Prayer And Priesthood Of Christ:

Prayer and the Priesthood of Christ Graham Redding, 2005-03-29 In this book Graham Redding provides a detailed account of prayer in the Reformed tradition and a critical examination of its present place in the Reformed Churches From its inception the Christian church thought of worship and prayer in trinitarian terms At the heart of this trinitarian concept is the doctrine of the priesthood of Christ which in its liturgical expression presented Christ not merely as the object of prayer but also as its mediator prayers were directed to the Father through Christ The author traces the idea of the priesthood of Christ and its effects on Christian worship and prayer from its origins with the earliest Christians and through the Arian and Apollinarian debates He then focuses on the Reformed tradition and the influences of John Calvin John Knox John Craig John McLeod Campbell William Milligan Theodore Beza William Perkins federal theology and the Westminster tradition and through to the present day This is an important history of an important doctrine showing in a remarkable way how the doctrinal struggles within the church have been reflected in the worshipping life of the church and how they continue to be reflected today Redding concludes with a number of key affirmations for a Reformed understanding of prayer and a critique of certain modern tendencies and practices in the church Jesus Our Priest Gerald O'Collins, Michael Keenan

Jones, 2010-03-18 This present work examines what it means to call Christ our priest in the light of the Scriptures and the Christian tradition Beginning with a study of the biblical material the book then moves to the witness to Christ's priesthood from the Church through its history **The Praying Christ** James G. S. Thomson, 1995 The focus of this book is located where the Life of all prayer is to be found *Jesus Our Priest: A Christian Approach to the Priesthood of Christ* Gerald O'Collins, SJ, Michael Keenan Jones, 2010-03-18

In recent years many books have been published in the area of Christology who is Jesus in himself and soteriology what did he do as Saviour A number of notable ecumenical documents on Christian ministry have also appeared But in all this literature there is surprisingly little reflection on the priesthood of Christ from which derives all ministry whether the priesthood of all the faithful or ministerial priesthood This present work aims to fill that gap by examining in the light of the Scriptures and the Christian tradition what it means to call Christ our priest Beginning with a study of the biblical material the book then moves to the witness to Christ's priesthood coming from the fathers of the Church Thomas Aquinas Luther and Calvin the Council of Trent the seventeenth century French School John Henry Newman Tom Torrance and the Second Vatican Council The two concluding chapters describe and define in twelve theses the key characteristics of Christ's priesthood and what sharing in that priesthood through baptism and ordination involves *Christ the Ideal of the Priest* Blessed Marmion, 2006 The highly acclaimed spiritual writer Blessed Columba Marmion wrote this classic work on the priesthood to show the great holiness that priests are called to and how that holiness can only be attained through close union with and imitation of Jesus Christ While aimed at the clergy this profound spiritual work will also be of immense inspiration for laity in coming to a deeper understanding of the true nature and calling of the

priesthood Echoing the thought and writing of St Paul Marmion stresses that the priestly life must be dominated by Christ and in constant dependence on His merits His grace and His activity in the soul of the priest In this perspective the dignity of the priesthood and the work of the priest's sanctification are understood In all his actions in the sacred acts of worship the administration of the sacraments private prayer and devotions and serving the various needs of his flock Marmion says the priest must always see himself as the minister of the Saviour as Alter Christus Blessed Columba Marmion was a Benedictine priest in the first half of the twentieth century who wrote several works that are considered spiritual classics most notably his book *Christ the life of the Soul* also published by Gracewing in a new translation by Alan Bancroft [The Melchizedek Priesthood of Jesus Christ](#) Brndon Mathis,2012-10-03 There are many functions of ministry that Jesus undertook while on the earth He operated as an Apostle he operated as a Prophet as a Pastor he operated as a Teacher and as an Evangelists However of all those ministry offices the greatest ministry function that Jesus operated in while in the earth and the ministry that he still functions in while seated at the right hand of the father is the ministry office of a High Priest after the order of Melchizedek He is an intercessor ever living to make intercession for His people to God This ministry of reconciliation from the priesthood of Melchizedek is the main ministry that Jesus came to fulfill And it is the ministry that church is being perfected to enter into at the end of the age the ministry of intercession unto reconciliation In this book you will learn the 7 steps to the Melchizedek priesthood of intercession unto reconciliation as the church prepares to become a House of prayer for all nations praying Thy kingdom come thy will be done in earth as it is in heaven **The Priesthood of Christ and His Ministers** André Feuillet,1975 *Prayer and the Priesthood of Christ* Graham Redding,2003-06-01 From its inception the Christian church thought of worship and prayer in trinitarian terms At the heart of this trinitarian concept lay the doctrine of the priesthood of Christ which in its liturgical expression presented Christ not merely as the object of prayer but also as its mediator prayers were directed to the Father through Christ Redding traces the idea of the priesthood of Christ and its effects on Christian worship and prayer to its origins with the earliest Christians and through the Arian and Apollinarian debates He then focuses on the Reformed tradition and the influences of John Calvin John Knox John Craig John McLeod Campbell William Milligan Theodore Beza William Perkins federal theology and the Westminster tradition through to the present day The book is an important history of an important doctrine but it also shows in a remarkable way how the doctrinal struggles within the church have been reflected in the actual worshipping life of the church and how they continue to be reflected today Redding concludes with a number of key affirmations for a Reformed understanding of prayer and also a critique of some modern tendencies and practices in the church **Prayers for Priests** Rev. T. Ronald Haney,1999-09 A collection of contemporary prayers more than two month's worth for today's busy priest and for everyone baptized into the priesthood of Christ This book is divided into two parts The first section entitled Scriptural Meditations is comprised of 31 intercessory prayers of petition based on Biblical themes The second section entitled Sainly Intercessions is comprised of 31

intercessory prayers directed to popular saints such as John Vianney and Francis de Sales The Priesthood of All Believers and the Missio Dei Henry Joseph Voss, 2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine's canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer's eschatological temple service and offering of spiritual sacrifices chapters 1-3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4-6 and a suppression of the doctrine's missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord's Supper as the renewal of the royal priesthood

