Mathew,Carlos A. Zarate, Jr.,2016-11-25 This book brings together an international group of clinicians and researchers from a broad swath of inter related disciplines to offer the most up to date information about clinical and preclinical research into ketamine and second generation ketamine like fast acting antidepressants Currently available antidepressant medications act through monoaminergic systems are ineffective for many individuals suffering from depression and are associated with a delayed onset of peak efficacy of several months The unexpected emergence of ketamine an anesthetic N methyl D aspartate NMDA receptor antagonist as a rapid acting antidepressant has reinvigorated CNS drug discovery research and catalyzed investigation in patient populations historically ignored in antidepressant drug development programs particularly treatment resistant patients and those with suicidality Recent industry and academic research efforts have coalesced to explore NMDA receptor and glutamatergic molecular targets that lack ketamine's psychotomimetic side effects and abuse liability but retain its rapid onset of efficacy However many fundamental questions remain regarding the neurobiological mechanisms underlying ketamine's rapid antidepressant effects and the puzzling persistence of benefits observed in some patients following a single dose This book examines how insights from these studies are forging new conceptual models of the neurobiology of stress related affective anxiety and addictive disorders and the nature of treatment resistance It also discusses how ketamine's rapid antidepressant effects provide a scientific platform to facilitate innovation in clinical trial designs pertaining to patient selection choice of control group outcome measures and dose optimization This book brings together data and insights from this rapidly expanding and extraordinarily promising field of study Readers will be able to extract integrated themes and useful insights from the material contained in these diverse chapters and appreciate the paradigm shifting contributions of ketamine to modern psychiatry and clinical neuroscience research *The Burger Court and the Rise of the Judicial Right* Michael J. Graetz,Linda Greenhouse,2017-06-06 The magnitude of the Burger Court has been underestimated by historians When Richard Nixon ran for president in 1968 Impeach Earl Warren billboards dotted the

landscape especially in the South Nixon promised to transform the Supreme Court and with four appointments including a new chief justice he did This book tells the story of the Supreme Court that came in between the liberal Warren Court and the conservative Rehnquist and Roberts Courts the seventeen years 1969 to 1986 under Chief Justice Warren Burger It is a period largely written off as a transitional era at the Supreme Court when according to the common verdict nothing happened How wrong that judgment is The Burger Court had vitally important choices to make whether to push school desegregation across district lines how to respond to the sexual revolution and its new demands for women s equality whether to validate affirmative action on campuses and in the workplace whether to shift the balance of criminal law back toward the police and prosecutors what the First Amendment says about limits on money in politics The Burger Court forced a president out of office while at the same time enhancing presidential power It created a legacy that in many ways continues to shape how we live today Written with a keen sense of history and expert use of the justices personal papers this book sheds new light on an important era in American political and legal history Adapted from dust jacket **American Book Publishing Record** ,1983-04 **Who Decides Who Decides?** John Spiers,Philip Booth,Neil Russel,2016-07-12 This book makes the case for ordinary people to get the health and social care which the state has promised them for over 60 years but which has not been delivered What is the case for choice How can choice be made real for the individual What impact can genuine individually financially empowered choice have on effective funding purchasing delivery and outcomes How can a genuine market grow and thrive How can the quest for choice include the large numbers of NHS and social care staff on whom success depends The book urges individual financial empowerment through a life long health savings account for all NHS and social services The publishers weekly ,1987 **Dopesick** Beth Macy,2025-06-11 Une plong e au coeur de l pid mie d opio des travers des t moignages bouleversants et une enqu te rigoureuse Dopesick raconte l histoire de l pid mie d opio des qui ravage les tats Unis Beth Macy explore les vies bris es les familles endeuill es et les communaut s transform es par la d pendance tout en exposant les pratiques scandaleuses de l industrie pharmaceutique et les failles d un syst me de sant domin par le profit Des campagnes marketing agressives de Purdue Pharma la propagation de l h ro ne dans les r gions rurales ce livre r v le les fractures profondes d une soci t en crise mais aussi la r silience de ceux qui luttent pour un avenir meilleur Un r cit poignant et essentiel Billboard ,1995-09-16 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends New York Times Saturday Review of Books and Art ,1981 Index to Book Reviews in Religion ,1995 New Scientist and Science Journal ,1989-09 **New Scientist** ,1989 Canadian Periodical Index 1998 ,1999 **The Journal of the American Osteopathic Association** ,1951 **The New York Times Book Review** ,1974 **Drug Intelligence & Clinical Pharmacy** ,1988
