Power Of Now A Guide To Spiritual Enlightenment:

The Power of Now Eckhart Tolle, 2004 Donation Jan 03 Forward by Russell E DiCarlo replaced Sept 05 *The Power of Now* Eckhart Tolle, 2010 Self help **The Power of Now** Eckhart Tolle, 2010-04-06 It's no wonder that *The Power of Now* has sold over 2 million copies worldwide and has been translated into over 30 foreign languages. Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being: the eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death. Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being, liberated from mind and intensely in the Now, is there Enlightenment.

SUMMARY: the Power of Now Izabella Hickie, 2020-06-16 Summary of Eckhart Tolle's *The Power of Now: A Guide to Spiritual Enlightenment*. Most of us are just living our lives by serving as our mind's slaves. We do not question our thoughts at all and spend our lives in a state of unconsciousness. Pain and suffering engulf us, and our thoughts bother us. Our mind does not let us have a moment of peace. Eckhart Tolle teaches us in *The Power of Now* that we can take away the reins from our minds. We can surrender to the present and become conscious. We can improve our existence by letting go of thought and find peace. Most importantly, by being present, we can let the past and future go and focus on the Now to connect with Being and the purpose of our lives. This summary is not like any other book. It will teach you a new way of life. You might think that you have no other presence than your mind and physical body, but you do not know your true self. *The Power of Now* will help you be present and live in the current moment like never before. It will liberate you from the noise of your mind and help you achieve inner peace. You will truly learn to live and connect with the Divine after reading and understanding this book. About the original author: Eckhart Tolle is the author of the New York Times bestsellers *The Power of Now* (translated into 33 languages) and *A New Earth*, which are widely regarded as two of the most influential spiritual books of our time. In 2008, *A New Earth* became the first spiritual book to be selected for Oprah's Book Club, as well as the subject of a ten-week online workshop co-taught by Eckhart and Oprah. Tolle Book Summary Eckhart Tolle is a spiritual teacher who does not associate with any singular religion Despite his confidence in his work on Enlightenment we must not think of him as some prophet sent to us with these teachings He was merely a man who was looking for a meaning just like the rest of us Although Tolle states that we should not look back at the past and allow it to shape us he does relive his past in his introduction to share with us how he became so Enlightened He questioned just like a lot of us what is there for me It was this question that made him realize his thinking and why he would think it It was then that he decided to focus on the thinking watching it and not judging but try to change it Through his own transforming experience he has brought us a way to transform ourselves To stop thinking what is there for me to stop thinking in general and realize what we truly have the present The Now Here Is A Preview Of What You ll Learn You Are Not Your Mind Consciousness The Way Out of Pain Moving Deeply into the Now Mind Strategies for Avoiding the Now The State of Presence The Inner Body Portals into the Unmanifested Enlightened Relationships Beyond Happiness and Unhappiness There Is Peace The Meaning of Surrender The Book at A Glance Conclusion Final Thoughts Now What Scroll Up and Click on buy now with 1 Click to Download Your Copy Right Now Tags the power of now eckhart tolle spiritual spirituality new age the power of now by eckhart tolle the power of now audiobook **Summary of The Power of Now**
