Preaching On The Historical Jesus:

Preaching on the Historical Jesus D. W. Ford, 1993 A book of sermons geared to ordinary Church congregations The author believes that the historical Jesus cannot be left out of the pastoral and evangelistic ministry as he is the focal point for non Church goers attention leading to the possibility of the Christ of Faith

A Future for the Historical Jesus Leander E. Keck, 1971 The author affirms that the historical Jesus is central to the Christian faith He clarifies what is meant by the historical Jesus and discusses the place of the historical Jesus in Christian faith Three basic questions are explored How shall we present the historical Jesus in the sermon so men can trust him What are the results of trusting Jesus the relation of trust to salvation What is the significance of the historical Jesus for understanding God

Christocentric Preaching Meets the Historical Jesus Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric

Garber, 2014-11-13 *Teaching the Historical Jesus* in his Jewish context to students of varied religious backgrounds presents instructors with not only challenges but also opportunities to sustain interfaith dialogue and foster mutual understanding and respect This new collection explores these challenges and opportunities gathering together experiential lessons drawn from teaching Jesus in a wide variety of settings from the public secular two or four year college to the Jesuit university to the Rabbinic school or seminary to the orthodox religious Israeli university A diverse group of Jewish and Christian scholars reflect on their own classroom experiences and explicates crucial issues for teaching Jesus in a way that encourages students at every level to enter into an encounter with the Hebrew Scriptures and the New Testament without paternalism

The Historical Jesus Goes to Church Roy W. Hoover, 2004 What difference does scholarship on the historical Jesus make for the way we think about the meaning of Christian faith in the twenty first century In *The Historical Jesus Goes To Church* biblical scholars Fellows of the Jesus Seminar speak directly to the ways in which new knowledge of the Jesus of history requires and enables us to think differently about the significance of Jesus and about the reliability and authority of the Bible They also imagine what these new understandings imply for public worship preaching prayer and practice and life in community These articles evoke the spirit of Paul Christianity's first theologian who like us found himself standing at the intersection of two eras and knew that he had to let go of his past if he hoped to have a future *Jesus of Nazareth in New Testament Preaching* G. N. Stanton, Graham Stanton, 2004-12-23 This book argues that an account of the life and character of Jesus formed an integral part of the early church's preaching Against many modern scholars Dr Stanton seeks to show that interest in the life of Jesus was not a late development within primitive Christianity A study of Luke's Gospel indicates that in his own day reference to the life and character of Jesus was an important part of missionary preaching In this respect at least Luke was no innovator The references in the speeches in Acts to the life of Jesus can be traced to Luke's use of earlier traditions Dr Stanton then takes up the much debated question of Paul's interest in Jesus of Nazareth The author challenges several widely accepted views from critical conclusions about the nature and purpose of the traditions on which the evangelists drew *The So-called Historical Jesus and the Historic, Biblical Christ* Martin Kähler, 1964 Originally published in 1892 this essay is a seminal work in which many of the characteristic emphases of the modern theological discussion were stated for the first time back cover **The Preaching of Jesus** William Frank Brosend, 2010-01-01 Using the findings of historical Jesus studies William Brosend asks what is the rhetoric that characterized the preaching of Jesus in the Synoptic Gospels and how may today's preaching benefit from it This book for preachers and students of preaching helps the reader see four distinct aspects of the rhetoric of Jesus dialogical preaching in response to challenges and questions proclamatory making bold and authoritative statements occasionally self referential though less so than in the Fourth Gospel and persistently figurative illustrating his message through metaphor Brosend spends one chapter on each of these methods closing each chapter with a sermon that models that approach and his analysis of it Sample sermons are by well known preachers including Fred Craddock Michael Curry Tom Long and Barbara Brown Taylor Brosend concludes with the implications for modern preaching and a sermon of his own *The Historical Jesus* Gary R. Habermas, 1996 Rev ed of *Ancient evidence for the life of Jesus* Includes bibliographical references and index *Preaching Christ from the Old Testament* Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples
