## **Pregnancy And Parenthood The Views And Experiences Of Young People In Public Care:**

**Pregnancy and Parenthood** Christine McGuire, Judith Corlyon, 1999-01-01 Presents the experiences of pregnant young women in public care and examines how they were prepared and supported once became a parent *The Mental Health Needs of Looked After Children* Joanna Richardson, Carol Joughin, 2000 Young people in the care system have a much higher rate of mental health problems than those in the general population This book aims to help identify and understand the mental health problems and social issues for children in care *Working with Young People* Sheila Curran, Roger Harrison, Donald Mackinnon, 2013-08-12 Working with Young People is designed to help you develop the knowledge and skills you need for supporting young people as they learn about themselves others and society and prepare for the transition to adulthood It introduces the fundamental concepts and issues that lie at the heart of contemporary work with young people and challenges you to think deeply about the social context of young people values and principles that underpin practice the variety of settings in which practice takes place and the importance of informal learning in the lives of young people Whether you are a new student or returning to study Working with Young People provides a stimulating introduction and a foundation for further study Sheila Curran is Senior Lecturer at The Open University Roger Harrison is Senior Lecturer at The Open University Donald Mackinnon is Lecturer at The Open University **Multidisciplinary Handbook of Social Exclusion Research** Dominic Abrams, Julie Christian, David Gordon, 2008-05-23 Social exclusion is a key problem for policy makers researchers and professionals worldwide Despite this the debate lacks a dominant disciplinary focus This innovative handbook covers evidence from key research and policy to offer cross disciplinary perspectives on major areas of social exclusion Focusing on central policy domains including education healthcare and crime it is structured so as to relate evidence to the state of social exclusion and the mechanisms by which it can be tackled It book will be an unrivalled reference for academics and practitioners working across disciplines including housing education psychology political science healthcare sociology and law In Care and After Elaine Chase, Antonia Simon, Sonia Jackson, 2013-05-13 Based on research from the Thomas Coram Research Unit the contributors to this text look at the views and experiences of young people and provide an encouraging outlook of what those in care have the potential to achieve Those factors that help to result in more successful outcomes are identified and policy recommendations are made for enabling young people in and leaving care to triumph when the odds are stacked against them In Care and After adds a new dimension to the current literature on local authority care of young people and children Those working within the fields of social care health and education as well as students on social work courses will find this essential reading and a welcome addition **Adolescents and Sex** Sarah Bekaert, 2018-08-08 Working with young people can present many challenges Sexual health and contraceptive issues with teenagers often raise legal ethical and sometimes child protection concerns This comprehensive and practical guide is packed with useful advice on contraceptive methods sexually transmitted infections adolescent legal

and ethical issues It is presented in an easy to read format that can be dipped into when required and highlights how a young persons clinic can be set up and how existing services can be made more approachable This book will serve as a useful quick reference and all those working with young people will find it valuable reading **The Dynamics of Young Fatherhood**

Bren Neale,Anna Tarrant,2024-02-26 Around one in ten children born in the UK are fathered by men under the age of twenty five and this book tackles the overlooked views and needs of these young fathers Challenging negative popular and media discourses this book showcases future policy and practice directions designed to nurture the potential of these young men and their children **Safeguarding and Promoting the Well-being of Children, Families and Their Communities**

Jane Scott,Harriet Ward,2005 Some chapters based on papers originally given at the Fifth International Looking After Children Conference held in Oxford England in Sept 2002 **Child Social Work Policy & Practice** Derek

Kirton,2008-11-19 A key text in the exploration of social political and historical changes around child social care It offers a broad overview of key themes in all areas and aspects of child care within the UK It is an essential resource for students studying the degree in social work and will support and encourage their knowledge of fundamental issues Sarah Thomas Programme Director BA Hons Social Work University of Wales Institute Cardiff This book offers an authoritative overview of child care policy and practice in the UK It covers assessment and family support services understanding child maltreatment and protection the care of looked after children including the contribution of adoption foster and residential care services for those leaving care and barriers facing disabled children and their families Child Care Policy and Practice reflects the complexity and contested nature of children s needs rights and interests and relationships between family and state It analyses relevant debates and research and highlights practice issues and dilemmas Readers are also directed to sources of further information on topics they may wish to explore in more depth At the end of each chapter there is guidance for further reading resources for practice and questions for discussion The book is aimed at social work practitioners and students both qualifying and post qualifying at allied professionals working with children and families and at undergraduate students in Childhood Studies or Social Policy Sexual Issues in Social Work Myers, Steve,Milner, Judith,2007-04-04 This book

