Preaching Christ:

Preaching Christ from Genesis Sidney Greidanus, 2007-06-25 Sidney Greidanus's previous two preaching books *The Modern Preacher and the Ancient Text* and *Preaching Christ from the Old Testament* have received wide acclaim. *Preaching Christ from Genesis* offers more of Greidanus's solid practical homiletical fare. Packed with unique features, *Preaching Christ from Genesis* uses the latest scholarly research to analyze twenty-three Genesis narratives, presents the rhetorical structures and other literary features of each narrative, discloses the message for Israel, theme as well as the author's likely purpose, goal, explores various ways of preaching Christ from each narrative, offers sermon exposition and commentary in oral style, suggests relevant sermon forms, introductions and applications. Including helpful appendixes: Ten Steps from Text to Sermon, An Expository Sermon Model, and three of the author's own Genesis sermons, this volume will be an invaluable resource for preachers and Bible teachers. Publisher: *Preaching Christ from Ecclesiastes* Sidney Greidanus, 2010-05-03 As Sidney Greidanus points out, the biblical book of *Ecclesiastes* is especially relevant for our contemporary culture because it confronts such secular enticements as materialism, hedonism, cut-throat competition, and self-sufficiency. But how can preachers best convey the ancient Teacher's message to congregations today? A respected expert in both hermeneutics and homiletics, Greidanus does preachers a great service here by providing the foundations for a series of expository sermons on *Ecclesiastes*. He walks students and preachers through the steps from text to sermon for all of the book's fifteen major literary units, explores various ways to move from *Ecclesiastes* to Jesus Christ in the New Testament, and offers insightful expositions that help the preacher in sermon production but omit the theoretical and often impractical discussions in many commentaries. **Preaching Jesus Christ** David G. Buttrick, 2002-09-18 This book focuses on the life, message, death, and resurrection of Christ, as well as the problems of preaching Christology to the mind of our age: the homiletic shape of Christology and the presence of Christ. Buttrick urges that preachers declare the present-tense reality of God's New Order, The Kingdom. **Preaching Christ and not self. A sermon [on 2 Cor. iv. 5] preached ... at the ordination of ... T. M.), 1774 **Preaching Christ the Great Business of the Gospel-ministry** Samuel Haven, 1760 *Preaching Christ. A sermon [on Acts viii. 5], etc.* Francis WILSON (Incumbent of Armitage.), 1852 **Preaching Christ from Daniel** Sydney Greidanus, 2012-12-19 In *Preaching Christ from Daniel*, Sydney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel. Using the most up-to-date biblical scholarship, Greidanus addresses foundational issues such as the date of composition, the author's and original audience of the book, its overall message and goal, and various ways of preaching Christ from Daniel. Throughout his book, Greidanus puts front and center God's sovereignty, providence, and coming kingdom. Each chapter contains building blocks for constructing expository sermons and lessons, including useful information on the context, themes, and goals of each literary

Preaching Christ in All of Scripture Edmund P. Clowney,2003-06-06 Voicing one theme for the entire Bible and structuring all sermons around that idea may seem to be an impossible challenge For veteran pastor and preaching professor Edmund Clowney it will not do to preach a text from either the Old or New Testaments without fully preaching its ultimate and primary focus the person and work of Jesus Christ He writes To see the text in relation to Christ is to see it in its larger context the context of God s purpose in revelation Clowney s rationale for emphasizing Christ s presence in the Old Testament rests on the purpose of the Hebrew Scripture The Old Testament follows God s one great plan for human history and redemption and the plan is not only from him but centers on him his presence in his incarnate Son The witness of the Scriptures to Christ is the reason they were written so it is appropriate to emphasize this element in the Old Testament as well as in the New Testament By offering numerous full length examples of his own sermons that emphasize Christ as the principle theme of Scripture Clowney illustrates for those who will never have the privilege of being his students how they can craft sermons which present Christ as the primary consideration of the text He also offers specific instructions on preparing such a sermon He discusses the personal habits of prayer and Bible study that prepare pastors to seek out Christ s presence Clowney emphasizes the importance of including a specific application in every sermon so that Christ is presented both in what he says and does to reveal himself in the biblical text and in what he says and does to direct Christians lives today Students preparing for the pastorate pastors desiring to increase their emphasis on Christ in their sermons and those seeking Christ s presence in all of Scripture will find a help in Clowney s writings *Preaching During the English Reformation* Susan Wabuda,2002-11-21 This is a study of the religious culture of sixteenth century England centred around preaching and is concerned with competing forms of evangelism between humanists of the Roman Catholic Church and emerging forms of Protestantism More than any other authority Erasmus refashioned the ideal of the preacher Protestant reformers adopted preaching Christ as their strategy to promote the doctrine of justification by faith The apostolic traditions of the preaching chantries provided standards that evangelical reformers used to supplant the mendicant friars in England The late medieval cult of the Holy Name of Jesus is explored the pervasive iconography of its symbol IHS became one of the attributes of moderate Protestant belief The book also offers fresh perspectives on fifteenth and sixteenth century figures on every side of the doctrinal divide including John Rotherham John Colet Hugh Latimer and Anne Boleyn *Two Discourses: the First of Preaching Christ ; the Second, of Particular and Experimental Preaching By the Late Reverend Mr. John Jennings. With a Preface by the Reverend Dr. Isaac Watts. The Third Edition. To which is Added, A Letter Concerning the Most Useful Way of Preaching ; Written in the German Language by ... Dr Augustus Hermannus Franck ... Translated Into Latin ... and Out of the Latin Into English by David Jennings* John Jennings (Nonconformist Minister.),1736 *Preaching Jesus Christ*

Christ Dan Namanya DMin, 2020-12-18 *Christ The Heart of Preaching How Not to Lose the Forest for the Trees* presents the real meaning and value of Christ centered preaching The book also provides research based reasons why preachers fail to preach Christ centered sermons Finally the book provides easy to follow steps to becoming a Christ centered preacher and doable and practical action plans for institutions involved in preaching This book will help anyone become a Christ centered preacher *Christocentric Preaching Meets the Historical Jesus* Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from

three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric

Preaching the Whole Bible as Christian Scripture Graeme Goldsworthy, 2000-06-26 While strong gospel centered preaching abounds many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament This practical handbook offers help Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ centered way Goldsworthy first examines the Bible biblical theology and preaching and shows how they relate in the preparation of Christ centered sermons He then applies the biblical theological method to the various types of literature found in the Bible drawing out their contributions to expository preaching focused on the person and work of Christ Clear complete and immediately applicable this volume will become a fundamental text for teachers pastors and students preparing for ministry

Two Discourses: the first of preaching Christ, the second of particular and experimental preaching. With a preface by the Reverend Isaac Watts. Second edition, corrected John JENNINGS (Nonconformist Minister.), 1724 Trinitarian Doxology Kevin J. Navarro, 2020-10-29 Most approaches to liturgical theology are anthropocentric the study of liturgy is primarily focused on what we the worshipers do Thomas F Torrance and James B Torrance offer a trinitarian and christocentric approach This informs not only the why of worship and not simply the what or how of worship but centers on the One whom we worship Most significantly it fully recognizes the key role of the humanity of Christ as the ascended High Priest who alone offers the perfect worship and through whom alone we are enabled by the Spirit to worship God
