Brown,2011-07-01 Sharing the Easter Faith with Children is theologically sound biblically focused educationally on target and developmentally appropriate Carolyn Brown writes clearly and helpfully with conviction and passion for what to share and how to share one s faith with children It should be required reading for every parent educator and pastor who wants to communicate and celebrate the Easter faith with children Brown packs a lot of practical suggestions insights and activities into this very readable resource I am confident children will mature in their understanding and affirmation of the Easter faith when they have been nurtured in families and congregations that take seriously what Brown offers Donald Griggs author of Teaching Today s Teachers to Teach It is easy to share the Christmas story and faith with children The story is beautiful and lends itself well to pageants and other celebratory events for children It is not so easy to share the Easter story and faith with children because the message and images are complex Many parents have trouble articulating what Easter means to them personally much less answering their children s questions In many congregations children are featured in palm parades on Palm Sunday but they are not specifically planned for at other Holy Week services When schools schedule an Easter break many families go away and thus unintentionally bypass the whole Easter message for years This book explores what the Easter message can mean to children as they grow up The author helps congregations and families share the Easter message with their children and include the children meaningfully in Lent Holy Week and Easter observances Included are materials for children from birth in the church nursery to age 12 and reproducible pages to create a booklet for parents The first section of the book describes the particular parts of the Easter faith that are important to children at different ages and comments on the biblical Easter texts from a child s point of view The second part of the book works through the Lenten season describing ways congregations can include children and providing program and worship plans including Lenten disciplines for children and their families Ash Wednesday Celebrating Palm Sunday or looking ahead on Passion Sunday Maundy Thursday Recalling the Last Supper Keeping Good Friday The church sponsored Easter Egg Hunt Easter Sunday Morning Another part of the book offers help to leaders who want to share the content with teachers parents or committees Also included is a comprehensive list of related resources This carefully researched and well grounded practical resource from a highly regarded Christian educator will strengthen your educational ministry with children and support parents as they shape the faith of their children

Bartlett,Barbara Brown Taylor,2011-01-01 This 12 volume series covers all of the Sundays in the three year lectionary cycle along with moveable occasions For each lectionary text preachers will find brief essays one each on the exegetical theological pastoral and homiletical challenges of the text Each volume also contains an index of biblical passages so that nonlectionary

preachers may make use of it *Preaching God's Transforming Justice* Ronald J. Allen, Dale P. Andrews, Dawn Ottoni-Wilhelm, 2013-01-01 This is the final volume in a unique new commentary series that helps the preacher identify and reflect on the social implications of the biblical readings in the Revised Common Lectionary The essays concentrate on the themes of social justice in the weekly texts and how those themes can be teachable moments for preaching social justice in the church In addition to the lectionary days there are essays for twenty two Holy Days of Justice including Martin Luther King Day Earth Day World AIDS Day and Children's Sabbath These days are intended to enlarge the church's awareness of God's call for justice and of the many ways that call comes to the church and world today Preaching the New Common Lectionary Fred B. Craddock, 1987 Contains background material for sermons on Bible texts in the order of the three year cycle of weekly readings agreed upon by several denominations Sunday of Pentecost is included in the Lent Holy Week Easter volumes Does not contain text of Bible lessons **Connections: A Lectionary Commentary for Preaching and Worship** Joel B. Green, Thomas G. Long, Luke A. Powery, Luke Powery, Cynthia L. Rigby, Carolyn J. Sharp, 2019-11-20 Designed to empower preachers as they lead their congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary For each worship day within the three year lectionary cycle the commentaries in Connections link the individual lection reading with Scripture as a whole as well as to the larger world In addition Connections places each Psalm reading in conversation with the other lections for the day to highlight the themes of the liturgical season Finally sidebars offer additional connections to Scripture for each Sunday or worship day This nine volume series is a practical constructive and valuable resource for preachers who seek to help congregations connect more closely with Scripture This volume covers Year A for Lent through Pentecost Lent Through Eastertide David L. Bartlett, Barbara Brown Taylor, 2010-10-01 Feasting on the Word offers pastors focused resources for Sermon preparation written by companions on the way With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary this series offers preachers sixteen different ways into the proclamation of God's Word on any given occasion For each reading preachers will find brief essays on the exegetical theological homiletical and pastoral challenges of the text The page layout is unusual By setting the biblical passage at the top of the page and placing the essays beneath it we mean to suggest the interdependence of these four approaches without granting priority to any one of them Some readers may decide to focus on the Gospel passage for instance by reading all four essays provided for that text Others may decide to look for connections between the Hebrew Bible Psalm Gospel and Epistle texts by reading the theological essays on each one Wherever they begin preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions These authors teach in colleges and seminaries They lead congregations They write scholarly books as well as columns for the local newspaper They oversee denominations In all these capacities and more they serve God's Word joining the preacher in the ongoing challenge of bringing that Word to life We

have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L Bartlett Barbara Brown Taylor
