

Pre Columbian Mexican Miniatures

United States National Museum

Pre Columbian Mexican Miniatures:

PRE-COLUMBIAN MEXICAN MINIATURES. ,1970 **Pre-Columbian Mexican Miniatures** Anni Albers,1970 In selecting the objects to include in this book Anni Albers was guided by her belief that all art is an act of condensation that the small pre Columbian images shown here are truly a lesson in economy of artistic articulation that neither small size nor a modest material such as clay nor even the specific idiom of a period will keep true art from emanating its timeless meaning

book jacket Pre-columbian Mexican Miniatures Anni Albers (artiste),1970 Pre-columbian Mexican Miniatures Josef Albers,Michael Douglas Coe,1970 Miniature Crafts and Their Makers Katrin Flechsig,2022-07-12 Picture a throng of tiny devils and angels or a marching band so small it can fit in the palm of your hand In a Mixtec town in the Mexican state of Puebla craftspeople have been weaving palm since before the Spanish Conquest but over the past forty years that art has become more finely tuned and has won national acceptance in a market nostalgic for an authentic Indian past In this book Katrin Flechsig offers the first in depth ethnographic and historical examination of the miniature palm craft industry taking readers behind the scenes of craft production in order to explain how and why these folk arts have undergone miniaturization over the past several decades In describing this Lilliputization of Mexico she discusses the appeal of miniaturization revealing how such factors as tourism and the construction of national identity have contributed to an ongoing demand for the tiny creations She also contrasts the playfulness of the crafts with the often harsh economic and political realities of life in the community Flechsig places the crafts of Chigmecatitl n within the contexts of manufacturing local history religion design and technique and selling She tells how innovation is introduced into the craft such as through the modification of foreign designs in response to market demands She also offers insights into capitalist penetration of folk traditions the marketing of folk arts and economic changes in modern Mexico And despite the fact that the designations folk and Indian help create a romantic fiction surrounding the craft Flechsig dispels common misperceptions of the simplicity of this folk art by revealing the complexities involved in its creation More than thirty illustrations depict not only finished miniatures but also the artists and their milieu Today miniatures serve not only the tourist market middle class Mexicans also collect miniatures to such an extent that it has been termed a national pastime Flechsig s work opens up this miniature world and shows us the extent to which it has become a lasting and important facet of contemporary Mexican culture Small-great Objects Jennifer Reynolds-Kaye,Yale University. Art Gallery,2017-01-01 Small Great Objects presents a remarkable look into the art collecting practices of two of modern art s most widely influential figures Anni 1899 1994 and Josef 1888 1976 Albers Their impressive collection of over 1 400 objects from Latin America namely Mexico and Peru represents a conscious endeavor that goes well beyond that of a casual hobby displaying a deep appreciation for the art textiles and overall ingenuity of the ancient American world This insightful book draws on primary source materials such as the couple s letters personal papers and archival photographs many never before published and demonstrates their conviction that these

Prehispanic objects displayed a formal sophistication and bold abstraction that defy the prevalent conception of the works as primitive. Moreover, it shows how the Alberses spread their appreciation of the ancient world to others through their teachings, their writings, and their own art practices. Miniatures in Clay from Pre-columbian Mexico, 1960* **The Oxford Handbook of Prehistoric Figurines** Timothy Insoll, 2017. The Oxford Handbook of Prehistoric Figurines is the first text to offer a comparative survey of figurines from across the globe, bringing together myriad contemporary research approaches to provide invaluable insights into their function, context, meaning, and use, as well as past thinking on the human body, gender, and identity. **Prehistoric Pictures and American Modernism** Elke Seibert, 2023-09-21. In April 1937, the Museum of Modern Art in New York hosted an exhibition that served as a catalyst for the appropriation of prehistoric rock art in postwar abstract painting. With the title *Prehistoric Rock Pictures in Europe and Africa*, it displayed a range of copies from the influential collection of the German ethnologist Leo Frobenius. Largely disregarded in modern American art history up until now, this book highlights the importance of this exhibition to artists such as Josef Albers, Adolph Gottlieb, David Smith, and The American Abstract Artists group, who sought inspiration from the prehistoric images' primordial creativity. With a transnational scope, this book reveals new facts about the connections between Paris and New York and the importance of communication and collaboration between them for these artists. In doing so, Seibert shows that this debate was about more than just legitimizing abstract art forms from the past but about recognizing an autonomous American abstract art. Presenting unseen archival material, letters, and exhibition documentation, *Prehistoric Pictures and American Modernism* offers a new reading of the development of modern American abstraction and will hold an important place in the historiography of the movement, its global traditions, and its legacy. La Raza California State University, Northridge. Libraries, 1976. *Leap Before You Look* Helen Anne Molesworth, Ruth Erickson, 2015-01-01. La exposici n refleja la historia del Black Mountain College (BMC), fundado en 1933 en Carolina del Norte y concebido como universidad experimental que situaba al arte en el centro de una educaci n liberal que pretend a educar mejor a los ciudadanos para participar en la sociedad democr tica. La educaci n era interdisciplinaria y conced a gran importancia al debate, la investigaci n y la experimentaci n, dedicando la misma atenci n a las artes visuales (pintura, escultura, dibujo) que a las llamadas artes aplicadas (tejidos, cer mica, orfebrer a, as como a la arquitectura, la poes a, la m sica y la danza). **Catalog of the Avery Memorial Architectural Library of Columbia University. 2d ed., enl** Avery Library, 1972. **Ceramic Figures of Ancient Mexico** Carlo T. E. Gay, 1979. **Theologians Under Hitler** Robert P. Ericksen, 1985-01-01. What led so many German Protestant theologians to welcome the Nazi regime and its policies of racism and anti-Semitism? In this provocative book, Robert P. Ericksen examines the work and attitudes of three distinguished scholarly and influential theologians who greeted the rise of Hitler with enthusiasm and support. In so doing, he shows how National Socialism could appeal to well-meaning and intelligent people in Germany and why the German university and church were so silent about the excesses and evil that

confronted them This book is stimulating and thought provoking The issues it raises range well beyond the confines of the case studies of the three theologians examined and have relevance outside the particular context of Hitler s Germany That the book compels the reader to rethink some important questions about the susceptibility of intelligent human beings to as distasteful a phenomenon as fascism is an important achievement Ian Kershaw History Today Ericksen s study throws light on the kinds of perversion to which Christian beliefs and attitudes are easily susceptible and is therefore timely and useful Gordon D Kaufman Los Angeles Times An understanding and carefully documented study Ernst C Helmreich American Historical Review This dark book poses a number of social economic and cultural questions that one has to answer before condemning Kittel Althaus and Hirsch William Griffin Publishers Weekly A highly competent well written book Tim Bradshaw Churchman Miniature Messages Jack Child,2008-07-21 An analysis of the messages about history culture and politics that Latin American nations have encoded in the design and text of their postage stamps *Mexico* ,1975 Report on the Progress and Condition of the United States National Museum United States National Museum,1898 Annual Report of the Board of Regents of the Smithsonian Institution Smithsonian Institution. Board of Regents,1898 Annual Report of the Board of Regents of the Smithsonian Institution, Showing the Operations, Expenditures, and Condition of the Institution for the Year Ending June 30, 1896 ,1898 **Report Upon the Condition and Progress of the U.S. National Museum During the Year Ending June 30 ...** United States National Museum,1898
