**Preachers and Misfits, Prophets and Thieves** G. Lee Ramsey, 2008-01-01 In this compelling book G Lee Ramsey Jr mines the riches of southern fiction and discovers a colorful assortment of ministers who arise out of the religious South At once mystical and mischievous these ministers haunt the margins of southern life while preaching a gospel that startles and compels But their oddness is also their appeal and part of their gift For through these colorful portraits of Christian ministry today's readers are challenged to think about what matters in ministry and to re imagine ministry in ways that bring new life to the church and community Throughout Ramsey shows how ministers such as Roger Hagan in Will Campbell's *The Convention* and Hazel Motes in Flannery O'Connor's *Wise Blood* can help show us the stumbling blocks to faithful ministry and steer clergy and congregations forward in today's world

**The Problem with Preachers** Dawud Aasiya-Bey, 2021-12-07 The Problem with Preachers The Similitude of Preaching Preying and Pimping By Dawud Aasiya Bey Dawud Aasiya Bey was born in Washington D C and his parents relocated to Long Island NY when he was four years old He grew up with three brothers in a town called Wyandanch in the town of Babylon As a child he attended a private parochial middle school in Deer Park NY which had a church on the campus and this is where his first experience of attending mass occurred He felt that the school was a strict environment because it seemed that minor infractions resulted in punishments that simply did not fit the wrongdoing He envisioned church as a place where people would be friendly and kind but such was not the case as sisters and fathers seemed to roam the school campus like their goal in life was to catch someone doing something wrong Dawud now lives in Murrieta California with his wife and son which is a small city about 60 miles north of San Diego He is currently in the teaching vocation as a biology teacher and has been doing so for over sixteen years Prior to teaching he worked in the IT field which was a volatile environment back in 2000 requiring head hunters to find contractual B2B jobs which were three to six months at best as outsourcing was the norm Such instability introduced him to the teaching profession as he was a substitute teacher between his IT contract jobs His involvement in the church community as a musician bassist allows him to experience the church dynamic from a musician for hire perspective while continuing his passion for playing music that centers on worship Being behind the scenes and playing in ministries throughout the years has given him more insight as playing at churches conferences and gospel events allowed him to observe the networking conversations and sentiments that took place amongst ministries He feels that the lifestyles and views of some preachers contradict what Jesus taught in the Bible
