**Prefabulous Animiles**, 1957      **Opening Doors to Quality Writing** Bob Cox, 2016-08-08 In *Opening Doors to Famous Poetry and Prose* Bob Cox introduced teachers to engaging strategies which use literary heritage texts as the stimulus for excellent learning This new companion book *Opening Doors to Quality Writing* for ages 6 to 9 puts the focus on pupils producing quality writing developing their literacy skills and a love of reading in the process In the course of his educational consultancy work Bob has seen many teachers successfully use the scope and depth which literature can offer to inspire high standards mastery learning and above all a love of language in its many forms Schools using the opening doors strategies told Bob they led to More teacher empowerment and confidence More knowledge building for pupils and teachers A growing confidence with literature including poetry Planning from the top becoming a norm Planning for mastery learning becoming a norm Improved comprehension skills Improved quality writing and associated excitement They also asked Bob for further examples of inspiring quality texts and more ways in which pupils of all abilities can access them Bob was only too happy to oblige These 15 units of work cover poetry and prose each unit provides exciting stimulus material creative ideas for writing projects and differentiation and support strategies meaning all pupils can achieve the quality writing objectives All the units should help teachers facilitate understanding of the challenging texts and maximise the huge potential for quality writing Discover a multitude of ready to use ideas inspired by classic literature and great writers works along with plenty of new strategies and advice The *Opening Doors to Quality Writing* series won the 2017 Education Resources Awards in the Educational Book Award category Judges Comments Described as two gems which provide innovative approaches to exploring quality texts as stimuli for children's writing Judges described The *Opening Doors to Quality Writing* series as an invaluable resource particularly for non specialist teachers Excellent literary choices contained within very attractively produced books *Opening Doors To Quality Writing Ideas for writing inspired by great writers for ages 10 to 13*      *The Random House Book of Poetry for Children* Jack Prelutsky, 1983-09-12 The most accessible and joyous introduction to the world of poetry The *Random House Book of Poetry for Children* offers both funny and illuminating poems for kids personally selected by the nation's first Children's Poet Laureate Jack Prelutsky Featuring a wealth of beloved classic poems from the past and modern glittering gems every child who opens this treasury will find a world of surprises and delights which will instill a lifelong love of poetry Featuring 572 unforgettable poems and over 400 one of a kind illustrations from the Caldecott winning illustrator of the *Frog and Toad* series Arnold Lobel this collection is quite simply the perfect way to introduce children to the world of poetry      **Humor in Contemporary Junior Literature** Julie Cross, 2010-12-14 In this new book Julie Cross examines the intricacies of textual humor in contemporary junior literature using the tools of literary criticism and humor theory Cross investigates the dialectical paradoxes of humor and debunks the common belief in oppositional binaries

of simple versus complex humor The varied combinations of so called high and low forms of humor within junior texts for young readers who are at such a crucial stage of their reading and social development provide a valuable commentary upon the culture and values of contemporary western society making the book of considerable interest to scholars of both children's literature and childhood studies Cross explores the ways in which the changing content forms and functions of the many varied combinations of humor in junior texts including the Lemony Snickett series reveal societal attitudes towards young children and childhood The new compounds of seemingly paradoxical high and low forms of humor in texts for developing readers from the 1960s onwards reflect and contribute to contemporary society's hesitant and uneven acceptance of the emergent paradigm of children's rights abilities participation and empowerment Cross identifies four types of potentially subversive transgressive humor which have emerged since the 1960s which coupled with the three main theories of humor relief superiority and incongruity theories enables a long overdue charting of developments in humor within junior texts Cross also argues that the gradual increase in the compounding of the simple and the complex provide opportunities for young readers to play with ambiguous complicated ideas helping them embrace the complexities and contradictions of contemporary life
