

Honest Prayer

God,

I'm such a mess I don't understand how you could love me, but I promise to keep coming back to you.

God, I don't love you, but I wish I did. Whether I'm on top of the world, a complete wreck, or anywhere in between, my Father wants my heart. He wants to hear all about the things that stress me out and keep me up at night. He wants to laugh along at the things that bring me joy. He wants to sit in the silence when I don't have any words and just be with me. Christ died to tear the veil separating heaven and earth — to open the way for us to approach Him without fear. So be not afraid.

Amen.

Prayers Of An Honest Christian:

Where Prayer Becomes Real Kyle Strobel, John Coe, 2021-03-02 If we're honest most of us feel bored, distracted or discouraged in prayer. We look for resources to give us the right words or teach us the right technique and are disappointed when they don't seem to help. What we fail to realize is that prayer isn't a place for us to be good or right and it isn't a place for us to perform or prove our worth. It's a place for us to be honest, present and known, a place for us to offer ourselves and receive God. Spiritual formation experts Kyle Strobel and John Coe want to show you what you've been missing when it comes to prayer. In this down-to-earth book they show you how to fearlessly draw near to a holy God, pray without ceasing and without posturing, and delight in the experience of being fully known and fully loved. Each chapter ends with prayer projects or practices to help you see a difference in your prayer life starting now. The Westminster Collection of Christian Prayers Dorothy M. Stewart, 1999-01-01 Prayers are grouped alphabetically by theme to assist readers in finding the appropriate prayer for every need or occasion. It has extensive indexes and cross references and also provides notes about the authors. Themes include comfort, forgiveness, friendship, change, anxiety and worry, simplicity, thanksgiving, justice and injustice, reconciliation, temptation, anger and more. Contributors include Thomas Aquinas, William Barclay, Karl Barth, William Blake, Dietrich Bonhoeffer, Elizabeth Barrett Browning, John Calvin, G. K. Chesterton, Emily Dickinson, Billy Graham, Martin Luther King Jr., Madeleine L. Engle, C. S. Lewis, Abraham Lincoln, Thomas Merton, Mother Teresa, Reinhold Niebuhr, Henri Nouwen, Dorothy L. Sayers, Harriet Beecher Stowe, Desmond Tutu and John Wesley. Christian Life and Practice Owen C. Thomas, 2009-01-01 This book is a study of the Christian life and the practice of Christians and the church from an Anglican perspective. It begins with an analysis and explication of the structure and process of the Christian life before God in the church and the world involving a five-fold rule of life and the relation of this to spiritual direction. This is followed by an analysis and critique of the current spirituality movement which arose in the 1970s and which has come to dominate and mislead the churches. A sequel to the latter explains the origin of the spirituality movement in the current Romantic movement that arose in the 1960s and has influenced all aspects of our culture with ambiguous results. Next there is a critique of contemporary parish ministry as practiced in residential parishes that at best ministers only to the private lives of its members, followed by a fictional story of such a residential parish that suggests a new departure in parish ministry. Then there is a critique of preaching in the Episcopal Church that is generally considered to be poor and a proposal of a way to overcome this. The concluding three chapters treat a fundamental problem in our approach to private prayer and a way to resolve this, a proposal for a way to overcome the current impasse in the Anglican Communion concerning homosexuality and a meditation on the responsibility of Christians in public life. The Prayer Coin Elisa Morgan,2018

Take a coin Toss it in the air Now call it Heads Tails What if you could choose both sides Elisa Morgan birthed the prayer coin idea as she was struggling in her own prayer life Should she be blatantly honest about her desires or just leave everything to God and let Him lead An epiphany came when Elisa noticed how Jesus prayed in the Garden of Gethsemane Take this cup from me yet not my will but yours be done Luke 22:42 Jesus Christ begged for relief from the trial He faced while utterly complying with what He knew the Father's will to be Honesty and abandon in the same breath Elisa discovered that Jesus invites us to both And the emotional back and forth between full out honesty and giving it up in abandon actually drew her closer to God If Jesus our Savior Mentor and Friend could pray both sides of the prayer coin could we as well

Primitive Piety: A Journey from Suburban Mediocrity to Passionate Christianity Ian Stackhouse, 2012-10-01 In Primitive Piety Ian Stackhouse takes us on a journey away from the safe world of suburban piety with its stress on moderation and politeness and into the extreme and paradoxical world of biblical faith As someone who has pastored churches in suburbia for the last twenty years the author is convinced that so much that passes off as Christian faith falls short of the radicalism or primitivism that we see in the pages of scripture a primitivism that includes honest lament dogged prayer raw emotions and heart felt desire In a culture in which there is every danger that we all look the same and speak the same Stackhouse argues for a more gritty kind of faith one that celebrates the oddity of the gospel the eccentricity of the saints and the utter uniqueness of each and every church
