minimalist state explaining that development requires an effective state that plays a facilitator role in encouraging and complementing the activities of private businesses and individuals The report presents a state reform framework strategy First focus the state s activities to match its capabilities and second look for ways to improve the state s capability by re invigorating public institutions Successful and unsuccessful examples of states and state reform provide illustrations

Global Economic Prospects and the Developing Countries ,2000 As they enter the new millennium developing countries are struggling to recover from one of their deepest recessions since World War II Global Economic Prospects 2000 will improve your understanding and keep you informed of the forces shaping today s changing global economy The report offers an in depth analysis of the economic prospects of developing economies in the wake of the financial crisis and as they enter the new millennium It examines the impact of the recent financial crisis on growth and poverty in the developing world and reviews economic output trade and financial developments in industrial economies Global Economic Prospects 2000 focuses on three main issues how Sub Saharan African commodity exporters and major developing country oil exporters have adjusted to the sharp swings in commodity prices since the mid 1990s the extent of corporate restructuring in East Asia and its role in their recovery the impact of the recent crisis on poverty in developing

countries As in past editions detailed statistical tables and an analysis of developments for each of the developing country regions are included Global Economic Prospects 2000 provides essential information for anyone concerned with the economic developments affecting our shifting global economy

Reforming Pensions in Developing and Transition Countries K. Hujo,2014-08-22 This book moves beyond technical studies of pension systems by addressing the political economy of pension reform in different contexts It provides insights into key issues related to pension policy and its developmental implications drawing on selected country studies in Africa Asia Eastern Europe the Middle East and Latin America

Child Welfare in Developing Countries John Cockburn,Jane Kabubo-Mariara,2010-08-09 to establish impact attributing observed changes in welfare to the intervention while identifying key factors of success Impact evaluations are aimed at providing feedback to help improve the design of programs and policies They also provide greater accountability and a tool for dynamic learning allowing policymakers to improve ongoing programs and ultimately better allocate funds across programs Such a causal analysis is essential for understanding the relative role of alternative interventions in reducing poverty The papers in this section again adopt a variety of techniques The rst two impact evaluation studies employ propensity score matching to establish ex post a valid control group to assess the impact on child schooling outcomes among b e ciaries of various interventions in Kenya and Ethiopia The third chapter c ries out an ex ante evaluation of alternative cash transfer programs on child school attendance in Uruguay The nal paper further carries out in depth macro modeling and micro regression analysis to simulate the impacts of the food crisis and various policy responses including food subsidies and cash transfers on various dimensions of child poverty in Mali Though using different approaches the studies are gen ally in agreement concerning the positive impact of the cash transfer program on child schooling and labor market outcomes The studies from Kenya and Uruguay both nd that the schooling interventions are progressive

International Development Bruce Currie-Alder,Ravi Kanbur,David M. Malone,Rohinton Medhora,2014 A central premise is that an objective and universally accepted measure of success in development and paths to it does not exist

Targeting of Transfers in Developing Countries David Coady,Margaret E. Grosh,John Hoddinott,2004 Drawing on a database of more than one hundred anti poverty interventions in 47 countries Targeting of Transfers in Developing Countries provides a general review of experiences with methods used to target interventions in transition and developing countries Written for policymakers and program managers in developing countries in donor agencies and in NGOs who have responsibility for designing interventions that reach the poor it conveys what targeting options are available what results can be expected as well as information that will assist in choosing among them and in their implementation Key messages are While targeting works the median program transfers 25 percent more to the poor than would a universal allocation targeting performance around the world is highly variable Means testing geographic targeting and self selection based on a work requirement are the most robustly progressive methods Proxy means testing community based selection of individuals and demographic targeting to

children show good results on average but with considerable variation Demographic targeting to the elderly community bidding and self selection based on consumption show limited potential for good targeting There is no single preferred method for all types of programs or all country contexts Successful targeting depends critically on how a method is implemented The CD ROM includes the database of interventions an annotated bibliography PDF and Spanish and Russian translations of the book PDFs

The Politics of Inclusive Development Samuel Hickey, Kunal Sen, Badru Bukenya, 2015 It is now widely accepted that politics plays a significant role in shaping the possibilities for inclusive development However the specific ways in which this happens across different types and forms of development and in different contexts remains poorly understood This collection provides a state of the art review regarding what is currently known about the politics of inclusive development Leading academics offer systematic reviews of how politics shapes development across multiple dimensions including through growth natural resource governance poverty reduction service delivery social protection justice systems the empowerment of marginalised groups and the role of both traditional and non traditional donors The volume not only provides a comprehensive update but also a ground breaking range of new directions for thinking and acting around these issues The book's originality thus derives not only from the wide scope of its case study material but also from the new conceptual approaches it offers for thinking about the politics of inclusive development and the innovative and practical suggestions for donors policy makers and practitioners that flow from this

Case Studies in Food Policy for Developing Countries Per Pinstrup-Andersen, Fuzhi Cheng, 2018-07-05 The food problems now facing the world scarcity and starvation contamination and illness overabundance and obesity are both diverse and complex What are their causes How severe are they Why do they persist What are the solutions In three volumes that serve as valuable teaching tools and have been designed to complement the textbook Food Policy for Developing Countries by Per Pinstrup Andersen and Derrill D Watson II they call upon the wisdom of disciplines including economics nutrition sociology anthropology environmental science medicine and geography to create a holistic picture of the state of the world's food systems today Volume II of the Case Studies addresses the issues of domestic policies for markets production and the environment

Gender and Social Protection in the Developing World Rebecca Holmes, Nicola Jones, 2013-03-14 Millions of pounds of international development funds are invested annually in social protection programmes to tackle poverty Poverty is perpetuated by risk and vulnerability much of which is gendered Despite this little attention has been paid to gender sensitive policy and programme design and implementation Gender and Social Protection in the Developing World introduces a much needed gender lens to these debates Drawing on empirical evidence from poor households and communities in Africa Asia and Latin America the book provides rich insight into the effects of a range of social protection instruments It concludes that with relatively simple changes to design and with investment in implementation capacity social protection can contribute to transforming gender relations at the individual intrahousehold and community levels With a foreword by Stephen Devereux

Social Assistance in Albania Harold Alderman,1998-01-01 Albania provides a small amount of social assistance to nearly 20% of its population through a system which allows a degree of community discretion in determining distribution This study investigates the poverty targeting of this program It indicates that relative to other safety net programs in low income countries social assistance in Albania is fairly well targeted to the poor Developing the Right to Social Security - A Gender Perspective Beth Goldblatt,2016-06-10 The right to social security found in international law and in the constitutions of many nations contributes to the alleviation of poverty globally Social security and its articulation as a human right have received increased attention in recent years both in response to austerity cuts to welfare in developed countries and as a means of lifting millions out of poverty in developing countries Women disproportionately affected by poverty in all parts of the world stand to gain from a right to social security that takes cognisance of gender discrimination and disadvantage This book interprets and redefines the right to social security from a gender perspective Drawing on feminist theory the book formulates a conceptual approach and a set of principles for a substantively equal gendered right to social security In so doing it challenges the relationship between the right to social security and traditional conceptions of work that exclude women s labour including their caring roles It argues that the right must have application at the transnational level if it is to address the changing nature of women s work due to globalisation The book applies the framework and principles it develops to a study of international law focusing on the work of key United Nations human rights bodies It also demonstrates the value of this framework in its analysis of three countries social security programmes South Africa Australia and India In combining feminist thought on the nature of work and care with equality theories in developing the right to social security from a gender perspective this book expands the capacity of the right to advance gender equality and address gendered poverty
