**Biblical Theology of prayer in the New Testament** Francois P. Viljoen, Albert J. Coetsee, 2023-08-31 This publication deals with a biblical theology of prayer based on the New Testament It forms the second of a two volume publication on a biblical theology of prayer dealing with the concept of prayer in the Old and New Testament respectively This New Testament volume begins with an introduction on prayer and worship in early Jewish tradition followed by eleven chapters dealing with New Testament corpora It concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora to provide a summative theological perspective of the development of the concept of prayer through scripture Prayer forms a major and continuous theme throughout the biblical text Prayer was an integral part of the religious existence of God's people in both the Old and New Testament It underwent its greatest developments during after and as a result of the Exile and was deepened and transformed in the New Testament In both the Old and the New Testament God is the sole addressee of his people's prayer This conviction continued into the New Testament but was broadened with Trinitarian elements of worship adoration and intercession A biblical theological investigation is chosen as methodology Since all the biblical books form part of one canonical text the assumption is that the various theologies about prayer being displayed in these books can be synthesised into a developing meta theology about prayer As the Old and New Testament form part of the canonical text the results about prayer in the Old Testament can be brought into play with the results about prayer in the New Testament This eventually leads toward an overarching biblical theology of prayer

Bible ser. Old Testament, no. Acts of the Apostles, no ,1860      The Lord's Prayer and the Sermon on the Mount in Matthew's  
Gospel Charles Nathan Ridlehoover,2019-12-26 Charles Nathan Ridlehoover examines the Lord s Prayer in Matthew s Gospel  
focusing on the prayer s centrality and showing how this centrality affects our reading of the Sermon on the Mount and  
subsequently the prayer itself Ridlehoover argues that the Lord s Prayer is structurally lexically and thematically central to  
the Sermon on the Mount and the means through which disciples of Jesus are empowered to live out the kingdom  
righteousness it defines In turn the Sermon on the Mount clarifies what the answer to the petitions of the Lord s Prayer  
might look like in the life of the disciple of Jesus Whilst the centrality of the Lord s Prayer has been noted by previous  
commentators this centrality and its intended purpose has not hitherto been defined or examined in great depth Ridlehoover  
fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to  
examining the Father will forgiveness and evil petitions and the relevance of word and deed for hearers and doers
