Quest for Meaning Through an Intimate Walk with God H. Baté Agbor-Baiyee, 2015-01-28 Quest for Meaning through an intimate walk with God is about divine empowerment and spiritual awakening through the incalculable possibilities of prayers and relationship with God This book underscores the fact that nothing is too immense or trifling to be a theme or subject of prayer Though prayer is central in vitalizing our existence all too often it is not understood ignored or avoided In our deepest valley of despair and despondency Jesus notices our tears and sufferings He knows the full magnitude of our aches and has reassured us that He will not leave us to our own stratagem All He asks of us is to invite Him to dwell in us the temple of God There is something simply prophetic and powerful about a heart which even in disillusionment is willing to look up to God in praise and worship as the case is for many despairing African and immigrant children They struggle with doubt and wrestle with anxiety and discouragements especially when their prayers go unanswered while lost in the gorge of the shadow Yet they have undertaken to categorically love the Lord your God with all your heart and with all your soul and with your entire mind This is a bare knuckled collection of stimulating and liberating prayers that addresses a broad expanse of existential issues faced by fearless African children in their fragile stations in life They are passionately praying like Paul asking Father God the good Shepherd for direction and protection Although the fear in their eyes and angst in their souls have transformed into futility their hearts do not panic because they know no satanic weapon formed against them shall flourish They are assured through prayers that they are more than conquerors through Christ Jesus the enthroned Creator Quest for Meaning proffers assuring prayers that serve as tonic to cool off the penury effrontery and tormenting experiences of the afflicted Be anxious of nothing but in everything by prayer and supplication with thanksgiving let your requests be made known to God And the peace of God which surpasses all comprehension will guard your hearts and your minds in Christ Jesus Philippians 4:6-7

The Way According to Luke Paul Borgman, 2006-03-10 Among the classics of ancient Greek and Jewish literature the story of Luke Acts has few rivals Yet we moderns miss much of the meaning of Luke's two part drama because we read it like any other text and not as it would have been heard by ancient listeners in public performance by a skilled storyteller The

Way according to Luke unlocks the big picture of Jesus mission by attending to the repetition patterns and other clues of oral narrative In this single volume Paul Borgman lays out a holistic view of the organic unity between Luke and Acts while demonstrating that the meaning of Luke Acts is uniquely embedded in its narrative Borgman s distinctive work makes available both the satisfying pleasure of reading the Bible as great literature and the rewarding insight gained from receiving Scripture as it was originally delivered

The Complete Works of Zacharias Tanee Fomum on Prayer (Volume 3) Zacharias Tanee Fomum, 1901 The Complete Works of Zacharias Tanee Fomum on Prayer Volume 3 contains the following books 1 Life Changing Thoughts on Prayer Volume 2 2 The Ministry of Supplication 3 Moving God Through Prayer 4 Waiting on the Lord in Prayer 5 Prayer Crusades Volume 1 The life changing thoughts on prayer contained in this volume are like the pings that get the believer to detect the will and leading of God in various domains of prayer Each one of the thoughts is an entire topic to be pursued explored and developed to the fullest As you go through these thoughts you are travelling with the author along his journey around the world doing God's work of ministry while in the midst of prayer Supplication is handled from the glaring example of Hannah who having been barren for a long while desperately asked God

for a baby as her prized treasure to be given back to Him In supplication the supplicant is so desperate that he will not rest and will not receive No from God for an answer This goes on till the point of breakthrough Those who make requests while keeping other options open are not supplicating With supplication there is one request no options and no plan B The reader will also learn how to move God through prayer There is no way anyone can move God through prayer if he does not know the perfect will of the Lord about what he is praying for It is those who know God s will and pray that will back to Him that moves Him through to answer and to do things in response to prayer God is not obliged to answer prayer that is not in tandem with His will The dynamics of waiting on the Lord in prayer are not the tools of a rapacious world that wants instantaneous answers to prayer One may have to abide in ceaseless prayer before the Lord about an issue for a year ten years or more and not give up until the day the Lord answers or gives assurance that He will surely answer This volume ends with the author s practical life of prayer crusades praying with his people Prayer crusades range from 8 hours 10 hours or more of personal or group prayer daily for periods ranging from 21 days to 40 days and beyond In this final part of the volume the reader finds himself in the prayer crusades praying with the author and his people
