Preaching Marks Gospel:

Preaching Mark in Two Voices Brian K. Blount, Gary W. Charles, 2002-01-01 Brian Blount and Gary Charles team up to introduce us anew to Mark's Gospel. Reinterpreting Mark through sermons preached out of very different socio cultural contexts, Blount draws parallels between Mark's message and the African American church's heritage of slavery and oppression while Charles wrestles with making the Gospel relevant to well educated white suburbanites. Each chapter begins with an exegetical study and sermon by one author. Then the other preacher responds from his own context offering a different view of the text.

Preaching Mark's Gospel Richard A. Jensen, 1996 In a classic case of failing to see the forest for the trees, Jensen, a homiletics professor and author of two works on narrative preaching, says that preachers tend to analyze biblical books to glean the slightest bits of exegetical data yet miss the thrust of the overarching story they try to convey. Jensen contends that preachers get too caught up in an analytical, left-brained mentality that obscures the power and meaning of the good news story. In these pages, Jensen helps us approach Mark's gospel with eyes wide open rather than with a microscope in hand. He treats Mark's gospel as a narrative whole and challenges preachers to tell the gospel's story to their congregations. In doing so, Jensen emphasizes the strength of biblical stories. He says that these stories are powerful in and of themselves and that they work without much explanatory help. The problem is that listeners never hear the entire story because it's always told to them in bits and pieces. Jensen's adaptation of what Robert Alter, author of *The Art of Biblical Narrative*, calls narrative analogy assumes that parallel acts or situations are used to comment on each other in biblical narrative. In other words, if Mark told story B to flesh out the reality of story A, then perhaps preachers today can do the same thing in their preaching. Students of Jensen have enthusiastically embraced this approach. This is great; we never get to hear them stories whole. How did it ever occur to us that we could improve on the story of the Prodigal Son, for example, by reducing it to ideas? Richard A. Jensen teaches homiletics at Wartburg Seminary in Dubuque, Iowa, and Lutheran School of Theology at Chicago. He is best known for his ten-year stint as preacher for the national radio program *Lutheran Vespers*. He has also produced a television series titled *Reflections* and one titled *Rhapsody*.

Preaching the Gospel of Mark Dawn Ottoni-Wilhelm, 2008-08-19 In this engaging treatment of the Gospel of Mark, Dawn Ottoni-Wilhelm combines biblical scholarship with a close reading of the Gospel text to meet the needs of preachers today. Swift and purposeful, the Gospel of Mark proclaims God's reign and urges the participation of all God's people in the witness of the good news that God has transformed human reality through Jesus Christ. This insightful commentary helps that message come alive while providing pertinent suggestions about how preachers can proclaim this message to today's churchgoers.

Preaching Mark Bonnie Bowman Thurston, An expert guide from Galilee to Jerusalem. This new resource examines the major literary units of Mark's Gospel with an eye toward helping the pastor in sermon preparation. Rather than major themes, Thurston guides the reader through the lectionary readings and how Mark's work offers a wealth of materials for Christian life and reflection. **Mark**

Lamar Williamson Jr.,2009-06-29 In this volume Lamar Williamson s commentary provides teachers preachers and all serious students of the Bible with an interpretation that takes serious hermeneutical responsibility for the contemporary meaning and significance of Mark s text Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry **Mark** Abraham Kuruvilla,2012-02-24 Mark A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the narrative units of Mark to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text The Gospel of Mark is therefore divided into twenty five narrative units with the theological focus of each clearly delineated The specificity of these theological ideas for their respective texts makes possible a sequential homiletical movement through each pericope of the book progressively developing the theological trajectory of Mark s theme of discipleship and enabling the expositor to discover valid application for sermons While the primary goal of the commentary is to take the preacher from text to theology it also aids in the advance from theology to sermon by providing tips for preaching and two possible sermon outlines for each of the twenty five units of the Gospel The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Mark s Gospel with an emphasis on application Go Preach! Brian K. Blount,1998 Connecting the apocalyptic message of Mark s Gospel to principles and programs of socio cultural transformation in the life of the Black church today Blount begins his study of Mark by examining the social significance of Jesus proclamation of the coming Kingdom of God Through Jesus God s future power broke through to the human present This experience of the Kingdom empowered the disciples to Go preach the Kingdom message in word and deed to finish the story that Mark s narration about Jesus began Blount compares the situation of today s Black church to the situation in which the Gospel arose and explores the implications of apocalyptic theology for the pastoral mission of the Black church He demonstrates the value of a sociolinguistic approach to the scripture both in interpreting the text in its original context and in unpacking its meaning for today *Parables for Preachers: Year B. The Gospel of Mark* Barbara E. Reid,1999 The parables of Jesus are puzzling sayings and stories with world transforming potential Parables for Preachers offers an understanding of how parables work and a fresh variety of possible meanings not only for Jesus s original audience and for the early Christians for whom Matthew Mark and Luke wrote but also for contemporary Christians as well The Gospel parables are analyzed in the order in which they appear in the Lectionary making this book an indispensable resource for preachers teachers catechists liturgy planners and Bible study groups Barbara Reid is Professor of New Testament at Catholic Theological Union Chicago She is the author of Matthew in the New Collegeville Bible Commentary series as well as Choosing the Better Part Women in the Gospel of Luke both published by Liturgical Press **Peter's Preaching** Jeremy Duff,2015-06-01 Brings to life for contemporary

