Preaching Christ From The Old Testament A Contemporary Hermeneutical Method:

Preaching Christ from the Old Testament Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament Preaching Christ from the Old Testament Sidney Greidanus, 2004 **Heralds of the King** Edmund P. Clowney, Joseph Skip Ryan, Iain M. Duguid, Charles D. Drew, William Edgar, Timothy Keller, Arturo G. Azurdia, III, Julius J. Kim, Joseph V. Novenson, Harvie M. Conn, 2009 Eleven preachers with different gifts backgrounds and personal emphases show how they proclaim Christ from all the Scripture in a variety of contexts Edmund P. Clowney 1917-2005 the late president and professor of practical theology at Westminster Theological Seminary was a trailblazer of Christ-centered redemptive historical preaching Through his classroom instruction his publications and his example as a preacher he ignited in many seminary students and pastors a passion to preach Christ from all the Scriptures as the fulfillment and climax of God's plan of redemption This collection of sermons is intended to illustrate how various preachers with different gifts backgrounds and personal emphases are working out in practice the homiletic principles they learned from Dr. Clowney The volume which includes sermons and introductory comments by editor Dennis Johnson Tim Keller Joseph Skip Ryan and eight other contributors enables readers to carry away both models and practical advice for preparing sermons that proclaim Christ across a broad spectrum of congregations and people groups **Preaching Christ from Ecclesiastes** Sidney Greidanus, 2010-05-03 As Sidney Greidanus points out here Ecclesiastes is especially relevant for our culture the Teacher confronts enticements like materialism secularism hedonism human autonomy and self-sufficiency But how can preachers convey these important teachings to their congregations in a helpful way Sidney Greidanus here does preachers a great service by providing the foundations for one or more series of expository sermons on Ecclesiastes He breaks the book down in several ways including the boundaries of each preaching text the text's theme and goal various ways to move to Christ in the New Testament detailed exposition of the fifteen literary units and application for today Preaching Christ from the Old Testament, 2018 **Preaching Christ from Leviticus** Sidney Greidanus, 2021-03-11 For pastors who take seriously the commitment to incorporate the entire Bible into their preaching Sidney Greidanus's books on preaching Christ from the major genres of the Old Testament have been a welcome gift In his last such volume Greidanus engages with the Old Testament genre of law and treats a book that is often seen as the most challenging of all Leviticus Preaching Christ from Leviticus reminds pastors and congregations that key christological themes priesthood sacrifice atonement holiness first originated in Leviticus before they came to full flower in the New Testament with the atoning sacrifice of Jesus Christ and his

call to holiness Greidanus provides the basis for fully understanding these and other themes with an exacting analysis of Leviticus and then provides the foundations for ten sermons on Leviticus through topics such as the burnt offering the ordained priesthood the day of atonement the sabbatical year and the year of jubilee as well as the commandments to be holy to love your neighbor and to love aliens and enemies *Preaching Christ from Genesis* Sidney Greidanus, 2007-06-25 Sidney Greidanus's previous two preaching books *The Modern Preacher* and *the Ancient Text and Preaching Christ from the Old Testament* have received wide acclaim *Preaching Christ from Genesis* offers more of Greidanus's solid practical homiletical fare Packed with unique features *Preaching Christ from Genesis* uses the latest scholarly research to analyze twenty three Genesis narratives presents the rhetorical structures and other literary features of each narrative discloses the message for Israel theme as well as the author's likely purpose goal explores various ways of preaching Christ from each narrative offers sermon exposition and commentary in oral style suggests relevant sermon forms introductions and applications Including helpful appendixes Ten Steps from Text to Sermon An Expository Sermon Model and three of the author's own Genesis sermons this volume will be an invaluable resource for preachers and Bible teachers **How to Preach and Teach the Old Testament for All Its Worth** Christopher J. H. Wright, 2016-04-19 Many preachers ignore preaching from the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly turning it into moralistic rules or symbolic lessons for our spiritual life In *How to Preach and Teach the Old Testament for All Its Worth* Christopher J H Wright proclaims that preachers must not ignore the Old Testament It is the Word of God The Old Testament lays the foundation for our faith and it was the Bible that Jesus read and used Looking first at why we should preach from the Old Testament the author moves on to show the reader how they can preach from it Covering the History Law Prophets Psalms and Wisdom Literature interspersed with practical checklists exercises and sermons Wright provides an essential guide on how to handle the Old Testament responsibly **Delighting in the Old Testament** Jason DeRouchie, 2025-02-13 Understanding the Old Testament's Purpose in the Christian's Life Today The Old Testament makes up the majority of the Christian Bible yet incorrect teaching of its texts abounds in the church Without effectively studying these stories covenants and kingdoms within their close continuing and complete biblical contexts believers miss the beauty of the Old Testament including how it points to Jesus and why it still matters today Jason DeRouchie helps Christians delight in the books of the Old Testament and read them the way God intended as relevant parts of Christian Scripture This accessible guide stresses the need to keep Christ at the center and to account for the progress of salvation history when applying the Old Testament today It helps Christians interpret the Old Testament see how it testifies to Jesus believe that Jesus secured every divine promise and understand how Jesus makes Moses's law still matter By more strongly comprehending Old Testament teachings and how they relate to the New Christians will better enjoy the Old Testament itself and increasingly understand all that Jesus came to

