Peter M. Kalellis

Prayer For Life The Cause And Cure Of Terrorism War And Human Suffering:

A Prayer for Life Barry Long, 2002 A Prayer for Life is an extended essay about how prayer works and how the power of prayer is often misused The author offers examples of right prayer and describes the consequences of praying for things that are not ours to have The book's subtitle is The cause and cure of terrorism war and human suffering Barry Long argues that these are the ultimate consequences of the unconscious praying of human race for material success and advantage He predicts that our planet will not be able to withstand the extent of man's corruption and that eventually a more evolved humanity will inherit a new earth In a few short closing chapters he offers a vision of a future where human beings will have been utterly transformed The British National Bibliography Arthur James Wells, 2005 *Forthcoming Books* Rose Army, 2002
