

A pregnant woman with light brown hair, wearing a white long-sleeved shirt, is shown from the chest up. She is resting her hands on her pregnant belly and looking down at it with a gentle smile. The background is softly blurred, showing what appears to be a couch or bed with cushions. A teal banner with a white heartbeat line runs across the top of the image.

**Sex, Drugs and Rock 'n' Roll - Memoir of a Police Doctor** Wesley Boff,2022-11-30 I can claim to have enjoyed a satisfying and fulfilling medical career British General Practice was the jewel in the NHS crown and I was a Family Doctor during its heyday before the Government decided to take control and tell the doctors how to do their job demoralize the profession and seriously compromise patient care destroying the respect between patients and their doctors and turning a vocation into a chore I was fortunate that I began my career at the right time and got out at the right time My almost thirty years working with the local police force was hard work but once I d seen a few corpses and gained the respect of the local constabulary I enjoyed the work immensely even if I was so often denied a good night s sleep The case load varied from the gruesome to the amusing but looking back it was never boring Sex Drugs and Rock n Roll Memoir of a Police Doctor is an account of my experience as a Forensic Physician a facet of the rich tapestry of medical practice that Joe Public never realized existed

**Chronicles Volume Three** Catherine Aird,2018-09-04 A set of compelling British whodunits featuring Detective Inspector Sloan from a CWA Diamond Dagger winner and most ingenious author The New Yorker Over the course of twenty four crime novels set in the fictional County of Calleshire England and featuring the sleuthing team of shrewd Detective Inspector C D Sloan and his less than shrewd sidekick Detective Constable William Crosby award winning author Catherine Aird maintained the perfect balance between cozy village mystery and police procedural These three entertaining crime novels offer the very best in British mystery The New Yorker Parting Breath On the campus of the University of Calleshire a young woman finds a student slumped against a cloister s column covered in blood Before he dies he manages to breathe the words twenty six minutes which is all Sloan and Crosby have to go on to solve a case that s anything but elementary Some Die Eloquent As Sloan learns he is about to become a father a suspicious death demands his attention It turns out that a murdered mistress at the Girls Grammar School in Berebury was secretly a very wealthy woman What was an elderly chemistry teacher doing with a small fortune and who was willing to kill to get it Passing Strange When the village spinster a nurse who also played the organ every Sunday at church is found strangled behind a fortune teller s booth Calleshire s greatest detective will need more than a crystal ball to see who killed her

**Some Die Eloquent** Catherine Aird,2015-06-02 A deadly mystery by CWA Diamond Dagger winner Catherine Aird Where there s a will there s a way for murder That Miss Beatrice Wansdyke had died is not particularly surprising A chemistry mistress at the Girls Grammar School in Berebury she was a longtime sufferer of diabetes who managed to live her modest life to a ripe old age But one thing is odd Beatrice Wansdyke died a very wealthy woman What was an old schoolteacher doing with a small fortune Meanwhile Detective Inspector C D Sloan Calleshire s finest investigator learns he is about to become a father But with ominous players hell bent on pursuing Miss Wansdyke s money will Sloan live to see his child s first birthday

**Parting Breath** Catherine Aird,2015-05-05 In this thrilling crime novel by CWA Diamond Dagger winner Catherine Aird a student s last words are all that Detective C D Sloan has to go on in his latest case There are rumblings throughout the campus of the University of Calleshire talk of a sit in of revolt of H Ch Minh of discontent Malcolm Humbert has been expelled and the

students are livid Meanwhile the faculty is equally out of sorts Hilda Linaker just wants to finish her treatise on Jane Austen Bernard Watkinson is tired of dealing with the female students vehement and possibly dangerous opinions and Simon Mautby can't find a lab tech to help with his ecology experiments When someone breaks into a dorm room leaving behind little evidence but a single kernel of corn it's time to call in the police But no one not the professors the students or even the great detective C D Sloan could have predicted murder A young woman finds a second year student slumped against a cloister's column covered in blood Before he dies he manages to breathe the words twenty six minutes The brilliant and acerbic inspector C D Sloan recently reunited with his assistant Detective Constable Crosby must connect a seemingly unrelated burglary to a senseless murder with nothing more to go on than those eerie last words      **Anson House** Victoria Ann Astor, 2018-10-04 It was in 1859 that Cristian Martin a poor blacksmith's son saw villagers who became involved in escapades that ultimately brought them to a trial of a traitor during which soldiers and many villagers were killed during a scuffle the boy who admired the ladies' gowns of the day found himself suddenly changed from a boy into a girl to save him from the law a role he would continue the rest of his life when his sister Charlotte bought Anson House and became lady of the manor and making both the boy and herself the richest family in Cornwall Even though he came to regret his change from man to woman on many occasions and he found romance with another young man of the village Robert Phillips

**Poor Things** Alasdair Gray, 2001 One of Alasdair Gray's most brilliant creations Poor Things is a postmodern revision of Frankenstein that replaces the traditional monster with Bella Baxter a beautiful young erotomaniac brought back to life with the brain of an infant Godwin Baxter's scientific ambition to create the perfect companion is realized when he finds the drowned body of Bella but his dream is thwarted by Dr Archibald McCandless's jealous love for Baxter's creation The hilarious tale of love and scandal that ensues would be the whole story in the hands of a lesser author which in fact it is for this account is actually written by Dr McCandless For Gray though this is only half the story after which Bella aka Victoria McCandless has her own say in the matter Satirizing the classic Victorian novel Poor Things is a hilarious political allegory and a thought provoking duel between the desires of men and the independence of women from one of Scotland's most accomplished authors      *Medical Record* George Frederick Shrady, Thomas Lathrop Stedman, 1891      **Wycliffe & The Tangled Web** W.J.