Essential Bible Study Tools for Ministry Professor David R. Bauer, 2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship **Sweeter than Honey** Christopher J. H. Wright, 2015-02-14 Many preachers steer clear of the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly and end up preaching nothing but legalistic rules or symbolic lessons for our spiritual life In this book Christopher J H Wright encourages preachers not to ignore the Old Testament It is the Word of God it lays the foundation for our faith and it was the Bible that was read and used by Jesus It is the first part of the great biblical story from creation to new creation And because it is the journey that leads to Christ it is in fact part of our story too Looking first at why we should preach from the Old Testament

the author then moves on to showing the reader how to handle different kinds of literature in it He guides us through the History Law Prophets Psalms and Wisdom Literature of the Old Testament Interspersed with detailed checklists suggested exercises and specimen sermons this is a very practical handbook for anyone committed to authentic Biblical preaching

Correctly Handling the Word of Truth Mees te Velde, Gerhard H. Visscher, 2014-10-24 How should the Word of God be interpreted and applied today Does our modern culture affect how we read the Bible Can certain passages be interpreted in different contexts and in different ways all the while acknowledging that God speaks with a clear and consistent voice These are the enduring challenges of hermeneutics In this volume no less than sixteen Reformed scholars from four different countries join together to tackle the hard questions that often arise when we busy ourselves with the weighty responsibility of interpreting Holy Scripture As iron sharpens iron so also these Reformed scholars challenge each other and their readers to ask not only how hermeneutics can be done but ultimately how it should be done so that God's Word of Truth may be handled correctly 2 Tim 2 15

Christ-Centered Sermons Bryan Chapell, 2013-10-15 Highly regarded preacher and teacher Bryan Chapell shows readers how he has prepared expository sermons according to the principles he developed in his bestselling *Christ Centered Preaching* This companion volume provides concrete examples of how a redemptive approach to Scripture is fleshed out in various types of sermons and various genres of the Bible The example sermons not only demonstrate different approaches but also are analyzed for pedagogical purposes helping readers move from theory to practice In essence the book allows students and preachers to look over Chapell's shoulder as he prepares these messages to learn how to construct their own expository sermons that communicate grace and truth from both the Old and New Testaments

Preaching Like the Prophets Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets

The Worlds of the Preacher Scott M. Gibson, 2018-04-17 Building on Haddon Robinson's philosophical approach to preaching this book brings together accomplished evangelical preachers and teachers to help students and pastors understand the worlds biblical cultural and personal that influence and impact their preaching The contributors explore the various inner and outer worlds in which a preacher functions with the goal of helping preachers sharpen their craft Foreword by Bryan Chapell

God the Revealed Michael Welker, 2013-12-14 God revealed himself in Jesus Christ Christian faith has confessed and

proclaimed this message for nearly two thousand years But what does it really mean In God the Revealed Michael Welker delves into this declaration and shows how it offers genuine insight into Christian faith He asks Who is Jesus Christ for us today and approaches the answer from five different angles the historical Jesus the resurrection the cross the reign of Christ and eschatology Uniquely Welker argues for the need to place historical Jesus research in a Christology and proposes a Fourth Quest for the historical Jesus

Christ and Theology Scott Stine, 2025-02-17 Tracing the relationship between Christ centered biblical theology and the so called Great Tradition this book seeks to remedy often self diagnosed weaknesses in evangelical gospel centered hermeneutics Meeting charges first that redemptive historical approaches to Scripture tend to de theologize the Bible and second that theological approaches tend to de historicize the Bible Scott Stine appropriates Calvin s famous spectacles metaphor to propose a hermeneutical method that orients the Scripture reader both upward theologically and forward redemptive historically The outcome is a unique approach called typological realism emphasizing that God reveals his good purposes along a typological trajectory inviting believers to participate in the journey This book does not seek to offer anything new to Christian interpretation of Scripture but to join together features from oft used approaches that not only fit together thematically but also remedy reductive tendencies The goal is to help those listening to Scripture as God s shepherding voice to hear the fullness of his revelation the purposeful process that culminates in the Beatific Vision

Text Message Ian Stackhouse, Oliver D. Crisp, 2014-03-10 Preaching has fallen on hard times with many questioning its relevance and even its validity as a New Testament practice This symposium of specially commissioned essays draws together an international team of thirteen scholars and pastors to address the importance of textual preaching in the history and life of the early church the historic church and the contemporary church Contributions include essays on Old Testament preaching preaching in Hebrews gender sensitive preaching preaching in the theology of Jonathan Edwards Charles Spurgeon Dietrich Bonhoeffer and in Eastern Orthodoxy It also includes essays on a range of homiletical challenges that textual preaching raises for the contemporary preacher including genre preaching without notes inhabiting the text and preaching without platitudes A final reflection by Dave Hansen on the state of textual preaching rounds out the collection The preaching of the gospel stands at the heart of Christian praxis These essays make a vital contribution to the recovery of the importance of preaching focused on the text of Scripture Written with an eye to the pastor and practitioner as well as those in the pews and in the classroom this is a book that should appeal to a wide range of readers

The Beginning and End of Wisdom (Foreword by Sidney Greidanus) Douglas Sean O'Donnell, 2011-08-02 The wisdom literature of the Old Testament can be daunting Sidney Greidanus in the book s foreword describes Old Testament wisdom literature as one of the more difficult genres to interpret and preach Yet the numerous proverbs and sayings meet us in everyday life teaching us much about understanding and applying the gospel Pastor Douglas O'Donnell writes Just as every book of the Old Testament adds light to our understanding of Jesus so the revelation of God in the person of Christ enlightens our understanding of the

Old Testament Not only do the wisdom books teach us about Jesus Christ but we understand the books better in light of the revelation of God's Son O'Donnell opens up the genre of wisdom literature through six chapters that look at how the gospel shines through Proverbs Ecclesiastes and Job He specifically centers on the first and last chapters of each book noting how the texts illustrate the wisdom of God in the sufferings of our Savior Pastors church leaders and students of Scripture will find this thoughtful volume demonstrative of seeing the gospel in the Wisdom Literature
