## **Preaching The Word:**

*Preach the Word* Leland Ryken, Todd A. Wilson, 2007 For more than forty years pastor R Kent Hughes has shared the gospel with thousands of people and raised the standard of expository preaching in North America and beyond To celebrate his legacy and pay tribute to his years of ministry fifteen of Hughes s friends and colleagues from across the globe including J I Packer Wayne Grudem John MacArthur Peter Jensen and D A Carson examine what it means to be an expository preacher Among the contributors are professors a university chaplain a college president and urban church planters living testimonies to Hughes s wide influence     Proverbs Ray Ortlund, 2012-03-31 How exactly does one become wise Pastor and teacher Ray Ortlund points out that the wisdom of God does not stand aloof as if it were unattainable Instead he shows that wisdom graciously moves toward us into our real world where we live and struggle day by day Wisdom offers us her very best if only we will listen After all Wisdom cries aloud in the street in the markets she raises her voice and if wisdom troubles herself to yell there must be a reason to listen and a means to hear Ortlund unpacks the book of Proverbs in twenty one straightforward sermons providing a biblical worldview that opens up the higher meaning of money sex and power as well as that of the daily routines of an average life Drawing relevant parallels from ancient culture to present day he helps the reader understand how the book of Proverbs is practical help for normal people going through everyday life Most importantly Ortlund shows how the Proverbs point to Jesus and his counsel for the perplexed his strength for the defeated his warning to the proud his mercy for the broken With careful treatment of the Scriptures and uncomplicated language Proverbs Wisdom that Works fills the vacuum between the layman s experience and the exegetical depth of many commentaries Part of the Preaching the Word series     Preaching as the Word of God Sam Chan, 2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory     **Ways of the Word** Sally A. Brown, Luke A. Powery, 2016-05-19 Preaching and the discipline of preaching is at a crossroads The changing realities of church and theological education the diversity of our classrooms and our increasingly complex community contexts leave us in search of tools to help train a rising generation of preachers for a future whose contours are far from clear The questions are immense How to support preachers in contexts that are diverse religiously culturally and ethnically both inside and outside the church How to help students take varied contexts seriously as they are formed as leaders In *Ways of the Word* a

dynamic team of master preachers brings much needed help Different in race gender age and tradition both Sally A Brown and Luke A Powery speak with one voice their belief that preaching is Spirit empowered event an embodied vocalized actively received here and now witness to the ongoing work of God in the world They aspire to help students and preachers alike to reflect on a journey of learning by doing They aim to help preachers to become more attuned to the Spirit more adept in preaching s component skills and more self aware about all that is at stake in proclaiming the redemptive work of God in specific contexts
