Fleischaker, OP, 2015-09-15 Daily Prayer is the trusted resource that has deepened Catholics faith and prayer life. Rewritten annually to reflect the Lectionary year, this prayer book provides a simple order of prayer for each day, a scripture passage, a reflection, intercessions, the Lord's prayer, and a closing prayer. *Prayer Primer* Thomas Dubay, 2009-09-03 Fr Thomas Dubay, a renowned teacher and writer on prayer and the spiritual life, presents a simple, profound, and practical book on the most important of all human activities: communion with God. *Prayer Primer* is written for intelligent adults and teenagers who want God and a serious prayer life, but it does not presuppose that they need or have a theological background. It does take up many questions rarely answered adequately in the classroom or from the pulpit, often not mentioned at all: Why pray? Be ready for some surprises. Why vocal prayer is important and yet should be limited. What contemplation is and is not. Praying with Scripture. Family prayer, even how to introduce children to group meditation. Prayer in a busy life. Pitfalls and problems together with solutions. Buddhism. New Age. Centering prayer. What should you do when dry and empty and not at all inclined to pray? How do you even get started? Where and how to begin. Assessing progress. Growing in depth. All of these subjects and more are clearly and concisely explained for citizens of this 21st century. Pray with Us Belinda Terro Mooney, 2024-10-21 The saints in heaven are powerful intercessors praying for our needs before the face of God. As part of the communion of saints, we on earth pray with power when we ask the saints to pray with and for us, especially on their feast days. *Pray with Us* invites us to connect with 365 saints, blesseds, venerables, and servants of God, one for each day of the year. Each day's entry includes a brief biography of the saint and a prayer. This book provides a concise, approachable format for individuals and families to form the habit of daily prayer and to rely more purposefully on the intercession of the saints. Let us pray together in unity with all the saints who love us so much and want to assist us on our spiritual journey. The Cathedral at the Heart of Los Angeles Michael Downey, 2002 Michael Downey offers brief spiritual reflections on the Cathedral of Our Lady of the Angels in Los Angeles, the first cathedral of the new millennium. Beholding the Cathedral in view of the twin themes of light and journey, Dr Downey invites the reader to a contemplative experience of this splendid sacred space. Through word and image, the heart is moved to grateful prayer for the generous gifts of many people for the years of work that have gone into creating this space, this place that is so much more than a building. Here, the whole people of Los Angeles, the rich and poor from all walks of life, have come together to make a place that belongs to everyone, a place for everything that ennobles the human spirit: fine art, music, folk craft, worship, and more. The Cathedral, no matter how splendid it may be, is simply a setting for the most precious of jewels: God's people in all their diversity.