provides busy practitioners with a ready reference for the day to day problems relating to sex and sexuality that they are likely to face in key areas of engagement such as promoting sexual health preventing sexual violence working with those subjected to sexual abuse and engaging with the complexities of contemporary sexualities *Thinking Psychologically About Children Who Are Looked After and Adopted* Kim S. Golding,Helen R. Dent,Ruth Nissim,Liz Stott,2006-02-22 Assessment intervention and living with children who are looked after or adopted all require an understanding of psychology and its application This innovative collection makes thinking psychologically about looked after and adopted children accessible and in doing so provides an insight into the world of these children Informed by research practice and psychological theory this volume provides an overview of the area and considers the context for helping children change and develop It goes on to

describe in detail the techniques and approaches used by clinicians and explains how interventions can be developed and adapted for children and young people living in residential foster and adoptive care Careful consideration is also given to carers and families living with these children With its multi disciplinary approach Thinking Psychologically About Children Who Are Looked After and Adopted will appeal to all professionals involved in the care and education of placed children It will also be of interest to policy makers and lecturers and students of social work

**Promoting Emotional and Social Development in Schools** Simon Blake, Julia Bird, Lynne Gerlach, 2007-11-01 The social and emotional needs of children have become increasingly important to educators in recent years as the impact they have on improving behaviour and promoting inclusion has become evident Written in an accessible style for busy practitioners this book gives advice on creating an emotionally and socially healthy school The book shows why schools should promote emotional and social development includes practical ideas activities for those working in primary secondary schools uses a range of case studies to illustrate the impact of good practice includes INSET personal review materials and audit tools

**Unequal Lives** Graham, Hilary, 2007-09-01 Unequal Lives focuses on the connections between people s unequal health and people s unequal lives and between health and socioeconomic inequalities

**Sexuality and Social Work** Julie Bywater, Rhiannon Jones, 2007-10-08 Sexuality remains a neglected and largely taboo area within practice but it can be a demanding aspect of social work Social workers may be familiar with the importance of issues such as racism and ethnicity but sexuality is also a very significant part of people s lives closest relationships and sense of identity This valuable resource introduces the topic using a combination of perspectives to consider sexual diversity and examining related issues across the life course including sexual orientation disability HIV sexual abuse mental health and sexual exploitation

**Young People and Sexual Health** Elizabeth Burtney, Mary Duffy, 2004-05-21 Drawing on national and international policy analyses on academic research and on a range of practical approaches to working with different groups this work presents an holistic view of young people s sexuality and sexual health

**Child Right** , 1998     *The Lancet* , 2006     "Planned" Teenage Pregnancy Suzanne Cater, Lester Coleman, 2006 This study explores the motivations for planned teenage pregnancy in England based on 51 in depth interviews undertaken in disadvantaged areas

**Youth Policy and Social Inclusion** Monica Barry, 2005 Youth Policy and Social Inclusion takes a holistic and multidisciplinary approach to identify and analyze the factors which promote or discourage social inclusion of young people in society today

**Inter-professional Approaches to Young Fathers** Jane Reeves, 2008 With one of the highest teenage pregnancy rates in Europe young fatherhood as a site of economic and personal adversity has become a focus of concern in Britain during the late 1990s However despite this policy interest there is surprisingly little British empirical evidence to review One of the aims of the book is to draw together contemporary research evidence social theory and policy which may effect how practitioners students and academics conceptualise and work with young fathers Consequently each chapter illustrates the points it makes using discrete evidence from that particular field

Moreover in order to make this process more OCuser friendlyOCO each chapter provides a summary of this literature and evidence Finally in order to make the book come alive it draws on case studies which are drawn variously from two studies conducted by the editor
