Preaching In Demonstration:

Irenaeus's Demonstration of the Apostolic Preaching Iain M. MacKenzie, 2017-11-22 This title was first published in 2002 The theology of Irenaeus and the Demonstration of the Apostolic Preaching in particular is pivotal in showing the way in which the fathers of the church interpreted scripture and distilled doctrine The Demonstration is an important hinge showing how the doctrine of the fourth century with its definitive councils and definitions of faith opens out from the new testament apostolic and evangelical witness Presenting the full translation of the Demonstration of Irenaeus by Dean Armitage Robinson this book offers a detailed theological commentary by Canon Iain MacKenzie on this foundational doctrinal text MacKenzie sets out the main theological themes throughout Irenaeus work and explores his method of systematic theology Athanasius's dependence on Irenaeus and Irenaeus influence on doctrine in the fourth century particularly the works of Athanasius Basil of Caesarea Gregory of Nazianzus and Gregory of Nyssa Highlighting the importance of this second century theologian for theology today this commentary and theological interpretation offers an incentive to study Irenaeus in the wider development of Christian doctrine as a cardinal figure in the appreciation of systematic theology A Manual for Preaching Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's A Vision for Preaching offered an integrated biblical and theological vision for preaching A Manual for Preaching addresses the practical and perennial issue of how to move from the biblical text to an effective sermon The author a well respected teacher of preachers shows how to discern the text's theological meaning and let that meaning shape the development of the sermon Clearly written and illustrated with Old Testament and New Testament examples the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla **Preaching in Demonstration of the Spirit and Power** John Mason Stapleton, 1988 *Handbook of Contemporary Preaching* Dr. Michael Duduit, 1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more **Fifty Sermons Preached Upon Several Occasions** Edward Stillingfleet, 1707 **Spirit-Led Preaching** Greg Heisler, 2007-02-01 In the words of author Greg Heisler Spirit Led Preaching is a call issued to preachers pastors and teachers of homiletics to recover the Holy Spirit for expository preaching in the same way we have recovered the biblical text My plan for doing this is to recover the doctrine of pneumatology the study of spiritual beings phenomena for our theology of preaching resulting in a renewed emphasis on the powerful combination of Word and Spirit working together as the catalyst for powerful expository preaching Heisler thoroughly examines how the Holy Spirit illuminates and empowers the preacher opens the hearts of the hearers and applies the message to their lives Indeed to ignore the Holy Spirit's role in sermon preparation and delivery would be a considerable oversight The John MacArthur Handbook of Effective Biblical Leadership John MacArthur, 2019-04-02 An overseer must be above reproach 1 Timothy 3:2 Scripture holds leaders and teachers of the Word to an incredibly high standard And for good reason Shepherding God's people into salvation and

spiritual growth is an enormous responsibility Even more now than ever today's church needs leaders who faithfully proclaim the Word of God and equip believers to live it out But great leaders need great role models Bestselling author John MacArthur has compiled from the internationally renowned Shepherd's Conference the best ever messages for Christian leaders now available in a single volume Alongside MacArthur's candid instructive writings you'll find the works of other proven ministry leaders including John Piper Steven Lawson RC Sproul Ligon Duncan and Al Mohler Whether you're a pastor elder or leader in your church or you desire to be more effective in your spiritual leadership this book will help you learn how to guide others with integrity and conviction deliver God's Word with passion and power accurately interpret and apply God's Word When you accept the challenge to be a leader who follows God's standard both in ministry and personally you will become better equipped to fulfill your calling to lead with excellence

Preaching Like the Prophets Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets

Kendall, Claude Houde, John Bailey, 2025-02-04 In our churches today we have allowed ourselves to hold to a low view of God instead of seeing Him as Who He really is And in today's world of seeking the most likes and followers many Christian

How Effective Sermons End Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light
