BASICS OF PRAYER Stephen Nielsen, 2013-05-10 Prayer is not only petition it is also something more basic it is soul to soul communication with God And this really must come first before we ask God for anything For this is the heart of prayer Before we expect Him to listen to our requests we must have made contact with His soul by our soul Excerpt This is a book about prayer It is a study of the most basic elements of Christian prayer The book is written for anyone young or old who wants to deepen his prayer life and his walk with the Lord it is thorough and reflective yet easy to read The book starts off by examining the definition of prayer its nature and meaning Then there is a discussion about praise and how praise is both different from and interdependent of petitionary prayer Three chapters are devoted to intercession and the last four chapters on forgiveness fasting prayer posture and yielding lay out those all important elements that prepare one for prayer
