Prayer And The New Testament:

The Prayers of the New Testament Donald Coggan, 1967 *Biblical Theology of Prayer in the New Testament* Francois P. Viljoen, Albert J. Coetsee, 2023 The Biblical Theology of prayer is investigated in this work according to the principles of the New Testament It forms the second of a two volume publication on a Biblical Theology of prayer engaging with the concept of prayer in the Old and New Testaments respectively This volume opens by introducing prayer and worship in the early Jewish tradition followed by eleven chapters dealing with New Testament corpora It concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testaments corpora This provides a summative theological perspective of the development of the concept of prayer through scripture Prayer forms a major and continuous theme throughout the biblical text Prayer was integral to God's people's religious existence in both the Old and New Testaments It underwent its most significant development during after and following the Exile and was deepened and transformed in the New Testament In both the Old and New Testaments God is the sole addressee of his people's prayers and with the introduction of Trinitarian elements of worship adoration and intercession this conviction also remained in the New Testament It is anticipated that through synthesising the numerous theologies concerning prayer illustrated in these volumes they can be merged into an evolving meta theology of prayer As the Old and New Testaments form part of the canonical text the results of prayer in the Old Testament can be brought into play with the results of prayer in the New Testament This eventually leads to an overarching Biblical Theology of prayer Back cover *Praying Like Jesus* Gary Holloway, 2000-10 Praying Like Jesus What the New Testament Teaches about Prayer by Gary Holloway 2000 **Into God's Presence** Richard N. Longenecker, 2001-10-17 The Christian life cannot be fully understood or experienced without first grasping the importance of prayer Yet prayer as it is found in the Christian scriptures has received limited attention as a topic of study Into God's Presence explores the nature and use of prayer throughout the entire New Testament Written by twelve leading biblical scholars with diverse confessional perspectives this insightful volume first discusses Christian prayer in relation to prayer in the Old Testament the Greco Roman world first century Judaism and the Dead Sea Scrolls The rest of the book takes an instructive look at prayer as it appears from Matthew to Revelation with special attention given to Jesus as an exemplar and teacher of prayer *Prayer in the New Testament* Helen Doohan, Leonard Doohan, 2016-10-07 In recent years Christians have increasingly turned to Scripture to nourish their prayer life Prayer in the New Testament focuses on biblical prayer seeing its intimate connection with contemporary spirituality and discovering models in the spiritual leaders of New Testament times The New Testament writers gave their communities understandings of prayer and its centrality for the person and community of faith Their complementary presentations help us catch a glimpse of the richness of prayer for the early community and rediscover its centrality for ourselves *Teach Us to Pray* D. A. Carson, 2002-09-16 In almost 500 years of evangelical praying there has never been a book like this Teach Us to Pray is in effect four books in one It begins with a

detailed analysis of the biblical theology of prayer surveying each part of the Scriptures in turn Next comes an investigation of prayer and spirituality within Hinduism Buddhism Islam historic Christianity Puritanism and a different Christian contemporary tradition Roman Catholicism In addition expert commentators offer Lessons in Prayer from the Worldwide Church featuring Korea China Latin America and Africa Finally a group of Christian leaders write about prayer in their individual experience adding a personal dimension to this comprehensive book This is a full library on the subject of prayer conserving the best insights of the past and breaking new ground with penetrating original thinking Knocking on Heaven's Door David Crump,2006-09-01 How are we to understand petitionary prayer This is a key question for any thoughtful believer who desires to take both the Bible and experience seriously Some believe God answers any prayer as long as the one praying has enough faith and or persistence Others conclude from experience that prayer is really for our benefit and has no impact on God s actions According to David Crump both views are extreme and potentially harmful While books that deal with prayer from a devotional or experiential perspective have their value Knocking on Heaven s Door takes a different approach Crump carefully studies every New Testament passage that has to do with petitionary prayer and draws conclusions that are both theological and pastoral to help us understand the great mystery of prayer **Biblical Theology of prayer in the New Testament** Francois P.
