Practical Theology Mark J. Cartledge, 2012-04-04 Mark Cartledge's book is unique in integrating charismatic and empirical perspectives in practical theology. It exemplifies both qualitative and quantitative methods of research and suggests a way forward for the emerging field of charismatic theology. In part one Cartledge offers a proposal for the development of a charismatic practical theology. He surveys the different models of the interaction of practical theology and social sciences and defends one that is consistent with charismatic spirituality. The section also explores how charismatic spirituality affects theories of truth and knowledge by making testimony an integrating center before concluding with a clear explanation of the methods of research employed. Part two progresses into six empirical studies on charismatic worship glossolalia and postmodernity women and prophetic activity the Toronto Blessing healing and socialization. Each chapter of this important book ends with a methodological reflection and suggestions from renewed theological praxis enforcing the values of such methods of study for a clearer understanding of charismatic Christianity. McCann, 2005-09 YOU ARE DESIGNED FOR DESTINY Designed for Destiny offers exciting opportunities for all who wish to live life to the full. Designed for Destiny is simply written with the ordinary man and woman in mind and is full of relevant illustrations and anecdotes from the author's own experiences. During the last ten years some fine books on God's eternal purposes for man have appeared on our bookshelves but none have adequately addressed the practicalities of pleasing God and fulfilling His plans in the humdrum of everyday life. The author discovered the secrets he shares in this book as a young man eager to fulfill his personal potential. For nearly fifty years he has walked the talk living a life of rich diversity and fulfillment. The book is soundly biblical in its approach. Designed for Destiny contains easy to understand worksheets and diagrams with clear step by step instructions on how to discover and fulfill your potential and achieve the purposes for which you were uniquely designed. Expecting the End Kenneth G. C. Newport, Crawford Gribben, 2006 Jesus promise that the end draws near has spawned an expectation of that grand event across various religious groups This volume examines the abiding social issues that surround the continued presence of apocalyptic anticipation by setting them in historical present day and future manifestations Approaching this fervent expectation from a broad perspective Gribben and Newport explore the contemporary movements with insightful analysis that provokes discussion and even self reflection

Will Catholics Be Left Behind? Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant

Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah
