*Preaching the Gospel of John* Lamar Williamson, 2004-01-01 In this accessible treatment of the major themes of the Gospel of John renowned New Testament scholar Lamar Williamson blends the best of biblical scholarship and a close reading of the Fourth Gospel to meet the practical needs of weekly preaching A more reflective Gospel in which the risen Jesus speaks in signs and discourses John does not simply tell stories but allows us to experience the Word and to see Jesus offering living water to the aridity of the institutional church and bread to the hungry hearts of individual disciples More than mere exposition *Preaching the Gospel of John* includes at the end of each passage three to five possibilities for preaching the text creative and pertinent suggestions that can help preachers apply the words of the Fourth Gospel to the lives of today's churchgoers Proclaiming the living Word is a major theme of the Gospel of John and this clear and insightful commentary captures that message in the preaching moment

**A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day** Zondervan, 2018-12-11 A Legacy of Preaching Two

Volume Set Apostles to the Present Day explores the history and development of preaching through a biographical and theological examination of its most important preachers. Instead of teaching the history of preaching from the perspective of movements and eras, each contributor tells the story of a particular preacher in history, allowing these preachers from the past to come alive and instruct us through their lives, theologies, and methods of preaching. Each chapter introduces readers to a key figure in the history of preaching, followed by an analysis of the theological views that shaped their preaching, their methodology of sermon preparation and delivery, and an appraisal of the significant contributions they have made to the history of preaching. This diverse collection of familiar and lesser-known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years. By looking at how the gospel has been communicated over time and across different cultures, pastors, scholars, and homiletics students can enrich their own understanding and practice of preaching for application today.

Volume One covers the period from the apostles to the Puritans and profiles thirty preachers, including Origen of Alexandria by Stephen O. Presley, John Chrysostom by Paul A. Hartog, Augustine of Hippo by Edward L. Smither, Gregory the Great by W. Brian Shelton, Bernard of Clairvaux by Elizabeth Hoare, Francis of Assisi by Timothy D. Holder, Saint Bonaventure by G. R. **Preaching** John F. MacArthur, Master's Seminary Faculty, 2005-08-21. Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In *Preaching: How to Preach Biblically*, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. *Preaching: How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository biblical preaching? What are the theological and historical foundations for insisting on expository

preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master s Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence The Word Disclosed Gail O'Day,2002-09-01 The intimate presence of God in Jesus can be found in the gospels of John and can transform sermons But this Fourth Gospel is often difficult to preach because of its long dialogues and intertwined narrative and theology Unlike the synoptic accounts of Jesus life John s gospel does not fit neatly into the rhythms of the lectionary cycle Gail O Day encourages preachers to take on the task of preaching Johannine texts assimilating these frequently elusive texts into the vital life of the church Through exegetical guidance homiletical instruction and sample sermons she helps preachers to enter the texts to be shaped by them and then to proclaim their message in their fullness O Day invites preachers to preserve the unique voice of Johannine texts by defying the traditional tendency to reduce a scripture passage to a central point and even to abandon such a reductionist approach to biblical texts in general Completely revised and undated The Word Disclosed focuses on four of the most popular texts in John passages involving Nicodemaus the Samaritan woman the man born blind and Lazarus and includes new or extensively revised sermons on other lectionary texts from John and other parts of scripture *A Legacy of Preaching, Volume One---Apostles to the Revivalists* Zondervan,2018-11-13 *A Legacy of Preaching Volume One Apostles to the Revivalists* explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing the preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today Volume One covers the period from the apostles to the revivalists and profiles thirty preachers including Paul by Eric Rowe Peter by David R Beck Melito of Sardis by Paul A Hartog Origen of Alexandria by Stephen O Presley Ephrem the Syrian by Jonathan J Armstrong Basil of Caesarea by Jonathan Morgan John Chrysostom by Paul A Hartog Augustine of Hippo by Edward L Smither Gregory the Great by W Brian Shelton Bernard of Clairvaux by Elizabeth Hoare Francis of Assisi by Timothy D Holder Saint Bonaventure by G R Evans Meister Eckhart by Daniel Farca

**Preaching, Dogmatics, and Biblical Criticism** Catherine L. Kelsey, 2007-05-25 Friedrich Schleiermacher the father of modern theology found his voice first in preaching This book demonstrates how Schleiermacher moved between the critical reading of Scripture the proclamation of Christian faith to congregations over a forty five year period and eventually the work of theology in all its disciplines Schleiermacher's Preaching Dogmatics and Biblical Criticism is the first work to fully unveil this interaction by focusing on Schleiermacher's 228 known sermons on the Gospel of John Kelsey shows in detail 1 how the central insights of his theology emerged first in his preaching and 2 that his dogmatic writings provided a context within which these insights could be related to all the major doctrinal themes of Christian faith The study concludes by drawing implications for theological reflection and its relation to worship life in our own time Preaching and the Personal

J. Dwayne Howell, 2013-08-13 Preaching is a personal event a minister or speaker prepares his or her sermon and presents it to the congregation Preaching however also includes the Bible as a central source this source comes from and provides a basis for the believing community The preaching event is also personal for the members of the congregation who are not simply recipients of the preacher's words based on a biblical text The congregation is involved personally in that each individual interprets the words and the text What is said in the text in the sermon and the listener's response represent parts of each one's testimony Testimony runs throughout preaching the Bible and the congregation It is in this interchange of preacher text and listener that not just one testimony develops but many testimonies are present **A Modern Jewish**

**Perspective on the Gospel of John** Charles David Isbell, 2022-06-08 Did Jesus really call the Jews of his day children of the devil Would he label Jews of today the same way Did the Jews kill Jesus and then violently expel from the synagogue anyone who accepted him as a promised Messiah The Christian church has found answers to these and other similar questions in the Gospel of John But Jewish readers are justifiably offended by many of John's answers The eleven essays offered here present facts everyone should know They are written by a modern Jewish scholar responding to troubling questions about John raised

over a period of more than forty years by his university students by congregants in synagogues he has served as spiritual guide rabbi and by Christian colleagues with whom he has worked throughout his long career Designed to engage thoughtful readers from every religious background these essays encourage questions and suggest plausible answers to the problems in John by illustrating the difference between the answers of John and the facts of history They also compare John s Jesus with the teachings of the modern church about the treatment of others love for all humanity and the wholeness of body and spirit

The Power of Patristic Preaching Andrew Hofer, Andrew Hofer, OP, 2023-04-28 The Word made flesh is manifested in the lives of those dedicated to his proclamation The Power of Patristic Preaching The Word in Our Flesh presents seven early preachers who show by life and speech the divine Word s power at work in weak human life The book is inspired by this question preached by Origen For what does it profit if I should say that Jesus has come in that flesh alone which he received from Mary and I should not show also that he has come in this flesh of mine In seven chapters The Power of Patristic Preaching studies the exemplars of Origen for holiness Ephrem for the humility of repentance Gregory of Nazianzus for purification and faith John Chrysostom for the hope of salvation Augustine for love Leo the Great for love of the poor and the weak and Gregory the Great for accepting our own weakness With an emphasis on the incarnation deification through the virtues and proclamation The Power of Patristic Preaching serves as a resource for those dedicated to the ministry of the Word clerical religious and lay and as a text for students of early Christian theology and practices A Catholic work for a broad ecumenical audience the book gives a cry from the heart in a suffering Church traveling through a world that is passing away

**John** Karoline M. Lewis, 2014-12-01 Karoline Lewis draws together the strengths of two exegetical approaches to the Gospel of John in this volume of the Fortress Biblical Preaching Commentaries series Lewis takes a broad thematic approach to the Gospel while at the same time giving exegetical and homiletical insights about individual pericopes With attention to both liturgical interpretation and exegetical analysis Lewis provides a unique preaching resource that will build biblical literacy by assisting both preachers and listeners in understanding John s Gospel as a whole not just a collection of vaguely related stories Those who peruse these pages will discover anew how John s story of Jesus shapes and gives worth to being a disciple for the sake of the world God loves In other words the intent of this commentary is to invite the reader into an encounter with the Jesus of John s Gospel Such an encounter witnesses to how an experience of the Jesus of John actually matters Readers preachers and their parishioners will have a deeper appreciation of the book s unique interpretation of the Christ event and how that influences their approach to living the Christian faith in today s world

A Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach

missional rather than pastoral sermons designed to appeal to the unchurched not the church. The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see. Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching? David Christensen draws on years of experience to develop a philosophy of pastoral preaching. He writes, "Social media changes the way we preach. More and more pastors are preaching clickbait sermons. These are sermons designed to get clicks or attract interest rather than teach truth. We want catchy titles and clever analogies that will grab people's attention because the digital world is built on attention; whatever will get likes or drive outrage. However, pastoral preaching builds community. It is rooted in local soil to the people we know in the place we live. We need a philosophy of preaching that shepherds a community of disciples who worship together in one place." *Mission Work in South Africa. A Sermon [John Xii. 23], Etc.* Allan Becher Webb (successively Bishop of Bloemfontein and of Grahamstown, and Dean of Salisbury.), 1875
