Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed **Prentice Hall Literature** Grant P. Wiggins, Pearson Education, Inc, Prentice-Hall, Inc, 2012 The Texas Military Experience Joseph G. Dawson, 2010 In this first scholarly collection to focus on Texas military heritage prominent authors reevaluate famous personalities reassess noted battles and units call for new historical points to be considered and bring fresh perspectives to such matters as the interplay of fiction film and historical understanding **Slavery** Krista Warnock-Carman, 2000-03 Literature based curriculum wide teaching materials focusing on the history of slavery **History, Memory and Nostalgia in Literature and Culture** Regina Rudaitytė, 2018-07-27 The advent of the new age has alerted us to the conflicted nature of historical memory which defined the 20th century while simultaneously assaulting us with new historical upheavals that demand responsibility and critical consideration As the historical text bears traces of the writing subject the element of deception is remarkable meaning historical memory easily lends itself to forgery and false and subjective projections As such how do we think about the past about history about memory and how does memory function Is history an objective account a collection of dry reliable facts Is it an imaginative narrative tinged with nostalgia a projection of our wishful thinking the workings of our subjective perceptions and attitudes our states of mind The essays in this volume focus on the relevance of the past to the

present and future in terms of the shifting attitudes to personal and collective experiences that have shaped dominant Western critical discourses about history memory and nostalgia The contributors here take issue with the epistemological hermeneutic ethical and aesthetic dimensions of the representational practices through which we revisit and revise the meaning of the past

Plurality and Christian Ethics Ian S. Markham, 1994-03-24 Too many parts of the world testify to the difficulties religions have in tolerating each other It is often concluded that the only way tolerance and plurality can be protected is to keep religion out of the public sphere Ian Markham challenges this secularist argument In the first half of the book he advances a careful critique of European culture which exposes the problem of plurality His analysis of the Christendom Group is contrasted with the outlook found in the USA where a religiously informed culture may be seen to be tolerant In the

second half of the book the author argues that plurality is better safeguarded by a theistic rather than a secularist foundation. He submits that too often secularists use relativist arguments while theists want to appeal to the complexity of God's world. He concludes that in our post modern world the religious affirmation of diversity offers genuine political possibilities for cultural enrichment. **Prentice-Hall Business Digest Service**, 1918 **Great American Writers** Robert Baird

Shuman, 2002 Highlights the lives and works of more than ninety American and Canadian writers of fiction drama nonfiction poetry and song lyrics. **Essays in Medical Sociology** Renée Claire Fox, This outstanding collection of essays by Renee C Fox encompasses almost thirty years of original pioneering research in the sociology of medicine. Based on fieldwork in a variety of medical settings in the United States Belgium and Zaire these ethnographic essays examine chronic and terminal illness medical research therapeutic innovation medical education and socialization and bio ethics. Within this framework three empirical cases have been singled out for special scrutiny the process of becoming a physician the development of the artificial kidney machine and organ transplantation and the evolution of medical research in Belgium. Without ignoring social structural or psychodynamic factors Dr Fox has explored basic cultural phenomena and questions associated with health illness and medicine values beliefs symbols rites and the nuances of language ethical and existential dilemmas and dualities and the complex interrelationships between medicine science religion and magic. She draws systematically and imaginatively upon anthropological psychological historical and biological insights and integrates observations and analyses from her own studies in American Western European and Central African societies. This second augmented edition includes Professor Fox's more recent contributions to the expanding field of the sociology of medicine. They are The Evolution of Medical Uncertainty The Human Condition of Health Professionals Reflections on the Utah Artificial Heart Program Is Religion Important in Belgium Medical Morality is Not Bioethics Medical Ethics in China and the United States and Medicine Science and Technology. The work also includes a new introduction Endings Beginnings and Continuities. Now anthropologists sociologists medical educators scientists researchers and students can join her on her journeys into the field and share with her the priceless insights to be gained from the physicians nurses medical students patients and their families who are working living and dying on the edge of what is known scrutable and remediable on the edge of medical science. **City Codes** Hana Wirth-Nesher, 1996-01-26 City Codes is a study of the representation of the city in the modern novel that takes difference as its point of departure so that cities are read according to the cultural and social position of the urbanite. These urban narratives are analysed in the context of a cultural repertoire of city codes from the architectural features of window and street to the social and historical signs of the landmark and the passer by with the emphasis on the subject's construction of his or her place as shaped by history politics nationality gender class and race. The study moves from boundaries inscribed onto the cityscape to distances experienced by the city dwellers its real and textual cities are Warsaw Jerusalem New York Chicago Paris London and Dublin. The novels discussed are by Isaac Bashevis Singer Amos Oz Theodore Dreiser Ralph Ellison

Henry James Henry Roth James Joyce and Virginia Woolf *Dominion of Memories* Susan Dunn, 2007-07-30 For decades the Commonwealth of Virginia led the nation The premier state in population size and wealth it produced a galaxy of leaders Washington Jefferson Madison Monroe Mason Marshall Four of the first five presidents were Virginians And yet by the middle of the nineteenth century Virginia had become a byword for slavery provincialism and poverty What happened In her remarkable book *Dominion of Memories* historian Susan Dunn reveals the little known story of the decline of the Old Dominion While the North rapidly industrialized and democratized Virginia's leaders turned their backs on the accelerating modern world Spellbound by the myth of aristocratic gracious plantation life they waged an impossible battle against progress and time itself In their last years two of Virginia's greatest sons Thomas Jefferson and James Madison grappled vigorously with the Old Dominion's plight But bound to the traditions of their native soil they found themselves grievously torn by the competing claims of state and nation slavery and equality the agrarian vision and the promises of economic development and prosperity This fresh and penetrating examination of Virginia's struggle to defend its sovereignty traditions and unique identity encapsulates in the history of a single state the struggle of an entire nation drifting inexorably toward Civil War **Army**, 1985
