**Preaching in the Purple Zone** Leah D. Schade, 2019-04-23 Preaching in the Purple Zone is a resource for helping the church understand the challenges facing parish pastors while encouraging and equipping preachers to address the vital justice issues of our time This book provides practical instruction for navigating the hazards of prophetic preaching with tested strategies and prudent tactics grounded in biblical and theological foundations Key to this endeavor is using a method of civil discourse called deliberative dialogue for finding common values among politically diverse parishioners Unique to this book is instruction on using the sermon dialogue sermon process developed by the author that expands the pastor's level of engagement on justice issues with parishioners beyond the single sermon This book equips clergy to help their congregations respectfully engage in deliberation about hot topics find the values that bind them together and respond faithfully to God's Word

**Preaching** G. Campbell Morgan, 2018-07-20 If there is any excuse for this book it is that it is an attempt to answer a question that I have been asked certainly hundreds of times during the course of my work of preaching The question has taken many forms but it is essentially the same It is an enquiry concerning methods of preparation in expository preaching Individual preachers and groups of preachers have asked me to tell them how I work I have always felt it difficult to reply During the three years which I was President of Cheshunt College Cambridge I attempted to talk to the students on the subject The notes of what I then said are embodied in these Lectures From the Preface [How to Become a Dynamic Biblical Preacher](#)

**Songs of Delight for the Sunday School** Z. M. Parvin, 2024-05-10 Reprint of the original first published in 1875 [Preaching as the Word of God](#) Sam Chan, 2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other

Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory     The Open-aired Preacher's Counsellor Frank Cockrem,1923     Planning Your Preaching Stephen Nelson Rummage, A pastor created and field tested easily adaptable method for planning a comprehensive preaching ministry     **Making a Difference in Preaching** Haddon W. Robinson,1997-02-01 Haddon Robinson s method as presented in *Biblical Preaching* is employed in twelve expository messages offering concrete examples of how experienced preachers have made Robinson s homiletical principles work for them Robinson comments on each expository message interviews each preacher and contributes a sermon of his own The book shows how successfully his method of developing sermons can be adapted to different contexts     **Postcolonial Preaching** HyeRan Kim-Cragg,2021-02-11 In *Postcolonial Preaching* HyeRan Kim Cragg argues that preaching is the act of dropping the stone of the Gospel into a lake making waves to move hearts and transform the world wounded by colonial violence The ripple effect serves as a metaphor and acronym to guide to preaching that takes postcolonial concerns seriously Rehearsal Imagination Place Pattern Language and Exegesis RIPPLE Kim Cragg explains each ripple in this approach and exercise of creating and delivering sermons The author delivers fresh insights while drawing on some traditional homiletical perspectives in the service of a homiletic that takes the reality of racism migration and environmental degradation seriously

Moreover Kim Cragg demonstrates the postcolonial sermon in action by including annotated homilies This book contributes to the very first wave of the application of postcolonial scholarship in preaching Given the continuing extent and influence of colonial worldviews and legacies this approach should become a staple in preaching over the next generation

**Preaching the Parables** John R. Brokhoff, 1987-06 The parables of Jesus are timeless stories and with the current popularity of narrative preaching the parables are a familiar topic in the contemporary pulpit But preaching on the parables is not as easy as it looks at first glance Should we simply tell the parable in our own words and let it stand on its own feet or is its lesson most effectively communicated by constructing a sermon around the central theme Or should the preacher spiritualize the parable by probing for allegorical meaning Master homiletician John Brokhoff aids preachers in answering these key questions with rigorous and enlightening background information on parables from Mark and John appearing in Cycle B of the Revised Common Lectionary He offers not only exegesis and interpretation for each passage but also rich material for sermon development suggested outlining approaches and preaching illustrations Parables included are The Doorkeeper Mark 13 32 37 The Good Shepherd John 10 11 18 The True Vine John 15 1 8 A Strong Man Mark 3 20 25 The Miracle Seed Mark 4 26 34 Bread To Eat John 6 35 41 51 Eat The Bread John 6 51 58 A popular preacher teacher and writer John R Brokhoff served as Professor of Homiletics at Candler School of Theology Emory University from 1965 to 1979 Prior to that he pastored Lutheran congregations in Virginia Georgia North Carolina and Pennsylvania Brokhoff is the recipient of the George Washington medal from the Freedom Foundation of Valley Forge Pennsylvania and is the author of many CSS titles including This You Can Believe and Pray Like Jesus
