Christopher J. H. Wright

Preaching On The Crucifixion:

Studia Crucis, sermons on the Crucifixion and related themes Alfred John Griffith, 1884 Crucified and Risen: Sermons on the Death, Resurrection, and Ascension of Christ John Calvin, 2020-02-24 To call the arrest trial scourging and crucifixion of Jesus Christ a miscarriage of justice is true as far as it goes but it does not go far enough Christ's death on the cross was not an accident but as his resurrection attests was accomplished according to the sovereign loving will of God by which sinners can be reconciled to the One who made them and can pass by grace from death to life In this memorable set of sermons which date from 1557 to 1558 Calvin chief pastor of the Genevan church offers a sensitive reading of Matthew's account of Christ's passion death and resurrection The preacher's focus however is not so much on the events themselves as on their significance on what he calls the fruit and efficacy of Christ's redemptive work What in practical terms is the import of the Easter message for the life of faith Calvin's answer has vital implications not only for what we believe but for the way we live serve worship and pray Preaching on the Crucifixion Douglas William Cleverley Ford, 1993 The Crucifixion is at the heart of Christianity yet it is often the most difficult part of Christ's life to come to terms with The 21 sermons in this book written in non technical language cover the events surrounding the Crucifixion and the motivations of the people involved as well as examining its implications for Christians **The Crucifixion** Fleming Rutledge, 2017-02-09 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome degrading public manner of his death by crucifixion a mode of execution so loathsome that the ancient Romans never spoke of it in polite society Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ She shows how each of the biblical themes contributes to the whole with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model **Let the Gospels Preach the Gospel** Christopher J. H. Wright, 2017-01-14 Preaching about the cross of Christ is one of the greatest privileges and responsibilities any preacher can have The four Gospel writers who wrote about the cross of Christ and the events leading up to it did so in their own unique way Each interpreting the events through the lens of different Old Testament Scriptures and each emphasising different themes Based on his own sermons preached over a number of years at All Souls Church in London Christopher Wright explores the rich variety and lets the four Gospels preach the Gospel in their own way This is an excellent resource for preachers which is further enriched by the final chapter that provides a personal commentary on how Wright prepared each of the sermons **Preaching Christ Crucified ...** Charles E. O'Neale, 1926
Spurgeon's Sermons on the Cross of Christ Charles Haddon Spurgeon, A gallery of people and topics are covered in this popular series Spurgeon provides the busy pastor with starter material and the Christian reader with devotional meditations Prayer Spirituality Devotions *A Sermon of Christ Crucified* John Foxe, 1759 The Attraction of Jesus Christ Crucified Henry Parry Liddon, 1868 **The Messenger of the Cross** Watchman Nee, 1980-12-01 Watchman Nee's thesis in this book

is that Christ came to mankind by way of the cross and only by this same way can we know Him At the source of all spiritual things he says stands the cross **Stumbling over the Cross** Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world The Preaching of the Cross. Sermons John RICHARDSON (Archdeacon of Southwark.), 1868 **The Cross of Christ** Henry Bidleman Bascom, 1851 **An Essay on preaching Christ and Him crucified** Joseph Stokes (curate of All Hallows, Steyning.), 1759 *The Undoing of Death* Fleming Rutledge, 2005-10-03 The Crucifixion and Resurrection of Jesus comprise the two part event at the heart of the Christian story Because of its unique meaning and the intense emotions it invokes Holy Week brings high expectations on the part of congregations and places unusual demands on those who deliver the messages It takes a specially gifted preacher to communicate the profundity of Christ s Passion and its supreme relevance for our contemporary world Fleming Rutledge is just such a preacher Heralded by congregations and peers alike as one of today s most compelling and powerful Christian voices Mrs Rutledge is also a best selling author whose previous collections of sermons have touched readers deeply This new volume representing twenty five years of Holy Week and Easter preaching offers a wide ranging vision of the Cross and Resurrection that will inform and inspire committed believers and serious seekers alike Divided into seven sections that progress through Holy Week from Palm Sunday to Good Friday to Easter and on through Eastertide these sermons incorporate the biblical themes of sacrifice for sin vicarious suffering victory over evil and death and the new creation arising out of eternal love Many of these sermons are brand new others especially those for Good Friday have been rethought and reworked over a period of years None have ever been published before All of them consistently display Mrs Rutledge s startling ability to bridge the message of the ancient biblical texts with the distinct needs of modern people Intellectually engaging pastorally wise and beautifully written *The Undoing of Death* is accented with thirty three artistic masterpieces depicting the events of Holy Week making it a feast for the eye as well as the soul **The Day of the Cross** William Maccallam Clow, 1909 *STUDIA CRUCIS, SERMONS ON THE CRUCIFIXION AND RELATED THEMES.* ALFRED JOHN.

GRIFFITH,2025 The Cross of Christ; Or, Incidents, Scenes, and Lessons of the Crucifixion William Landels,1864 Why Did Jesus Die? Dick Tripp,2014-01-28 It is surprising how few books on the cross have stood the test of time During the twentieth century James Denny s Death of Christ 1903 Leon Morris s Apostolic Preaching of the Cross 1955 and John Stott s The Cross of Christ 1986 are among the few outstanding works Now in Dick Tripp s Why Did Jesus Die we have a work of outstanding and lasting worth an amazingly comprehensive reference to all the biblical texts that point to Christ s death its meaning and significance for today s church Throughout there is constant cross reference to both Testaments to the church s commentators throughout history and to contemporary Christian writers A mine of fact and interpretation to inspire the heart of any preacher and teacher of Scripture I unreservedly commend this book to pastors as a study guide for preaching on the cross and to all who seek to live out in daily life Jesus Christ as Saviour and Lord Bruce Nicholls editor of the Asia Bible Commentary Series from the foreword Dick Tripp combs the Scriptures to find and focus every reference to history s most momentous event Does a more thorough analysis of the biblical data exist anywhere I doubt it James I Packer Board of Governors s Professor of Theology Regent College Vancouver Dick Tripp s treatment of the cross of Christ is comprehensive and readable Students and seasoned preachers alike will find this book and the way the material is arranged most helpful Derek Eaton former Bishop of Nelson and Assistant Bishop of Cairo **The Preaching of the Passion** Peter J. Gomes,2003 The Rev Peter J Gomes of Harvard University offers timely introspection regarding the final moments in Christ s life through a passionate series of sermons An intelligent and moving look at Jesus final words from the cross at Calvary examining not the physical horror of Jesus last hours but instead delving into Christ s dialogue with His Father and those present at the crucifixion Ideal for Lenten study
