Preachers Poets And The Early English Lyric:

Preachers, Poets, and the Early English Lyric Siegfried Wenzel, 2014-07-14 The Middle English lyric is intimately related to late medieval preaching not only because many lyrical poems have been preserved in sermon manuscripts but also because preaching furnished a unique opportunity to create and utilize poems Preachers Poets and the Early English Lyric explores this relationship in detail Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Voices of Medieval English Lyric Anne L. Klinck, 2019-11-28 What was the medieval English lyric Moving beyond the received understanding of the genre The Voices of Medieval English Lyric explores through analysis discussion and demonstration what the term lyric most meaningfully implies in a Middle English context A critical edition of 131 poems that illustrate the range and rich variety of lyric poetry from the mid twelfth century to the early sixteenth century The Voices of Medieval English Lyric presents its texts freshly edited from the manuscripts in thirteen sections emphasizing contrasting and complementary voices and genres As well as a selection of religious poetry the collection includes a high proportion of secular lyrics many on love and sexuality both earnest and humorous In general major authors who have been covered thoroughly elsewhere are excluded from the edited texts but some especially Chaucer are quoted or mentioned as illuminating comparisons Charles d Orlans and the Scots poets Robert Henryson and William Dunbar add an extra national dimension to a single language collection Textual and thematic notes are provided as well as versions of the poems in Latin or French when these exist Adopting new perspectives The Voices of Medieval English Lyric offers an up to date accessible and distinctive take on Middle English poetry *A Companion to the Middle English Lyric* Thomas Gibson Duncan, 2005 Aims to provide both background information on and assessments of the lyric This work includes features of formal and thematic importance they are rhyme scheme stanzaic form the carol genre love poetry in the manner of the troubadour poets and devotional poems focusing on the love and suffering and compassion of Christ and the Virgin Mary *The Middle English Lyric and Short Poem* Rosemary Greentree, 2001 This Bibliography assembles annotation of collections and criticism of lyrics of religious and secular love carols and songs and rhymes of everyday life New Medieval Literatures 23 Philip Knox, Laura Ashe, Kellie Robertson, Wendy Scase, 2023-03-28 Annual volume on medieval textual cultures engaging with intellectual and cultural pluralism in the Middle Ages showcasing the best new work in this field New Medieval Literatures is an annual of work on medieval textual cultures aiming to engage with intellectual and cultural pluralism in the Middle Ages and now Its scope is inclusive of work across the theoretical archival philological and historicist methodologies associated with medieval literary

studies and embraces the range of European cultures capaciously defined Essays in this volume engage with widely varied themes law and literature manuscript production patronage and aesthetics real and imagined geographies gender and its connections to narrative theory and to psychoanalysis Investigations range from the eleventh to the fifteenth centuries from England to the eastern Mediterranean New arguments are put forward about the dating context and occasion of Geoffrey Chaucer's Boece while the narrative dynamics of Chaucer's Franklin's Tale and Tale of Melibee are examined from new perspectives The topography of the Holy Lands appears both as a set of emotional sites depicted in the Prick of Conscience in its account of the end of the world and as co-ordinates in the cultural imaginary of medieval the wine trade Grendel's mother emerges as the invisible and unavowable centre of male heroic culture in Beowulf and the fourteenth century St Erkenwald is brought into contact with the community building project of the medieval death investigation Finally the late medieval Speculum Christiani is revealed to be a work with deep aesthetic investments when read through the framework of how its medieval scribes encountered and shaped that work

A Companion to Medieval Poetry Corinne Saunders, 2010-04-12

MEDIEVAL POETRY In a series of original essays from leading literary scholars this Companion offers a chronological sweep of medieval poetry from Old English to the great genres of romance narrative and alliterative poetry of the 15th century Beginning in the Anglo-Saxon period the volume explores the Old English language and its alliterative tradition before moving on to examine the genres of heroic devotional wisdom and epic poetry culminating in a discussion of arguably the founding text of the English literary canon the great epic Beowulf In part two the Companion moves on to discuss the linguistic and social changes brought about as a result of the Norman Conquest exploring how this influenced the development of literary genres Essays probe the shifts and continuities in genres such as lyric chronicle and dream vision and the emergence of new genres such as popular and courtly romance and drama A particular focus is the continuation of the alliterative tradition from the Anglo-Saxon period to the fifteenth century A series of chapters on major authors including Chaucer Gower and Langland provide fresh approaches to reading and studying key texts such as The Canterbury Tales Piers Plowman and Sir Gawain and the Green Knight Finally the collection examines cultural change at the close of the medieval period and the variety of literature produced in the long fifteenth century including writing by and for women Scots poetry clerical and courtly works and secular and sacred drama
