## **Preaching Through A Storm:**

**Preaching Through a Storm** H. Beecher Hicks, 1987 Drawing on his own experience in shepherding a church through a difficult building program the author explains how to survive the storms of pastoral ministry spiritually and emotionally

**Making it Through a Storm** Rev. Dr. Terry Thomas, 2010-05-18 All people at some point in their lives will come upon difficult and trying circumstances that are traditionally characterized as a storm As much as we try with great valiant effort to avoid certain things no one can avoid the inevitable storm or storms that will occur in their life Storms are just part of the human condition and we are either coming out of a storm in a storm or heading for a storm Since we know that storms are one of life's certainties we should prepare to deal with them by equipping ourselves with the necessary knowledge and skills This is an imperative statement because if you are not prepared to deal with a storm then your life can easily be ripped apart by it In a very short period of time a storm can quietly and quickly remove things in your life that have taken you a lifetime to acquire You can be a very secure person but if you are not prepared a storm can uproot values that once nurtured and upheld your life like a stalwart tree uprooted from the ground Therefore if you want to know the things to do to make it through a storm Making It through a Storm is a book that you will want to read This book takes a look at what a group of people in 27th chapter of Acts did who made it successfully through a severe storm to learn the fundamental principles that one needs to embrace to make it through a storm Making It through a Storm will share with you some very insightful surprising inspirational and delightful things that will help you make it through a storm in manner that will strengthen and enhance your life Personal storms are common but pertinent aids to help us in understanding and surmounting them are rare indeed This book is one such rare aid and its pages are filled with wisdom shared from a warm heart Dr James Earl Massey Dean Emeritus and Distinguish Professor at Large Anderson University School of Theology

**Through the Storm** Joni Lamb, 2024-04-02 What if the most beautiful kind of faith is the type that has been tested and tried After reading this book you will be able to trust God with every struggle disappointment and worry you face No longer will you feel the need to rely on your own strength instead you will be able to lean totally on Christ Step into the inspiring journey of resilience faith and triumph as Joni Lamb unveils her untold story in Through the Storm As the visionary cofounder of the groundbreaking Daystar Television Network Joni has navigated uncharted territories overcome countless trials and emerged stronger than ever before In this candid account Joni Lamb opens up about the tumultuous storms she faced while propelling Daystar to become the world's largest Christian television network From the relentless challenges of establishing and growing the network to the personal struggles she encountered Joni fearlessly shares the highs and lows of her remarkable journey But the storms didn't stop there Joni's life took an unexpected turn with the devastating loss of her husband Marcus In the face of unbearable grief and uncertainty she discovered the true depth of her faith and the indomitable strength within her Through the darkest days Joni clung to her unwavering belief in Christ finding solace purpose and hope even in the midst of

unimaginable pain Through the Storm is more than a memoir Drawing from her own experiences Joni offers invaluable principles and profound insights for fellow believers revealing how to navigate the tempests of life with unwavering faith With wisdom gained through adversity she provides a guiding light for those seeking solace and strength in their own storms Discover the power of resilience the beauty of redemption and the unshakable faith that propels us through life s most trying moments Joni Lamb s captivating story will captivate your heart leaving you inspired and empowered to face your own storms with unyielding courage and unwavering trust in Christ

Up Periscope Dr. Eddie Hare Jr.,2021-03-16 The purpose of this project is to share my story and encourage other ministry leaders in their work with the church The calling to follow Jesus is easier said than done Conflict isn t pleasant but it is necessary Church ministry in today s environment is like running a corporation Conflict and crisis arise in every ministry As in the corporate world people are the greatest assets Exploring how to deal with difficult combative complacent and evil people is a true reality From the pulpit it is often said that God will not call you to do anything He has not equipped you for Nevertheless it is also prudent to develop your leadership skills to deal with numerous aspects of church ministry God never promised us this life would be easy but He is bigger than any storm we face in this world And He s always working for our good even in the places where we can t see even in the circumstances that we don t fully understand It s hard to put a storm periscope and the idea of building something together unless you are in a submarine on a covert or clandestine mission in which the periscope rises to check out the landscape This is a strange analogy to try and put together nevertheless we need to up our periscope build a solid foundation and know that the only thing that will last is that which is done for the kingdom of God

**Preaching Through Time** Casey C. Barton,2017-07-28 As preachers who come to the pulpit before God and before God s people each and every week how do we make sense of the text as we live a new moment of its ongoing story Most options available to the preacher necessitate a hermeneutical step that requires us to preach outside of time in timeless truths experiences or realities But the gospel is the drama of God appearing to and working with and loving God s people in time Preaching Through Time gives the preacher a timely homiletic for preaching together the times of God s gospel then and now while calling God s people to perform their own roles in today s moment of that gospel drama Anachronism preaching together the moments of God s drama is the language event that will get us from text to timely sermon week by week

McKenzie,2003-04-29 In the tradition of empowering spiritual writers such as Ilanya Vanzant Bishop Vashti McKenzie offers women a Christian path to personal transformation A groundbreaking preacher who in 2000 became the first woman to serve as bishop in the African Methodist Episcopal Church Bishop McKenzie is renowned for her eloquence and passion in the pulpit Now she brings her inspirational message to readers through the biblical story of the meeting at the well between Jesus and the Samaritan woman In twelve lessons McKenzie interweaves the Samaritan woman's experiences with contemporary personal stories Bible quotations life affirming sayings and meditational activities Through them she shows women that if they hold onto hope and listen for their moments of epiphany they can accomplish anything **Trusting God In The Storm** G Chris Brown,2019-07-23 Have you been in the storm Storms come in our lives but when we trust in the Lord those storms will pass by In this book take a trip
