King,Melanie P. Hoenig,Barbara A. Cockrill,2022-09-24 This book is about Case Based Collaborative Learning CBCL for
medical educators CBCL combines elements from team case and problem based based learning using a flipped classroom
model This book presents a detailed how to guide on how to create CBCL classroom materials how to facilitate vivid
discussions and how to support students and faculty in a CBCL curriculum The first chapter explores the CBCL method in
context of established educational principles The second chapter provides a step wise guide to creating CBCL teaching
materials from scratch or adapting existing resources Chapter three discusses how to support both faculty and students in
making the most out of in class case discussions The last chapter explores modifications to the CBCL method that have
evolved over time in adapting to teaching remotely as well as promoting self directed learning skills in students While
originally developed in context of undergraduate medical education the CBCL method is of interest to anyone in higher
education that values flipped classroom methods and discussion based teaching 2023 Virginia PSI Painting and Wall
