Mick, 2002 The Second Vatican Council envisioned a liturgical assembly that could understand and participate fully in the liturgy Even when parishes have helped their members to understand and participate in the Sunday eucharistic liturgy responses at liturgies for the other sacraments may seem uncertain and lukewarm Do we know what we're doing when we celebrate the sacraments In this book as in its companion *Forming the Assembly to Celebrate the Mass* Larry Mick a seasoned presider and writer on the liturgy offers insights and suggestions for helping our communities understand the work we are called to do when we celebrate sacraments The author explains each sacrament and its liturgical aspects in ways that will invigorate and prepare parish ministers for the work of liturgical catechesis Once leaders are prepared the book can then be used for catechizing the whole assembly Parish councils liturgy boards liturgical ministers adult formation groups and individuals in the assembly will all find in this book fresh perspectives for celebrating and savoring the sacraments **Preparing the Assembly's Worship** Craig Mueller, 2025-01-02 This Worship Matters handbook by Rev Craig Mueller offers helpful guidance for preparing worship in your congregations whether that preparation is done by a large worship committee a small staff or a group of volunteers As worship leaders look ahead to worship next week or next year *Preparing the Assembly's Worship* offers practical ideas and handy checklists as well as questions for deeper reflection *Preparing Parish Liturgies* Rita Thiron, 2004 *Preparing Parish Liturgies* provides historical background synopses and careful outlines of the Church's major liturgical books and documents Then with easy to understand language helpful charts and sound liturgical principles the author arms both the veteran and the novice with practical tools for preparing parish liturgies that are both faithful to the Church's rich tradition and sensitive to the pastoral needs of their assemblies **The RCIA** Thomas H. The Presence of Christ in the Gathered Assembly Judith M. Kubicki,2006-11-15 The Dogmatic Constitution on the Sacred Liturgy of Vatican II reiterates the church s traditional teaching on the manifold presence of Christ in his church especially in liturgical celebrations in the priest the consecrated bread and wine the sacraments and when the gathered church prays and sings Nevertheless there continues to exist in both scholarly writing and popular piety an almost exclusive focus on the presence of Christ in the eucharistic species The purpose of this book is to examine the most elusive mode of the manifold presence of Christ mentioned above that is as it is symbolized within the assembly that gathers for worship Using the resources of several contemporary philosophical approaches including semiotics phenomenology personalism and existentialism the book draws attention to the forgotten or or less understood aspects of the belief in the presence of Christ in the gathered assembly and explores the implications of this belief for participating in the liturgy and living the Christian life While the book is scholarly in tone it has extremely practical ramifications for the ways in which the mass should be celebrated in millions of Catholic parishes around the world
