Preaching Jesus Christ:

Preaching Jesus Christ David G. Buttrick, 2002-09-18 This book focuses on the life message death and resurrection of Christ as well as the problems of preaching Christology to the mind of our age the homiletic shape of Christology and the presence of Christ Buttrick urges that preachers declare the present tense reality of God's New Order The Kingdom

Preaching Jesus Christ Today Annette Brownlee, 2018-05-15 This book approaches preaching as a theological practice and a spiritual discipline in a way that is engaging straightforward and highly usable for busy preachers Bringing to bear almost three decades of practical experience in the pulpit and the classroom Annette Brownlee explores six questions to help preachers listen to Scripture move from text to interpretation for weekly sermon preparation and understand the theological significance of the sermon Each chapter explains one of the Six Questions of Sermon Preparation provides numerous examples and illustrations and contains theological reflections The final chapter includes sample sermons which put the Six Question method into practice

Confessing Jesus Christ David J. Lose, 2003-03-04 With its relentless insistence that there is no reality beyond that which we construct postmodern thought questions the presuppositions of many disciplines including homiletics Offering a lively description of the postmodern worldview and its implications for Christian faith *Confessing Jesus Christ* by David Lose teaches preachers how to rise to the challenges posed by our postmodern world Few if any books on preaching offer such a comprehensive investigation of postmodern thought or yield such a wealth of insights for relevant Christian proclamation Significantly Lose sees postmodernism not primarily as an obstacle to the church but as an opportunity for it to stand once again on faith alone rather than on attempts to prove the faith According to Lose preaching that seeks to be both faithful to the Christian tradition and responsive to our pluralistic postmodern context is best understood as the public practice of confessing faith in Jesus Christ He explores the practical implications of a confessional homiletic for preaching and also provides concrete methods for preparing sermons that meaningfully bridge biblical texts and contemporary congregations

Preparing Evangelistic Sermons Ramesh Richard, 2005-10 Ministry leader and evangelist provides readers with a proven do it yourself method for effective evangelistic sermons *The Gospel Arc* Jeff Hatton, 2021-04-13 We need more than ever to be spoken back to life again Our endless forms of self activation in the church and culture today have proven to do little more than exhaust us make us anxious and ultimately disappoint and depress us Despite our impressive effort preaching has not escaped this prison of self entanglement Snoozing in the pew is now the good ol days as more and more people report a pathological aversion to preaching Perhaps there is a common thread leaving Jesus behind Leaving Jesus behind is the broken pattern of every human heart even the preacher's The Gospel Arc preaching model seeks to take Jesus with you in preaching It is preaching that experiences Jesus with the Bible Practically the Gospel Arc helps biblical communicators discover and display the Textual Jesus from Genesis to Revelation thereby unleashing divine energies to wake up the snoozer and finally electrify the self activator Taking Jesus with you in preaching changes

everything Even preachers Can these bones live God probes the preacher Suffering from the inability to maintain a ministry the preacher gives a lame non answer Preach to bones God startles the preacher As he does stranger things happen The bones live Ezek 37 1 14 *Jesus Began to Preach* Raniero Cantalamessa,2010-08-01 In this volume a thoroughly revised and expanded version of *The Mystery of God's Word* Father Raniero Cantalamessa engages the profound idea of the Eternal Word that becomes Life The main and constant focus of the book is to show how the word of God illuminates and engages our existence Cantalamessa uses the words of Scripture particularly those of Jesus to reflect on the meaning of a God who speaks a God who is in relationship with humanity By encountering these words in prayer and liturgy we are invited to allow them into our minds and hearts so that we may be bearers of the word of God in the world Raniero Cantalamessa OFM Cap taught the history of Christian origins at the Catholic University of Milan and served on the International Theological Commission He devotes his ministry to preaching and writing and since 1980 he has been the Preacher to the Papal Household Cantalamessa is author of *Come Creator Spirit Mary Mirror of the Church The Eucharist Our Sanctification Easter Meditations on the Resurrection The Holy Spirit in the Life of Jesus The Mystery of Easter The Mystery of Pentecost and Life in Christ* al published by Liturgical Press *The Preaching of Jesus* William Frank Brosend,2010-01-01 Using the findings of historical Jesus studies William Brosend asks what is the rhetoric that characterized the preaching of Jesus in the Synoptic Gospels and how may today's preaching benefit from it This book for preachers and students of preaching helps the reader see four distinct aspects of the rhetoric of Jesus dialogical preaching in response to challenges and questions proclamatory making bold and authoritative statements occasionally self referential though less so than in the Fourth Gospel and persistently figurative illustrating his message through metaphor Brosend spends one chapter on each of these methods closing each chapter with a sermon that models that approach and his analysis of it Sample sermons are by well known preachers including Fred Craddock Michael Curry Tom Long and Barbara Brown Taylor Brosend concludes with the implications for modern preaching and a sermon of his own **Performance in Preaching (Engaging Worship)** Jana Childers,Clayton J. Schmit,2008-11-01 This volume which launches the Engaging Worship series from Fuller Theological Seminary's Brehm Center for Worship Theology and the Arts offers a unique study of sermon delivery While many books offer advice on how to prepare write and preach a sermon this volume is distinctive in approaching the subject from the perspective of performance The authors who teach at a variety of seminaries and divinity schools across the nation examine how the sermon can bring God's word to life for the congregation In that sense they consider the idea of performance from a wide range of theological artistic and musical viewpoints These thoughtful essays will engage clergy and students with new ways of looking at the art of preaching *Preaching Christ in All of Scripture* Edmund Clowney,2003-06-30 Voicing one theme for the entire Bible and structuring all sermons around that idea may seem to be an impossible challenge For veteran pastor and preaching professor Edmund Clowney it will not do to preach a text from either the Old or New Testaments

without fully preaching its ultimate and primary focus the person and work of Jesus Christ He writes To see the text in relation to Christ is to see it in its larger context the context of God s purpose in revelation Clowney s rationale for emphasizing Christ s presence in the Old Testament rests on the purpose of the Hebrew Scripture The Old Testament follows God s one great plan for human history and redemption and the plan is not only from him but centers on him his presence in his incarnate Son The witness of the Scriptures to Christ is the reason they were written so it is appropriate to emphasize this element in the Old Testament as well as in the New Testament By offering numerous full length examples of his own sermons that emphasize Christ as the principle theme of Scripture Clowney illustrates for those who will never have the privilege of being his students how they can craft sermons which present Christ as the primary consideration of the text He also offers specific instructions on preparing such a sermon He discusses the personal habits of prayer and Bible study that prepare pastors to seek out Christ s presence Clowney emphasizes the importance of including a specific application in every sermon so that Christ is presented both in what he says and does to reveal himself in the biblical text and in what he says and does to direct Christians lives today Students preparing for the pastorate pastors desiring to increase their emphasis on Christ in their sermons and those seeking Christ s presence in all of Scripture will find a help in Clowney s writings
