Conversations with Barth on Preaching Bishop William H. Willimon, 2010-09-01 One of today's greatest preacher theologians engages one of the twentieth century's greatest teacher theologians on the meaning of preaching Readers of William H Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well

The Abingdon Preaching Annual 2022 Charley Reeb, 2021-04-20. The local pastor's go-to resource for weekly sermon and worship planning. Each week's entry consists of two pages, face to face. The pages include:

1. Preaching Themes: Fleshed out with brief, pithy nuggets of thought, idea, jump starters, or questions. These are designed to spur the preacher's imagination and sermon development process. They will offer fresh, intriguing ideas. They will point the reader/preacher in a good direction; the reader takes it from there.
2. Secondary or Parallel Themes: 2 or 3 themes or streams of thought that are related to but separate from the primary theme offered. These might arise from different parts of the lectionary text. This may also include questions or alternative ways of thinking about the primary theme.
3. Worship Helps: Gathering Prayer, Collect, Pastoral Prayer, Congregational Prayer, Responsive Reading, or some other liturgical element, Closing Prayer, or Benediction.

Homiletical Topic Essays: 3. These 700-word essays cover a variety of current and critical topics for the preacher. Each essay focuses on one particular topic. Topics could include the practice of preaching, sermon writing, current issues for the preacher, emerging trends in preaching, and emerging ideas or cultural trends that are important for the church and preacher. Essays are contributed by leading homileticians.

Sermon Series Ideas: This section will briefly outline and describe ideas for unique sermon series based on lectionary readings. Most, if not all, of these will come from non-NT texts, helping preachers to include a wider range of scripture in their preaching. Many pastors preach primarily from NT passages almost exclusively.

Hebrews Douglas D. Webster, 2017-10-09 Hebrews is a powerful meditation on the gospel It is a sixty minute sermon delivered to a worshipping congregation The spiraling impact of theological exposition and pastoral exhortation is impressive Hebrews weans us away from our preoccupation with the start of the Christian life and focuses our attention on the perseverance of faith Life is not a sprint it s a marathon Faithfulness to the end affirms faith from the beginning If we let the word of God have its way with us Hebrews will deepen our faith in Christ and strengthen our faithfulness Like Jesus in the Gospels Hebrews sees the fundamental difference between apostasy and faithfulness as the difference between a religion about God and a Christ centered relationship with God Any form of Christianity that competes like other religions for the attention of its adherents through its rituals practices pastors traditions and sacred spaces has fallen back into an obsolete and worldly strategy The pastor calls for a decisive end to religion even the best religion ever conceived The flow of reasoned argument for Christ and against religion along with the pulsating emotional intensity of ultimate issues laid bare and heart felt warnings against complacency and unbelief deliver a powerful and timely message **More than a Sermon** Douglas D. Webster, 2024-05-08 Preach with compassion and conviction In More than a Sermon Douglas D Webster highlights the prophetic and pastoral challenge of preaching today The task is both harder and easier than we imagine as we are called to proclaim the biblical text in a way that convicts a hostile world while encouraging our congregations to rest in Christ s love We need preaching that both swings the hammer that breaks hard hearts yet does not break the bruised reeds in our care Offering practical insights and examples Webster explores what it means to preach the gospel in different seasons such as Advent and Lent Memorial services and weddings Times of crisis or social impact More than a Sermon is a valuable resource for both new pastors and veteran preachers who want to proclaim the whole counsel of God with power and wisdom