Counsels on the Christian Priesthood Saint John (of Kronstadt), 1994 Saint John of Kronstadt 1829-1908 served 53 years of his ministry at St Andrew's Cathedral Kronstadt devoting himself to the salvation of the city slum dwellers His charitable works became famous as did his healing prayers rumoured to work miracles He and his works became the object of pilgrimage and he was considered a saint long before his ecclesiastical canonization in 1990 Although these selections are intended primarily for priests the laity may also benefit from the words of St John of Kronstadt **A Commentary on the Whole Epistle to the Hebrews** William Gouge, 1867 *Christ--the Ideal of the Priest* Columba Marmion (Abbot), 1952

Letters to My Brother Priests St. John Paul II, Midwest Theological Forum, 2020-06-26 This single volume collector's edition contains the complete collection of Pope John Paul II's Holy Thursday letters to priests On this holy day the liturgy takes us inside the Upper Room Thus wrote Pope John Paul II in 1979 in his first Holy Thursday letter a tradition he continued until his passing in 2005 The Upper Room is the essence of his annual letters coming to a deeper understanding of the theology of the priesthood instituted that first Holy Thursday almost two millennia ago Letters to My Brother Priests will help every priest understand the theology behind his ministry This book will help every seminarian understand the august status he pursues This book will help every one understand why priests are so essential to every Christian's faith and vocation within the Church Trinitarian Doxology Kevin J. Navarro, 2020-10-29 Most approaches to liturgical theology are anthropocentric the study of liturgy is primarily focused on what we the worshipers do Thomas F Torrance and James B Torrance offer a trinitarian and christocentric approach This informs not only the why of worship and not simply the what or how of worship but centers on the One whom we worship Most significantly it fully recognizes the key role of the humanity of Christ as the ascended High Priest who alone offers the perfect worship and through whom alone we are enabled by the

Spirit to worship God **Toward a Priestly Christology** Adriani Milli Rodrigues, 2018-11-02 Toward a Priestly Christology is a constructive theology on the person and work of Christ from the standpoint of a systematic thinking about his priesthood This priesthood is usually discussed in biblical scholarship on the Christology of Hebrews and also explored in historical or systematic theology with its connections with soteriology and ecclesiology However there is a scarcity of studies that attempt to systematize this topic in its basic components and their ontological foundations in order to provide conceptual clarity for a constructive discussion of the priestly Christology in systematic theology The book makes a contribution to this discussion by engaging firstly with the main models of Christ s priesthood in Christian theology and then with a theological reading of the letter to the Hebrews In both steps the author conceptually articulates the priesthood in terms of need agent actions and goal Then he observes the conceptual articulation from the macro hermeneutical point of view of ontology especially noticing how assumptions on time and space impact the internal logic of Christ s priesthood By using existing models of this priesthood as heuristic tools for systematic thinking the work attempts to push Christian theology toward a more dynamic understanding of Christ s priesthood especially regarding the relationship between the ascended Christ and our Christian life **The Eternal Priesthood** Henry Edward Manning, 1884 **Summa Theologica, Volume 4 (Part III, First Section)** St Thomas Aquinas, 2013-01-01 The Summa Theologica is the best known work of Italian philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225 1274 widely considered the Catholic Church s greatest theologian Famously consulted immediately after the Bible on religious questions at the Council of Trent Aquinas s masterpiece has been considered a summary of official Church philosophy ever since Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God man and Jesus then lays out objections to Church teachings and systematically confronts each using Biblical verses theologians and philosophers to bolster his arguments In Volume IV Aquinas addresses chastity and lust sobriety and humility pride prophecy and Rapture the passion of Christ Christ s resurrection the sacraments and much more This massive work of scholarship spanning five volumes addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy religious historians and serious students of Catholic thought **Prayer, Middle Knowledge, and Divine-Human Interaction** Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one s account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts

argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God's sovereignty includes both his omniscience and libertarian human freedom

The Priesthood of All Believers Cyril Eastwood, 2009-05-20 The doctrine of the Priesthood of all Believers underlies all the great and far reaching religious movements of the last five hundred years Apart from that doctrine it is impossible either to understand or appreciate the cause of the Reformation the impetus of the Puritan Movement or the widespread influence of the Evangelical Revival Yet nowhere can the student find a thorough examination of its meaning for no such systematic statement exists Here is an attempt to fill this gap An examination of Reformation Theology shows that this doctrine is the basis of three dominant concepts which Luther stressed Faith Word and Congregation and that Luther's seven marks of the true Church arise from it A study of Calvin leads to the conclusion that the doctrine of vocation is the necessary counterpart of the Priesthood of all Believers that election is always related to consecration service and mission it is an election to priesthood An investigation of Wesley shows that he took this doctrine seriously and provided opportunities for the People of God to exercise their priestly privileges in the service of the Word of the Church and of the World From all this comes the inescapable conclusion that in Reformation Theology the spiritual priesthood of justified believers consists in their proclamation of God's justifying love to the world This book is an attempt to present a clear and constructive statement of a doctrine which lies at the very heart of Protestantism and is closely connected with three important issues in current theological discussion the union of the Churches the doctrine of vocation and the liturgical revival