Peter's Last Sermon James M. Dawsey, 2010 What Christian would not want to hear Mark's gospel as the first believers heard it Using the tools of modern scholarship Peter's Last Sermon takes seriously Mark's audience The community would have heard rather than read the gospel It would have encountered the story as a whole instead of piecemeal in short texts for sermons Missing would have been the static of Matthew Luke and John As for the speaker While most modern scholars table the question of authorship the post apostolic writers of the second and third centuries claim with one voice that though penned by Mark the gospel actually went back to Peter So to hear the gospel as did those early Christians was to hear it as if coming from him Does it make a difference to our understanding of Mark's message if from Peter Yes And the result is surprising Peter's Last Sermon takes us on a journey through Roman and Jewish texts to meet the Jesus not of the modern Church but of Peter's proclamation in Rome Nero's persecution had left the community in crisis What was Peter's message for his time Christ was different from expected he said but how James Dawsey shows that Christ broke the messianic expectations of his Galilean followers and the Jerusalem religious elite of his day And as the reader of Peter's Last Sermon will see he surprised Mark's hearers a generation later The Gospel of Mark still confronts us in new ways

Loosing the Lion: Proclaiming the Gospel of Mark Leroy A. Huizenga, 2017 Drama Irony Betrayal Miracles A holy war with the whole world at stake And it's all packed into the shortest of the four Gospels Written in an engaging lively oral style Loosing the Lion tells us how despite being misunderstood and neglected throughout most of history the Gospel of Mark has recently been experiencing a scholarly revival Theologians are beginning to see how it is actually an intense wild impossible story told at a breakneck pace with twists and turns that shock and surprise those with eyes to see and ears to hear Readers will be captivated by the Gospel's literary brilliance which brings us to the threshold of an encounter with the living Jesus who reveals his mysteries and ultimately himself to those who approach him and dwell in his presence And when we do encounter him The proper response is repentance joining God's army to be liberated and once liberated advancing the liberation of the whole cosmos which ultimately is the content of the Gospel Jesus calls us to believe in Liberation is coming Join the resistance

Mark (2 volumes in 1 / ESV Edition) R. Kent Hughes, 2015-03-31 In our age of aggressive evil and apathetic faith the Gospel of Mark resounds with the dynamic power of the Lord Jesus Christ In what is perhaps the most dramatic and action packed of the Synoptic Gospels Mark's writing continues to inspire increased commitment in the church at large His portrayal of Christ as the servant savior takes on fresh relevance in these expositions by respected pastor and author R Kent Hughes With careful

exegesis and numerous illustrations the author draws many practical lessons for everyday living and ministry from the text Written to help preachers and Bible teachers communicate God's Word more effectively this engaging commentary covers the entire book of Mark and now includes Scripture quotations drawn from the ESV Bible The book of Hebrews conveys a double dose of spiritual power it not only presents the supremacy of Jesus Christ unlike any other New Testament book but it also repeatedly demands a heart response from the reader No one can study Hebrews and not grow spiritually as he or she comes face to face with God's one and only Son In this insightful commentary readers will find a gold mine of helpful discussion related to a book of the Bible that is easily misunderstood and often overlooked With divisions and outlines that are never forced but flow naturally from the text this updated volume in Crossway's Preaching the Word series will be a great resource for anyone studying or teaching the book of Hebrews Part of the Preaching the Word series Mark Paul J. Achtemeier, 2004-07-08 Here is the revised and expanded second edition of what has become a standard introductory work on Mark and the Synoptic Problem The revisions and expansions in this book have been necessary due to the vitality of Markan scholarship the author's continuing reflection on the meaning of Mark and the depth of insights in Mark's Gospel Achtemeier has fully rewritten his chapter on The Christology of Mark and has added an entirely new chapter on Mark as Literature An annotated bibliography and index of biblical passages make this a key introduction to Mark *Mark* David Schnasa Jacobsen, 2014-07-01 David Schnasa Jacobsen takes a broad thematic approach to Mark's Gospel while at the same time giving exegetical and homiletical insights about individual pericopes in their narrative context By helping preachers and students make connections between the various lections from Mark throughout Year B in their sermons and studies they and their parishioners will have a deeper appreciation of Mark's unique interpretation of the Christ Event and how that influences their approach to living the Christian faith in today's world **In the Footsteps of the Master** John Howard Bertram Masterman, 1922 *Studies in Mark's Gospel* Charles Seymour Robinson, 1888
