Preraphaelites In Oxford:

The Pre-Raphaelites and Oxford J. E. Alden, 1969 *The Pre-Raphaelites and Oxford. [With Reproductions.]*. John Edward ALDEN, 1948 **The Pre-Raphaelites in Oxford** John Christian, 1974 **The Pre-Raphaelites and Oxford** John E. Alden, 1974 Oxford and the Pre-Raphaelites Jon Whiteley, 1989-01 Oxford and the Pre Raphaelites describes how the artists of the Pre Raphaelite movement came to Oxford in the mid nineteenth century and how their art was affected by the life of the University The colour illustrations which include most of the paintings and a number of the drawings of the Pre Raphaelites in the Ashmolean and elsewhere in Oxford trace the history of the movement from its origins in the 1840s to the end of the century BOOK JACKET **The Pre-Raphaelites** Timothy Hilton, 1971 *Oxford and the Pre-Raphaelites* Jon Whiteley, 1989 Oxford and the Pre Raphaelites describes how the artists of the Pre Raphaelite movement came to Oxford in the mid nineteenth century and how their art was affected by the life of the University The colour illustrations which include most of the paintings and a number of the drawings of the Pre Raphaelites in the Ashmolean and elsewhere in Oxford trace the history of the movement from its origins in the 1840s to the end of the century *Temple of Science* John Holmes, 2020-10-23 Built between 1855 and 1860 Oxford University Museum of Natural History is the extraordinary result of close collaboration between artists and scientists Inspired by John Ruskin the architect Benjamin Woodward and the Oxford scientists worked with leading Pre Raphaelite artists on the design and decoration of the building The decorative art was modelled on the Pre Raphaelite principle of meticulous observation of nature itself indebted to science while individual artists designed architectural details and carved portrait statues of influential scientists The entire structure was an experiment in using architecture and art to communicate natural history modern science and natural theology Temple of Science sets out the history of the campaign to build the museum before taking the reader on a tour of art in the museum itself It looks at the facade and the central court with their beautiful natural history carvings and marble columns illustrating different geological strata and at the pantheon of scientists Together they form the world's finest collection of Pre Raphaelite sculpture The story of one of the most remarkable collaborations between scientists and artists in European art is told here with lavish illustrations *Reading the Pre-Raphaelites* Tim Barringer, T. J. Barringer, 1999-01-01 This illustrated book focuses on the Pre Raphaelite artists and their radical departure from artistic conventions Barringer explores the meanings encoded in Pre Raphaelite paintings and analyses key pictures and their significance within the complex social and cultural matrix of 19th century Britain The Pre-Raphaelites Inga Bryden, 1998 This unique collection demonstrates the profoundly interdisciplinary nature of Pre Raphaelitism and contains whole texts and key extracts from key Pre Raphaelite figures such as William Morris and from less well known figures Writing the Pre-Raphaelites Tim Barringer, 2017-07-05 This vibrant collection of essays claims that a complex network of texts by critics biographers and diarists established the credibility and influence of the Pre Raphaelite movement Throughout the twentieth century Modernist taste failed to

acknowledge the achievement of oppositional groupings such as the Pre Raphaelites The essays collected here however reveal that the British group anticipated later avant gardes by using the written word to configure for itself a radical artistic identity Public and critics alike were scandalized by the radicalism of Pre Raphaelite painting its unflinching portrayal of historical figures and of contemporary life and its irreverent attitude to artistic convention Pre Raphaelitism s innovations were not confined to style new forms of artistic identity and behaviour were explored As the contributors interrogate the texts through which Pre Raphaelitism was constructed they demonstrate that the movement s wide influence as a cultural phenomenon derived from the interplay between exhibited works and critical discourse Applying a range of sophisticated methodologies from the fields of literary studies art history and cultural studies these interdisciplinary essays uncover the neglected role of texts in the success of the Pre Raphaelite rebellion and argue in favor of a new centrality for this movement in the history of nineteenth century European culture *The Pre-Raphaelites in Oxford*, 1987 *The Pre-Raphaelites in Oxford* John Bryson, 19?? **The Pre-Raphaelites** Jan Marsh, 1996 Richly illustrated Jan Marsh describes the life of the Pre Raphaelite Brotherhood a group of young painters and poets who caused a furore in staid Victorian London through a selection of their letters and writings **Oxford and the Pre-Raphaelites** Jon Whiteley, 1989-01 The books in this series aim to bring to a wide public the chief glories of the rich and varied collections of fine and decorative art in the Ashmolean Museum Each volume takes a topic or field in which the Museum s holdings are internationally renowned and provides an introduction for the general reader and a compact guide for the expert Pre-Raphaelitism and Medievalism in the Arts Liana Cheney, 1992 This volume presents an interdisciplinary view of the interpretation of Pre Raphaelite art and literature The current intensifying interest in the relationship between the visual arts and narrative and their critical interpretation justifies a look at the earliest use of such orientation in the works of the Pre Raphaelite Brotherhood and its followers Particularly in the work of Rossetti Hunt Millais and Burne Jones one can see at work the Pre Raphaelist invention of a personal symbolic language The same holds true for their literary counterparts particularly Tennyson Francis Thompson and Swinburne The contributors essays cover the various methodologies of art history and literature as well as artistic and literary criticisms The main focus is the assimilation of the medieval tradition as well as the interpretation of it With many illustrations **The Pre-Raphaelite Body** J. B. Bullen, 1998 Pre Raphaelitism was the first avant garde movement in Britain It shocked its first audience and as it modulated into Aestheticism it continued to disturb the British public In this fresh and original study Professor Bullen traces the sources of that shock to the representation of the human body By examining the discourses which were developed to denounce or to explain the new art forms he shows that the distorted maimed or eroticized body formed the principal focus of anxiety in nineteenth century criticism Using a truly interdisciplinary method he relates the painting of Millais and other early Pre Raphaelites to fears about cholera and Catholicism he demonstrates how the body of the sexualized female became an object of obsessive fascination in the painting and poetry of Dante Gabriel

Rossetti and William Morris he locates the writing of Swinburne and Prater in the context of the debate over the Woman Question and he shows how the responses to the Aesthetic painting of Burne Jones were conditioned by the sexual psychopathology of mid nineteenth century mental science *Ruskin, Turner and the Pre-Raphaelites* Robert Hewison, Ian Warrell, Stephen Wildman, 2000 Published to accompany the exhibition at Tate Britain London from 9 March to 28 May 2000

Pre-Raphaelite Masculinities Serena Trowbridge, 2017-07-05 Drawing on recent theoretical developments in gender and men's studies Pre Raphaelite Masculinities shows how the ideas and models of masculinity were constructed in the work of artists and writers associated with the Pre Raphaelite movement Paying particular attention to the representation of non normative or alternative masculinities the contributors take up the multiple versions of masculinity in Dante Gabriel Rossetti's paintings and poetry masculine violence in William Morris's late romances nineteenth century masculinity and the medical narrative in Ford Madox Brown's Cromwell on His Farm accusations of perversion directed at Edward Burne Jones's work performative masculinity and William Bell Scott's frescoes the representations of masculinity in Pre Raphaelite illustration aspects of male chastity in poetry and art Tannaher as a model for Victorian manhood and masculinity and British imperialism in Holman Hunt's The Light of the World Taken together these essays demonstrate the far reaching effects of the plurality of masculinities that pervade the art and literature of the Pre Raphaelite Brotherhood **Pre-Raphaelite Portraits** Andrea Rose, 1981
