 Mathew,2024-03-03 This book is written in a theistic context that I believe God is in control It is not an easy proposition to  
 intelligent technical and scientifically thinking AI Robotic brains Existence itself is the Love Truth that infill and surrounds all  
 that exist It is The all inclusive IS Existence itself is a present continuous ongoing event that can only be represented by IS or  
 the present continuous state of being The idea of meta love counseling or beyond counseling is being in the moment that  
 reveals itself to the one who is ready in sensitive alertness to receive whatever IS This book maintains that none is entitled to  
 alter the perpetual IS The Counselor as Jesus meant will lead you into situations that redeem and heal The idea is very simple  
 In that particular state of being the counselor whom we refer to as the Christian Meta Love Counselor or a Healing Presence  
 functions as a conduit of healing in the confused suffering broken desperate defeated self centered unforgiving individuals to  
 gain freedom from their private bondage to experience Healing It is not as much as what the Meta Love Counselor does but  
 who she or he is within the glorious presence of Jesus who in fills the Meta love counselor to function as an agent of the  
 healing in and through the Meta love counselor only acts as a channel of healing The Holy Spirit source of all comfort and  
 healing begins flowing to the person in need through you who functions as a genuine conduit for the happening healing  
 process The dynamics of such happenings is not explainable technically as it is there for anyone in the Spirit to experience it  
 and for those outside it to reject outright Without love the counselee will only be influenced to believe everything is fine Love  
 Truth makes all things possible including all comforting healing and wholeness Surrounded by Love Truth all things become  
 possible Surrender in Love Truth to sense the magic of love     **In His Presence** YWAM Publishing,2003 From the classic

 profound biblical commentary brilliant wisdom and practical application to a Christian s daily walk with God     **Sinners in  
 the Presence of a Loving God** R. Zachary Manis,2019-06-03 Why would a perfectly good and loving God consign anyone to  
 eternal suffering in hell In Sinners in the Presence of a Loving God R Zachary Manis examines in detail the various facets of  
 the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an  
 adequate solution to the problem can be constructed Historically there are four standard explanations of the nature and

purpose of hell traditionalism annihilationism the choice model and universalism In Manis s assessment all are deficient in some crucial respect The alternative view that he develops and defends the divine presence model stands within the tradition that understands hell to be a state of eternal conscious suffering but Manis contends avoids the worst problems of its competitors The key idea is that the suffering of hell is not the result of a divine act that aims to inflict it but rather is the way in which a sinful creature necessarily experiences the unmitigated presence of a holy God Heaven and hell are not two places to which the saved and damned are consigned respectively but rather are two radically different ways in which different persons will experience the same reality of God s omnipresence once the barrier of divine hiddenness is finally removed
