Praying With The New Testament:

The Prayers of the New Testament Donald Coggan, 1967

Into God's Presence Richard N. Longenecker, 2001-10-17

The Christian life cannot be fully understood or experienced without first grasping the importance of prayer Yet prayer as it is found in the Christian scriptures has received limited attention as a topic of study **Into God's Presence** explores the nature and use of prayer throughout the entire New Testament Written by twelve leading biblical scholars with diverse confessional perspectives this insightful volume first discusses Christian prayer in relation to prayer in the Old Testament the Greco Roman world first century Judaism and the Dead Sea Scrolls The rest of the book takes an instructive look at prayer as it appears from Matthew to Revelation with special attention given to Jesus as an exemplar and teacher of prayer

Biblical Theology of prayer in the New Testament Francois P. Viljoen, Albert J. Coetsee, 2023-08-31 This publication deals with a biblical theology of prayer based on the New Testament It forms the second of a two volume publication on a biblical theology of prayer dealing with the concept of prayer in the Old and New Testament respectively This New Testament volume begins with an introduction on prayer and worship in early Jewish tradition followed by eleven chapters dealing with New Testament corpora It concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora to provide a summative theological perspective of the development of the concept of prayer through scripture Prayer forms a major and continuous theme throughout the biblical text Prayer was an integral part of the religious existence of God's people in both the Old and New Testament It underwent its greatest developments during after and as a result of the Exile and was deepened and transformed in the New Testament In both the Old and the New Testament God is the sole addressee of his people's prayer This conviction continued into the New Testament but was broadened with Trinitarian elements of worship adoration and intercession A biblical theological investigation is chosen as methodology Since all the biblical books form part of one canonical text the assumption is that the various theologies about prayer being displayed in these books can be synthesised into a developing meta theology about prayer As the Old and New Testament form part of the canonical text the results about prayer in the Old Testament can be brought into play with the results about prayer in the New Testament This eventually leads toward an overarching biblical theology of prayer

Prayer in the New Testament Helen Doohan, Leonard Doohan, 2016-10-07 In recent years

Christians have increasingly turned to Scripture to nourish their prayer life Prayer in the New Testament focuses on biblical prayer seeing its intimate connection with contemporary spirituality and discovering models in the spiritual leaders of New Testament times The New Testament writers gave their communities understandings of prayer and its centrality for the person and community of faith Their complementary presentations help us catch a glimpse of the richness of prayer for the early community and rediscover its centrality for ourselves New Testament Prayer for Everyone Tom Wright,2012-10-18 This helpful and collection of Tom Wright s insights into the meaning and practice of prayer gives you all the accessible wisdom of the various New Testament prayers explored in his individual For Everyone commentaries This convenient yet compact collection of explorations includes his own thoughtful translations and meditations on all the major prayers of the New Testament Reasons to add New Testament Prayers for Everyone to your collection Get Tom Wrights reliable readable insights Benefit from his own translation from the original manuscripts Understand the key teachings of New Testament writers Find how the hopes and fears of the early Church compare to today s Make yourself an expert in the earliest written Christian prayers Find the through line from the apostles to your prayers today Tom Wright on The Lord s Prayer References to Jesus own practice of private prayer are scattered throughout the Gospels and clearly reflect an awareness on the part of his first followers that this kind of private prayer not simply formulaic petitions but wrestling with God over real issues and questions formed the undercurrent of his life and public work The prayer that Jesus gave his followers embodies his own prayer life and his wider kingdom ministry in every clause There are many books about prayer but this is the first by Tom Wright to cover all the key teachings and examples to be found in the New Testament *Knocking on Heaven's Door* David Crump,2006-09-01 How are we to understand petitionary prayer This is a key question for any thoughtful believer who desires to take both the Bible and experience seriously Some believe God answers any prayer as long as the one praying has enough faith and or persistence Others conclude from experience that prayer is really for our benefit and has no impact on God s actions According to David Crump both views are extreme and potentially harmful While books that deal with prayer from a devotional or experiential perspective have their value Knocking on Heaven s Door takes a different approach Crump carefully studies every New Testament passage that has to do with petitionary prayer and draws conclusions that are both theological and pastoral to help us understand the great mystery of prayer Prayers of the New Testament Lynne M. Baab,2010-01-07 Are your prayers stuck in a rut In these eight session LifeGuide Bible Study from Lynne M Baab you ll find new words and new ways to pray through the prayers of Mary Simeon and Anna Peter Paul John and Jesus himself Their words and patterns can serve as rich models for us in our own conversations with God helping us get out of our ruts and onto fresh new paths of prayer Praying with the New Testament ,1988-01-01 Based on the Good News Bible this book of prayers for personal devotion or corporate worship incorporates direct quotations and adaptations of well know scripture texts Includes prayers of penitence and commitment petition and praise and blessings and meditations for personal devotion

