**Larger Print Bible-II-Volume 2** Jay Patrick Sr. Green, 2007 Larger Print Edition The number one complaint about the Interlinear Hebrew Greek English Bibles by Jay P Green Sr has been the size of the type This new printing is in a larger type size much more readable for long hours of study without the eye strain This has all of the content of the 4 Volume Interlinear Bible Set that has been published since 1985 and all the content of the 2000 Interlinear New Testament The only complete interlinear Bible available in English and it's keyed to Strong's Exhaustive Concordance Thousands of pastors students and laypeople have found The Interlinear Bible to be a time saving tool for researching the subtle nuances and layers of meaning within the original biblical languages Featuring the complete Hebrew and Greek texts with a direct English rendering below each word it also includes The Literal Translation of the Bible in the outside column But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's Greek Hebrew dictionaries analytical lexicons concordances word studies and more The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus The sources of the texts are documented in the preface and are essentially the same with some minor variations to the Hebrew and Greek texts used by the KJV translators Only a small minority of Bible students ever achieve the ability to read the original biblical languages This resource offers a non threatening tool for those lacking language training to begin exploring the languages of Scripture Offering a concise literal translation of each Greek and Hebrew word it's a great jumping off point for in depth Bible study and text analysis This Bible displays all the

Hebrew Aramaic and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text with literal accurate English meanings placed directly under each original word in interlinear form with Strong's Concordance numbers over each original word enabling the Bible student whether knowing the original languages or not to refer to all lexicons and concordances that have also been coded with Strong's numbers 2 936 pages bound in a bonded leather over boards hardback edition This new edition has been much improved by a new typesetting of the New Testament Volume IV with larger print the left marginal column containing a newly revised Literal Translation of the Bible 2000 and a right marginal column containing the Authorized King James Version 1769 The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition but in larger print The Old Testament does not yet have the 1769 King James Version The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers The Strong's numbering above each Hebrew and Greek word along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew Greek words in the Hebrew Greek lexicons There is no substitute for a first hand knowledge of the original text However since only a small minority of Bible students retain an easy reading comprehension of the original text the Interlinear Bible is a welcome aid to Bible students laymen and pastors who wish to continue working with the original languages The Living Bible Large Print Edition Tyndale, 2013-05 Unlike most English Bibles The Living Bible is a paraphrase designed to put the basic message of the Bible into modern language that could readily be understood by the typical reader without a theological or linguistic background *The Living Bible Large Print Edition* Tyndale, 2013-05 Winner of the first ever quadruple Diamond award from ECPA Celebrating over 40 years and over 40 million lives touched Tyndale is releasing a new Large Print edition of The Living Bible Features include a Bible reading plan four color maps a topical concordance and a presentation page The uncluttered two column format and the large text make for easy reading The Living Bible is a paraphrase of the Old and New Testaments Its purpose is to say as exactly as possible what the writers of the Scriptures meant and to say it simply expanding where necessary for a clear understanding by the modern reader **Clear Word Giant Print , A Guide to Jewish Prayer** Rabbi Adin Steinsaltz, 2002-03-05 From one of the world's most famous and respected rabbis a practical explanation of Jewish worship from a spiritual slant Detroit Free Press For both the novice and for those who have been engaged in prayer for years here is the one guide needed to practice Jewish prayer and understand the prayer book From the origins and meaning of worship to a step by step explanation of the daily prayers to the reason you're not supposed to chat with your friends during services Rabbi Adin Steinsaltz answers many of the questions likely to arise about Jewish prayer Here are chapters on daily prayer Sabbath prayer prayer services for the holidays the yearly cycle of synagogue Bible readings the history and makeup of the synagogue the different prayer rites for Ashkenazim Sephardim Yemenites and other
