Ellsworth Kalas, 2010-09-01 Careful biblical interpretation insights into contemporary life polished delivery humorous anecdotes these are the building blocks of preaching that genuinely reach people Right Wrong says Ellsworth Kalas We have all encountered preachers who seem to know all the fine points of exegesis and inflection yet whose sermons leave us surprisingly unmoved aware that we were in the presence of good speaking but not great preaching The difference Kalas reminds us lies in that hard to describe yet essential quality known as soul Soul is the collection of those perspectives and convictions that matter most to the preacher Soul preaching means offering one's particular ideas attitudes and convictions fully to the congregation When one preaches with soul one engages the biblical text with the core of one's values and beliefs Soul preaching is in other words simply giving the whole self to the task of proclamation While the concept may sound simple the reality is anything but In the clear insightful style for which he is

known Kalas takes readers on a path of discovery introducing them to the unique gifts that they can bring to preaching and the best way to engage those gifts in preparing and delivering the sermon *2nd Corinthians* D. A. Waite, 2019-07-17 The Beginning This book is the seventeenth in a series of verse by verse preaching from various New Testament books of the Bible It is an attempt to bring to the minds of the readers two things 1 the meaning of the words in the verses and 2 some practical applications of those words to the lives of both genuine Christians and non Christians Paul is the apostle of Jesus Christ by God s will Before this he imprisoned and agreed to the killing of Christians The Lord Jesus Christ met him as he was going to Damascus to imprison Christians On his way there the Lord Jesus Christ saved him and called him to be an apostle I believe Paul not Mathias was chosen by the Lord Jesus Christ to take the place of Judas Iscariot who betrayed the Saviour Timothy was with Paul when he wrote 2 Corinthians and he was right there in the church of Corinth with all the genuine Christians in Achaia or northern Greece This was Paul s second letter to them In his first letter he excoriated them because one of the men had committed incest with his father s wife Paul is trying to encourage them in the things of the Lord Jesus Christ Sure-Fire Preaching Jeff Dickson, 2015-09-02 Every Sunday morning ministers have a choice to make They can give a motivational speech that is ankle deep and laced with all kinds of inconsequential anecdotes or they can preach Sure Fire Preaching is intended for those who choose the latter A practical guide to biblical exposition that any preacher can use in their preaching ministry Sure Fire Preaching presents a tried and true method of presenting Scripture the way God intended for it to be communicated In this resource author Jeff Dickson presents the ideas of Dr Paul Fink whose career in preaching and teaching spanned fifty years at Grace Theological Seminary and Liberty University Dickson covers the three most significant areas of sermonizing the science of preaching the art of sermonizing and the miracle of voicing Sure Fire Preaching summarizes everything that is necessary for accurately creatively and effectively presenting Scripture and answering the call of 2 Timothy 4 2 to preach the Word **Biblical Preaching** Haddon W. Walton, 2019-03-21 There s no question that the Old Testament is foundational for the New Testament church But foundational or not it can be difficult for preachers to pin down useful resources for narrative texts within the Old Testament

much less to skillfully preach those passages to their congregations Benjamin Walton provides the practical insight pastors need In one volume he demonstrates both the interpretive and homiletical skills necessary to preach Old Testament narratives well Walton guides the preacher through selecting a text which is a complete unit of thought describing the scene in a coherent way determining the theological message of the text and carefully crafting a meaningful take home truth He doesn't stop with discovering the core message the majority of the book focuses on delivering the message drawn from these narrative texts Walton's approach is not just theoretical It has been read and tested anonymously by groups of pastors and their feedback has been incorporated into the book This valuable resource will help preachers put all the pieces together have confidence in what they're imparting and maximize their preaching potential for Old Testament narratives *The Power of Preaching* Gary Wilkerson,Joshu West,Voddie T. Baucham, Jr.,Carter Conlon,Tim Dilella,R. T. Kendall,Claude Houde,John Bailey,2025-02-04 In our churches today we have allowed ourselves to hold to a low view of God instead of seeing Him as Who He really is And in today's world of seeking the most likes and followers many Christian pastors and leaders are finding themselves preaching what people want to hear instead of what God wants to say In *The Power of Preaching* eight experienced men of God who have stayed true to the preaching of God's Word offer guidance on how to avoid appealing to the masses and instead encourage the reader to let God's Word speak for itself Be encouraged and revitalized to be ministers of truth in a world caught up in lies *Romans, Preaching Verse by Verse* Th D. Sermon Treks Ronald J. Allen,2013-11-19 The lectionary is a helpful homiletical tool But there are times when lectionary preaching does not meet a congregation's needs *Sermon Treks* offers preachers and students an invigorating selection of new sermon planning trails for use as sermon series or for single sermons The options presented here are practical and theologically responsible Some are rooted in ancient forms of proclamation others are new All provide clear but creative guidance for the preacher and a path that will lead to more effective sermons *Preaching* John F. MacArthur,Master's Seminary Faculty,2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In *Preaching How to Preach Biblically* John MacArthur's well known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching *Preaching How to Preach Biblically* flows from biblical foundations for expository preaching
