Making Prayer Real Rabbi Mike Comins,2010-12-15 Fresh Useful Perspectives on the Spiritual Dynamics of Prayer Better music better sermons and better prayer books can only go so far Many innovations have been tried around the world and no doubt synagogue leadership will continue to think creatively about improving services But deep and lasting change will only come when each of us takes ownership and responsibility for what only we can really guide our inner lives from the Preface Join over fifty Jewish spiritual leaders from all denominations in a candid conversation about the why and how of prayer how prayer changes us and how to discern a response from God In this fascinating forum they share the challenges of prayer what it means to pray how to develop your own personal prayer voice and how to rediscover meaning and Gods presence in the traditional Jewish prayer book A Praying People James Spencer,Ashish Varma,2023-06-13 Dwight L Moody s ministry was fueled by prayer The church today would do well to return to prayer It is not something we do having already decided what we are going to do anyway Instead it must become our first thought Prayer must become as natural as breathing A Praying People is inspired by Dwight L Moody and offers insights regarding a range of topics associated with prayer Our hope is that as you read these essays you will not only gain new knowledge about prayer but that you will be motivated to engage in the practice of prayer so that like Dwight Moody you see prayer as a vital part of your Christian life and ministry

Prayers, Texts and Tears Dai Woolridge,2017-02-17 How do we respond to God our family and our colleagues when our whole world is shattered by the death of a loved one For Spoken Word artist Dai Woolridge there were sometimes no words In this honest and personal story of grief Dai offers a creative response to God Working through a timeline of grief he shares his experience of burn out anti depressants and the question of why doesn t God heal Using poetry prayers and scripture Dai looks back at his cries to God and His words back to him This is a book that will give words to those who are going through personal loss and for those who have grieved are grieving or have never yet grieved **Dumbfounded Praying** Harold M. Best,2011-01-01 Dumbfounded Praying is a book of no limits uninhibited praying dumbfounded praying It is a confessing book an idea book a wrestling and praise filled book and like the Psalms intensely personal but certainly not private These prayers are for everybody who is thirsty and hungry who doubts who might be unsure of the value of prayer they are for anybody who wants to question confess praise lament imagine and speculate This book is open to all who love the richness of speech with God and want his everlasting richness to flood their minds hearts and circumstances in return Prayer is more than a narrow tidied list of proper things to talk to God about Nothing is off limits with God for he intimately knows what fills our minds stirs in our hearts and frames our circumstances God invites us to talk everything over with him honestly fearlessly even imaginatively Out of sheer love God has eternally befriended himself to us and asks us into his confidence and in turn invites us to confide freely in him God wants us to know that while we would rather talk than listen he always listens before he talks

and when he does it is always with his Word strongly yet sweetly offered to us by his Spirit and made eternally sure by his Son This Word is inevitably filled with mercy love grace forgiveness correction and unblemished wisdom Just in Time!

Simon, 2019-07-02 Prayers that lead to a growing intimacy with God Heart learning not just more head knowledge Walking conversations with God These are a few of the fruits produced by a spiritual practice called holy walks Rooted in the ancient art of praying the Psalms holy walks enrich our understanding and practice of prayer by integrating prayer walking and learning the Psalms by heart In a practical deeply personal and at times humorous manner Steve Simon shares how holy walks have transformed his own prayer life and revitalized his walk with God and how they can do the same for the reader In addition to explaining the spiritual practice of holy walks Holy Walks also provides an introduction to the book of Psalms which will be especially valuable for those with limited knowledge of the Bible Exploring five types of psalms Holy Walks describes how God uses them to shape our heart in life giving ways no matter what peaks we re climbing or valleys we re traversing The book concludes with a discussion on what the Psalms teach about God s relationship with us as our creator leader and rescuer
