Prayer Alert Nita Scoggan,1993-01-01 **What You Don't Know Can Not Only Hurt You, But Destroy You!...**

Stephen Samuel Lomax,2009 The main premise of the book It was written to destroy ignorance and myth It was written to separate fact from fiction and truth from folklore It was written to highlight knowledge and establish it as a necessity of production happiness and fulfillment of life The book is a testimony that the most violent element in society is ignorance A mind is a terrible thing to waste and if you think education cost try ignorance It was written to correct the historically dangerous sentiment that What you don t know won t hurt you But let it be proclaimed from every mountain hill and

housetop What you don t know can not only hurt you but destroy you *Prayer Alert* Nita Scoggan,1989-10 **Profanity,**

Solution for Achieving Happiness, Healing, and Wholeness Anita Marchesani, Ph.D.,2019-12-07 No one escapes this life without heartbreak emotional pain and suffering God promises to heal your wounded scarred broken and shattered heart Counseling therapy and even medications have limits on the depth of healing they can provide Sometimes only a direct intimate specific supernatural word from the Sovereign Creator of the universe can heal an emotional wound We have a role and responsibility in our healing relationship with Jesus God cannot heal us without our active participation beyond even prayer We must place ourselves in the proper spiritual and emotional position to receive God s healing word into our hearts That position is Biblical stillness When God commands us to be still He is serious God wants us to be still according to His

definition of stillness Being still does not come naturally but we can learn specific strategies and techniques to move into still space From that posture we can receive the gravitas of His word that heals us immediately **Forthcoming Books** Rose Army,1993 *A Student of Life* Sally Stierhoff,2022-07-14 The Great Commission commands us to make Disciples not Converts In the Christian context a Disciple is most commonly referred to as a follower of Jesus In its most literal context a disciple is a learner In either case we re not talking about an event but rather a process or lifestyle Sally s story and stories of life garnered experience are both wisdom and practical next steps for the serious disciple *A Student of Life* is a Discipleship Primer that will both inspire instruct and enlighten the reader as they establish their own life story Pastor Steven S Harman Th D Retired church plant pastor current volunteer missionary with A Time to Revive and Revive Ohio Ministries In Sally Steirhoff s most recent work *A Student of Life* she invites her readers to share an intimate stroll with her Savior The conversation pairs insightful stories with lessons for living with each page being gently sprinkled with Scripture Take time as I did to enjoy its many flavors I guarantee you ll be amply rewarded with refreshing insights that linger long in your soul Dr Wayne Cordeiro Author and Sr Pastor New Hope Church College Eugene Oregon *A Student of Life* conveys wisdom and practical advice on topics such as fear anger and grief marriage and blended families self worth and personal growth and finding true happiness and peace Life can be a journey of adventures and challenges and how you deal with them determines your level of success and joy In this book the author draws on her life experiences and observations to convey the unlimited love of God She answers questions such as How can you ask for God s help when you need it What are the benefits of spending time in prayer How can you overcome past mistakes Why should you surrender yourself to Christ As a student of life the Lord has revealed many wonderful things to the author By learning about them you ll find an easier road to travel Evaluate your life ignite your faith and enjoy the benefits that go along with knowing how much God loves you with the lessons in this book *The Hour of Degeneration* Twyman Preston Joyner D.D.,2014-07-09 Jesus reveals to us in Luke 17 22 30 that before His return the world s sinful state would be synonymous with the days of Noah and Lot who dwelled in Sodom Genesis 19 1 30 thus the people would be going about their business as usual cf Matthew 24 34 44 However sin s deteriorating effect on this world will someday closeout and Christ will return with power and great glory Matthew 24 30 putting an end to this world s system that is under Satan s authority Ephesians 2 1 3 It is my intention to get the reader to see that the times in which we live are serious and critical These are dangerous times and we must be alert watching and praying Mark 13 33ff We must become the true people of God the household of faith that is in Christ Jesus and not just following after every wind and doctrine taught by false prophets and false teachers It is my prayer that this book enlightens and gives the reader more knowledge about the perilous times in which we live **Lesson of the Day** Brian Tarver,2014-08-07 We never know what life will have in store from day to day Some days may be filled with exceeding joy and other days filled with great sorrow However regardless of what each day may bring there is one thing that is certain God

Our Brief Hours of Play J.S. Cromartie,2022-06-15 Our Brief Hours of Play is the story of two young people attempting to navigate the unsettled currents of adolescent friendship Told in the format of two separate journals the novel begins when Mark a rather sheltered upper middle class jock rescues a mysterious classmate of his named Misha from a pool because somehow at 14 she does not know how to swim In offering to teach her Mark becomes intrigued by her enigmatic view of life Her subtle quips add to the mystery It costs nothing if you ve got nothing to lose Mark longs for their friendship to become something more but Misha responds no please just be my friend That way I don t lose you Their friendship blossoms until the fall when they must go their separate ways he to a private high school she to a large urban school Although this puts a strain on any time together their relationship continues until one day Misha simply disappears Months later their paths cross again but the encounter is stilted and awkward until Mark discovers why Finding her journal accidentally left in his car he reads it and learns about the desperate

world Misha is a part of where she has experienced abandonment eviction sexual assault and where even now she is considering suicide Mark attempts to rescue her again but the effort this time is far more difficult than diving into a pool Mark must learn to live with ambiguity and loss even as Misha seemingly disappears from his life again Ultimately the story is about a hard won hope and the miracle of a friendship that stands the test of time *This Butterfly WAS Once A Worm* Cathrine Kabade-Mutiti,2010-12-09 You know what my aim was to motivate all the people who read what I am witting but the truth is I have been motivated more than I thought each day that I managed to write more information about my life the more zeal I got to write more This is a true life and a true setting of my African culture I relieve that life in my thoughts and it makes me smile because I only concentrate on good memories **How to Be a Better Person** Dr. Gilbert Edwards,2017-03-21 Through the years I have noticed that many people have lost many things such as marriages break up of friendships etc I feel that it is because of bad character I feel a need to reach out to those who need to build a better character to make themselves better There is a need for one to behave oneself in a manner to be an example to their family or to those that are around them One should take time to be a better person Therefore one should try and study hard to build their character In my study I feel that an early age should begin to build a good character There should be a place for developing Christian character Sunday school seems to be the place Sunday school teaching is spiritual work It means soul culture When the Sunday school pupil has been won to Christ the work has been but fairly begun Everything must now be done to help the pupil to form habits of Christian living The prayer life must be strengthened Bible Study must be encouraged and the graces of the spirit must be acquired Self mastery must be won
