*Bishops by Gregory of Nazianzus and Ephrem the Syrian* Giovanni Colpani, 2025-06-16 Gregory of Nazianzus and Ephrem the Syrian are both regarded as foundational poets for their respective literary traditions. They wrote in the same period the 4th Century and they both devoted a cycle of poems to a debated theme of the time: bishops. Aim of this work is enhancing the appreciation of these cycles. Gregory's carmina II 1 10 12 13 17 and Ephrem's carmina nisibena 13 21 as works of literature embedded in the performance and reading practices of the time in theological debates on the episcopal office and in their respective communities. The book compares performance and transmission methods of the two corpora: the word choice and imagery describing the episcopal office and how portraits of real life bishops are influenced by theological expectations on what a bishop should be. Two chapters are devoted to literary phenomena peculiar to each author. This book, the first extensive comparison of these two authors from a literary point of view, will interest scholars of Late Antique poetry and literature, Church history and Patristic theology. A new English translation of both corpora constitutes the appendix. **In**

**the Redeeming Christ** F. X. Durrwell, 2013-04-22 F. X. Durrwell's *In the Redeeming Christ* is a gentle forgotten masterpiece that reveals the relationship between personal holiness, sacramental life in the Church, and the salvation of the world. Now republished with an introduction by Scott Hahn, it is a beautiful meditation on the Christian life. At the beginning of *In the Redeeming Christ*, priest and theologian F. X. Durrwell states: "The Christian's salvation lies in his personal sanctification. There too lies the salvation of others." Durrwell's classic offers a hopeful and lucid vision of the Christian spiritual life to inspire and teach readers about the mystery of living in personal holiness and becoming most truly themselves by being in Christ as a member of his body. Such contemporary theologians as Scott Hahn and Brant Pitre have begun to discover the importance of both the idea of personal holiness and what this highly original thinker had to say about it. **Grace** Michael

Casey, 2018-04-17 Benedictine monastic spirituality has emerged as an antidote to the spiritual and cultural challenges facing people of faith today. In this book, the author focuses specifically on GRACE and the benevolence of God as it expresses itself in many different ways along our spiritual journey. What is a person likely to experience when beginning to give up him or herself conscientiously to the spiritual journey? In this beautiful guide, gradually we come to realize that everything that happens in our lives is somehow the gift of our loving Father. Every journey is ultimately individual. As Casey explains, what you hear within your own spirit is more significant than what he can say. But his aim is to help you listen to the voice of God in your heart. The Pilot, or Sailors' magazine.
