Prescription For A Fuller And Richer Life:

Prescription for Total Health and Longevity Jonas E. Miller, Jason Vinley, 1979 Prescription for a Fuller and Richer Life James G. Stockard, 1995-09-01 **Women Who Changed the World** Candice Goucher, 2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women's lived experiences. Learning how women changed the world will change the ways the world looks at the past. **Women Who Changed the World: Their Lives, Challenges, and Accomplishments through History** features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective. The women featured in this four-volume set cover the full sweep of history from our ancestral forbearer Lucy to today's tennis phenoms Venus and Serena Williams. Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists. Each biography follows a standardized format recounting the woman's life and accomplishments, discussing the challenges she faced within her particular time and place in history and exploring the lasting legacy she left. A chronological listing of biographies makes it easy for readers to zero in on particular time periods while a further reading list at the end of each essay serves as a gateway to further exploration and study. High-interest sidebars accompany many of the biographies, offering more nuanced glimpses into the lives of these fascinating women. **Built Through Courage** Dave Hollis, 2021-10-26 New York Times bestselling author Dave Hollis knows what it feels like to realize you've been sailing off of someone else's map. He has taken control of his life and future and he's ready to share the lessons he learned along the way with readers who are facing similar struggles. Dave Hollis was recently confronted with the fact that he was living the life someone else wanted for him. After weathering a highly publicized personal crisis amid the backdrop of an international pandemic and navigating the enjoyable but unpredictable waters of being a single father to four kids, he has been forced to become the captain of his own life and is ready to teach others how to do the same. **Built for Courage** will help you dive deeper into the stories, values, and beliefs you attach yourself to and decide once and for all if they have credibility or if it's time to cut bait. Incorporate fundamental habits and routines specific to you and your circumstances that will flood your daily life with consistency, flexibility, simplicity, and integrity. Identify and, if necessary, adjust your goals to ensure they are clear, don't belong to other people, and are not contingent on immediate results. Accept failure as the richest source of intelligence and help you reframe it as a requirement for your own progress and growth. Much, much more. **Built for Courage** gleans wisdom from sources vast and wide as well as from the life experiences of Dave himself to get you to the place you're meant to go and become who you are meant to be regardless of any anchor holding you back.
