Aptly presenting a theological and historical cross section of the church's homiletics, this volume will be invaluable to preachers, students preparing for ministry, and others seeking models of powerful Christian speech. Features insights on preaching from Augustine, Karl Barth, Dietrich Bonhoeffer, Walter Brueggemann, Rudolf Bultmann, Horace Bushnell, David Buttrick, John Calvin, John Cassian, John Chrysostom, Fred B. Craddock, C. H. Dodd, Jarena Lee, Jonathan Edwards, Charles Grandison Finney, P. T. Forsyth, Harry Emerson Fosdick, Gregory the Great, George Herbert, Martin Luther, Henry H. Mitchell, John Henry Newman, Phoebe Palmer, Paul Ricoeur, Oscar Romero, Friedrich Schleiermacher, Charles Haddon Spurgeon, Barbara Brown Taylor, Gardner C. Taylor, John Wesley, and many more.

Preaching That Comes Alive Maggie Low, 2017-03-30. People go to church every Sunday hoping to hear a life-giving word from the Lord, but often find that they have to make do with either the dry crust of cognitive sermons or the empty calories of emotional exhortations. This book provides preachers with the tools to feed their flock with hearty sustenance. Using real-life sermon examples from across Asia that reflect issues facing Asian Christians, Maggie Low builds a picture of a sermon as a body, taking you step by step through guidelines for what this body needs to come alive. Whether you are a beginner or an experienced preacher, you will learn to preach more confidently and relevantly through this skillful integration of biblical theology, homiletical theory, spirituality, and communication skills. Preaching cannot deliver life unless preachers themselves listen to the Word of Life. Dr. Low guides the reader to exegesis of the Scriptures and to listen to God personally so that they can deliver a life-giving word to the hearers. *Unleashing the Word* Adam Hamilton, 2011-12-01. Imagine announcing a new series of sermons and seeing worship attendance increase by 1,000 people on the first Sunday of the new series. Or consider a pastor developing sermon plans two to three years out. What kind of pastor sits in a bar with a notepad just looking for ideas for sermons? Or has as his aim to preach the best-prepared, best-researched sermons his congregation has ever heard? All of these and more explain part of the reason the United Methodist Church of the Resurrection has grown from four people to over 10,000 in just thirteen years. In *Unleashing the Word*, Adam Hamilton helps pastors and church leaders consider the purpose, planning, and execution of excellent preaching. He offers detailed descriptions of the sermon planning, writing, and preaching process behind one of the fastest-growing churches in the United States. He includes numerous personal anecdotes and enough sermon ideas to keep the average pastor busy for years. Finally, after you have read how sermons are planned and prepared at the Church of the Resurrection, you can watch the included DVD which features four full-length sermons and other resources to help you apply what you've read in the book.

If you only buy one book on preaching this year this is the book you must buy **The Four Pages of the Sermon** Paul Scott Wilson,1999 Doing justice to the complexity of the preaching task and the questions that underlie it Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two **The Glory of Preaching** Darrell W. Johnson,2010-01-04 Darrell Johnson s book is for any pastor or student who wants to cultivate a deeper pulpit approach one that participates in the transforming mystery of God working through our less than perfect proclamation Here is a solid foundation for preaching the good news as if God was living Jesus was resurrected and the Holy Spirit was faithfully at work among us *Sharing the Word* Lucy Atkinson Rose,1997-01-01 Lucy Atkinson Rose proposes a nonhierarchical communal relationship between pastor and congregation that questions traditional assumptions of preaching and offers insight from those on the margin and those outside the field of homiletics She invites preachers to practice a style of conversational preaching rooted in connectedness and a sense of mutuality between preacher and worshipers *Preaching about Conflict in the Local Church* William H. Willimon,1987-01-01 Should the pulpit be used as a place to address issues of congressional conflict After first examining the nature of conflict within human groups William H Willimon discusses how to prepare sermons on controversial subjects suggesting ways to use the biblical text to examine divisive issues He comments on the importance of style and delivery tone when dealing with difficult topics *The Supremacy of God in Preaching* John Piper,2015-01-27 According to Warren Wiersbe *The Supremacy of God in Preaching* calls us back to a biblical standard for preaching a standard exemplified by many of the pulpit giants of the past especially Jonathan Edwards and Charles Spurgeon This newly revised and expanded edition is an essential guide for preachers who want to stir the embers of revival Piper has added valuable new material reflecting on his thirty three years of preaching at Bethlehem Baptist Church offering a glimpse of what a lifetime of putting God first has done for the faith of the hundreds of thousands who have heard him preach over the years *Preaching for God's Glory (Repackaged Edition)* Alistair Begg,2011-04-07 Every Christian from the pastor to the newest believer is to study the Scriptures and learn to handle the Word of God correctly Yet far too many congregations are being fed sweet but empty words that leave them spiritually malnourished and ill prepared to stand firm in their faith Alistair Begg calls for a fresh commitment to biblical preaching in this newly formatted re release Drawing on his thirty five years of pastoral ministry and the lessons of great preachers Begg defines Bible based preaching and outlines its practical implications within a local church **Preaching and Worship in the Small Church** Will Willimon,Robert Wilson,2001-02-22 There is much value in thinking small say William H Willimon and Robert L Wilson The importance of the

small membership church is illuminated in this thoughtful and insightful assessment In *Preaching and Worship in the Small Church* authors Willimon and Wilson identify the problems facing small churches and offer well grounded advice for solving them The need for this is seen in the fact that from one half to two thirds of Protestant churches in the United States are small fewer than two hundred members These tightly knit little communities of faith focus mainly on the very basic and much overlooked fundamentals of Christian theology As the authors note It is in such family like churches that true worship renewal will occur long before their larger counterparts will taste of this fresh new wine This is an affirming book It affirms the role and basic values of the small church It affirms the centrality of Word and Sacrament It affirms the role of the pastor of the small congregation It affirms the laity and their values On this foundation of authentic affirmation can be built creative and inspiring ministries as the laity and the minister serve God together in and through the small church

The Challenge of Preaching John Stott, 2011-04-27 This book strongly challenges the notion that there is no place for preaching in the contemporary world It sets out the theological case for preaching and then goes on to describe what constitutes good preaching It does not focus on techniques to be used but on the nature of the task and the character of the one who preaches The good preacher works to build a bridge between the listeners and the truth being proclaimed To be able to do this the preacher must study both the Scriptures and the today s world The book offers some suggestions on how to go about preparing a sermon and calls for preaching delivered with sincerity earnestness courage and humility John Stott s thoughtful and practical advice given at some length in *I Believe in Preaching* has here been abridged by eliminating quotations and examples that spoke more directly to readers in the UK and the US in the 1980s Greg Scharf has retained the core of the original book but made it more accessible to contemporary readers
