Prayer Starters For Busy Moms:

Prayer Starters for Busy Moms Tracy Klehn, 2006-04-01 When Tracy Klehn's two children were under two years old she began to pray. Now she shares with other moms what she learned including the power of praying for their children, families, friends, and themselves. Each of the twelve sections focuses on a different aspect of prayer along with creative ways to strengthen a mother's faith. This book helps women focus on prayer still leaving them time to get the laundry put away. A great gift for Mother's Day or for a woman to give to her sister or girlfriend anytime of the year. [Mothering, Public Leadership, and Women's Life Writing](#) Claire Wolfteich, 2017-07-31 In *Mothering Public Leadership and Women's Life Writing* Claire E. Wolfteich presents a series of case studies in Christian spirituality bringing mothers' autobiographical writing into focus for theological reflection. From the medieval mystic Margery Kempe to the twentieth-century activist Dorothy Day, from African American preacher Jarena Lee to labor organizer Dolores Huerta, the book mines women's first-person writing, surfacing critical issues for theological analysis. Listening deeply to these diverse maternal voices, the book advances creative theological reflection on work, vocation, time, poverty, Sabbath, and spiritual guidance. *Mothering Public Leadership and Women's Life Writing* demonstrates the significance of the study of mothering for theology and spirituality studies and the import of life writing as an underutilized source for practical theology. [NIV, New Mom's Prayer Bible](#) Zondervan, 2011-05-03 Got a Minute? Only a minute. This Bible is designed just for you. Being a new mom presents many challenges, but it doesn't have to keep you from finding time to connect with God. Throughout the NIV New Mom's Prayer Bible, you will find 52 one-minute Thought Starters that let you dip into God's Word for a minute of refreshment. These are followed by an option for a five-minute Pray exercise or a ten-minute Study exercise that will help you learn even more about what God's Word has to say to you today. Devotional thoughts specifically for you, the new mom, cover topics such as disciplining children, your influence as a mom, marriage, emotions, and your identity in Christ. NIV 2011. The New International Version (NIV) translation of the Bible is the world's most popular modern English Bible, easy to understand yet rich with the detail found in the original languages. *Growing Friendships* Tracy Klehn, 2007 Practical ways and encouragement for mothers of young children to make friends and nurture ongoing friendships.