or corporate worship **The Spirit Intercedes** K. K. Yeo, 2009-07-01 This volume provides a collection of prayers and artwork based on the New Testament texts inviting readers to join in the Spirit's moving through words, figures and colors. Yeo and Matheny offer this resource to worship leaders, those interested in spirituality, prayers and artistic expressions of the New Testament. The process of praying and painting the New Testament allows the Spirit to intercede for God's will in the world and incarnate peace in our lives that surpasses all understanding **Exegetical Dictionary of the New Testament, Vol. 3** Horst Balz, Gerhard M. Schneider, 2004-01-14 The English translation of the three-volume Exegetisches Wörterbuch zum Neuen Testament, this monumental work by an ecumenical group of scholars is first of all a complete English dictionary of New Testament Greek. Going beyond that, however, EDNT also serves as a guide to the usage of every New Testament word in its various contexts and it makes a significant contribution to New Testament exegesis and theology. EDNT's thorough, lengthy discussions of more significant words and its grouping of words related by root and meaning, with alphabetical cross-references, distinguish it from simpler Greek-English lexicons. Advancing the discussion of the Theological Dictionary of the Old Testament, EDNT summarizes more recent treatments of numerous questions in New Testament study and takes into consideration newer viewpoints of linguistics **Teach Us to Pray** D. A. Carson, 2002-09-16 In almost 500 years of evangelical praying, there has never been a book like this. Teach Us to Pray is in effect four books in one. It begins with a detailed analysis of the biblical theology of prayer, surveying each part of the Scriptures in turn. Next comes an investigation of prayer and spirituality within Hinduism, Buddhism, Islam, historic Christianity, Puritanism, and a different Christian contemporary tradition, Roman Catholicism. In addition, expert commentators offer Lessons in Prayer from the Worldwide Church, featuring Korea, China, Latin America, and Africa. Finally, a group of Christian leaders write about prayer in their individual experience, adding a personal dimension to this comprehensive book. This is a full library on the subject of prayer, conserving the best insights of the past and breaking new ground with penetrating original thinking *Biblical Theology of prayer in the Old Testament* Albert J. Coetsee, Francois P. Viljoen, 2023-08-31 Prayer is a major topic within Christian theology. The biblical text has various references to various recorded and reported prayers. In fact, references to prayer are found within the rich diversity of the various books, corpora, and genres of Scripture. As can be expected, much has been written about prayer in the biblical text. However, a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before, and this book intends to fill this gap, assuming that such an approach can provide a valuable contribution to the theological discourse on prayer and related concepts. This book aims to investigate prayer and its related elements, including worship, praise, thanksgiving, adoration, petition, intercession, lament, and confession, in the Old Testament, on a book-by-book or corpus-by-corpus basis. The investigation follows a Biblical Theological approach, reading the Old Testament on a book-by-book basis in its final form to uncover the Old Testament's overarching theology of prayer, understanding the parts in relation to the whole. By doing this, the discrete nuances of the prayers of the different Old

Testament books and corpora can be uncovered letting the books and corpora speak for themselves In addition the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa This book is of significant value to scholars It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives
