through the centuries there have been numerous visitations and moves of God We look at Church history Understanding history helps us correctly interpret the present and prepare for the future We draw inspiration insight and lessons from what God has done in the past by reviewing stories and asking relevant questions What can we learn from Church history about revivals visitations and moves of God What does it take for a visitation of God to become a move of God What are signs of a genuine visitation of God How do we steward a revival a visitation and a move of God The latter rain falls just before harvest Therefore be patient brethren until the coming of the Lord See how the farmer waits for the precious fruit of the earth waiting patiently for it until it receives the early and latter rain You also be patient Establish your hearts for the coming of the Lord is at hand James 5 7 8 In biblical context the early rains were showers that usually came during October November and prepared the ground for the seed The latter rain fell during March April and was necessary for the ripening of the crops before harvest If we believe God is preparing for a mighty endtime outpouring a great visitation and ingathering of harvest before His return then we must get ourselves and our congregations ready for the latter rain of the Holy Spirit Watch our online Sunday Church service live stream every Sunday at 10 30am Indian Time GMT 5 30 Spirit filled anointed worship Word and ministry for healing miracles and deliverance YOUTUBE <https://youtube.com/allpeopleschurchbangalore> WEBSITE <https://apcwo.org/live> Our other websites and free resources CHURCH <https://apcwo.org> FREE SERMONS <https://apcwo.org/sermons> FREE BOOKS <https://apcwo.org/books> DAILY DEVOTIONALS <https://apcwo.org/resources/daily-devotional> JESUS CHRIST <https://examiningjesus.com> BIBLE COLLEGE <https://apcbiblecollege.org> E LEARNING <https://apcbiblecollege.org/elearn> COUNSELING <https://chrysalislife.org> MUSIC <https://apcmusic.org> MINISTERS FELLOWSHIP <https://pamfi.org> CHURCH APP <https://apcwo.org/app> CHURCHES <https://apcwo.org/ministries/churches> This book may be freely used by individuals small groups churches and ministries for non commercial purposes These are not to be sold and must be distributed freely

Fire is aimed at people who have a sense of spiritual hunger and desire for revival but are not sure what this means or how to get there. It uses the theme of the fire of God across scripture to paint a picture of what it looks like to be on fire for God. Author Malcolm Macdonald covers themes such as holiness, revival, mission, God's presence, prayer, intimacy with God, and suffering. He helps readers to grasp the challenges of seeking to be a radical disciple along the way, offering personal reflections from his own journey.

Unlock the Doors and Let Prayer In Rev. Todd A. Brooks, 2021-05-03. Why This Book Was Written: As a young child, I remember when our churches had one night a week to have prayer meetings. Sadly, today our churches have decided that family nights with activities are more important than having prayer meetings. Today our churches have become program-driven; more programs, the bigger the church. A few years ago, I came across this story, and just recently I felt God telling me to bring prayer back to his house. Here is that story: Several years ago, a pastor was asking God to return prayer to our schools. After several months of praying, he asked God why he would not answer his prayer of returning prayer to the schools. God answered him this way: Why don't you pray for prayer to return to my churches? Today churches can have the best programs and great outreaches, but it will lack being an impact in their communities until they understand and realize prayer must be brought back to our churches and used the way God has given us to use it. This book was written to not only bring back our churches to the forefront but also to teach why prayer must be one of the pillars our churches need to have. It is to show how to build a prayer ministry and a better understanding of the power of prayer. Our churches must once again become a house of prayer to win the lost and be that light on the hill. We must get our church back on her knees and let prayer in. This book will teach you the art of praying and why we need to pray. It is my conviction for you to change your prayer life or to start a prayer life. This book holds back no punches and is blunt and straightforward.

Spirit-Led Evangelism Ché Ahn, 2008-05. Most Christians know they should share their faith in Jesus Christ with unbelievers, but not everyone is on the same footing. Some hardly know where to start. Others move with confidence but want to explore areas of greater effectiveness. In the body of Christ, the call to evangelism is clear, but the

gifting is different Now available in trade paper Spirit Led Evangelism helps remove any barriers to answering that call With practical teaching and personal illustrations Ch Ahn explains the priority of evangelism and equips readers to move to higher levels of success With a special emphasis on power evangelism this book helps both hesitant and on fire Christians deepen their skills for following Christ into all the world Transforming Renewal Andy Lord, 2015-01-12 Pentecostal and charismatic renewal movements have seen great growth over the last century and have engaged with many Christian traditions Yet there are signs that all is not well and there is a need to develop theologies of renewal that engage with practice and across the traditions if the movements are to continue to grow In particular this book seeks an ecumenical engagement between David Watson and Thomas Merton leaders in the charismatic and monastic renewal movements The aim is to reflect on the theological roots of these renewal movements through a study of particular people who lived them in practice and sought to help others understand how the triune God was at work This is done against the wider background of contemporary renewalist theology to develop constructive proposals for renewal theology in the future Receptive ecumenism provides the method for bringing the different voices into conversation in ways that also point forward in approaches to ecumenical dialogue It is thus a study relevant to those seeking new ways in theology those involved in renewal and ecumenical movements students of Thomas Merton and all who seek to better understand the Christian renewal movements that have swept the world
