Preaching Gods Compassion Comforting Those Who Suffer:

Preaching God's Compassion LeRoy Aden, Robert G. Hughes, 2001-12-01 Centering on five particular situations of suffering loss illness violence fear and failure this book suggests ways in which a pastor can preach to parishioners who are experiencing trauma Three sample sermons illustrate how to preach on God's gracious activity while avoiding psychologizing the text and reducing the gospel to cheap therapy for individual problems Text Messages John Tucker, 2017-12-06 Facebook Twitter Snapchat We live in a rapidly changing world a world that seems to be increasingly inhospitable toward preaching In the face of digital technology social media cultural pluralism and pastoral burnout how can Christian preachers proclaim the gospel faithfully and effectively This book answers that question by bringing together a selection of important voices from across North America Asia and the Pacific It argues that Spirit empowered preaching is characterized by five attributes it opens the Scriptures engages the culture addresses the listener dissects the preacher and elevates the Savior With contributions from authors like William Willimon Darrell Johnson Lynne Baab Robert Smith Jr and Paul Windsor this is an excellent resource for ordained ministers lay preachers theological students and anyone wrestling with the challenge of preaching God's word in a smartphone world **In Life and Death** LeRoy H. Aden, Explores faith's responses in the face of death either our own or a loved one how those responses effect our self reliance and belief in God and how faith can be challenged and strengthened Original Preaching to People in Pain Matthew D. Kim, 2021-05-18 Offering an important corrective to a pain averse culture that celebrates individualism and success veteran preacher and teacher Matthew Kim encourages pastors to preach on the painful issues their congregations face Through vulnerability and self disclosure pastors can help their congregants share their suffering in community for the purpose of healing and transformation The book includes stories shares relevant Scripture texts imparting biblical wisdom and offers best practices for preaching on specific topics Each chapter ends with discussion questions and a sample sermon Stumbling over the Cross Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for

discipleship in our world **Preaching God's Transforming Justice** Ronald J. Allen, Dale P. Andrews, Dawn Ottoni Wilhelm, 2011-01-01 This unique commentary is the first to help the preacher identify and reflect theologically and ethically on the social implications of the biblical readings in the Revised Common Lectionary In addition to providing commentary for each day in the lectionary calendar this series introduces twenty two Holy Days for Justice These days are intended to enlarge the church's awareness of God's call for justice and of the many ways that call comes to the church and world today The days include Martin Luther King Jr Day Earth Day World AIDS Day International Women's Day Cesar Chavez Day Yom HaShoah and Juneteenth For each of the lectionary days and Holy Days for Justice there is an essay that helps the preacher integrate a variety of social justice concerns including racial ethnic issues sexism classism ecology and violence into their preaching The contributors are a diverse group of homiletics pastors biblical scholars theologians and social activists
