Fish, and Game Kenneth V. Oster, 2011 For more than 8 000 years humans have been preserving meat and fish through canning curing smoking and freezing use techniques that remove the moisture and make it possible to keep meat for much longer than its natural shelf life However improper preservation of meat leads to more than 40% of all reported cases of food borne illness according to the Center for Disease Control meaning it is necessary for everyone to carefully effectively practice safe storage practices and ensure the meat is well preserved This book will show any potential meat preserver how to go about the process of storing meat for long term use in a variety of methods while constantly keeping an eye to the possibility of food borne illness and the loss of freshness You will learn everything you need to know to start the process of setting aside and preserving your meat fish and game Starting with a series of charts and basic details about different kinds of meat and fish from venison to beef to salmon you will learn which animal products store best with which methods which methods must be avoided and which diseases are the greatest risk when you store meat With this information in hand you will start learning how the freezing canning curing and smoking processes work You will be given detailed outlines of each process starting with what equipment you will need Experts in meat preservation have been interviewed and their insights have been included here to provide a detailed and full overview of everything you can expect in the process From these interviews you will start the process of understand what you need to effectively preserve meat products You will learn what can lead to failure for all four methods what the best possible storage locations are for each and what materials should be avoided at all costs Learn how smoking works and the timelines for every form of storage from the moment the animal is butchered to the moment it needs to be preserved No matter what kind of animal you are preserving this book will provide the details you need to effectively store the meat for later use Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed **Family Memories** Old Soul Publications, 2019-04-25 At Old Soul Publications our goal is to help bridge the gap between generations through interactive journaling Let us help you tell your stories The perfect way to gather family history is through a guided journal For years I ve been urging my family and friends to tell their stories and to get their family history before it s too late But I understand that it s sometimes hard to get those conversations started even for me That s where this journal comes in Think about your parents and grandparents I m sure you can think of things you wish you d known about them Think about your children grandchildren or family friends What are the things you d like them to remember about you Maybe this journal is about preserving memories for yourself for one day when your mind gets tired Regardless the reason this prompt journal will

become a priceless possession to you and your family One more thing family dynamics are different I came up with these prompts with that in mind Not everyone has a relationship with their parents Not everyone has a spouse or significant other Not everyone has children And not everyone should have to dread a book like this because of it I get it I tried to focus on the individual as much as possible In the prompts where family is mentioned I tried to give alternate options to answer instead No one can tell your story like you can Happy Journaling 7 44 x 9 69 interactive guided journal 101 pages Lined Journal Paperback non spiral Perfect for gathering family stories or telling your own We focus less on who begat who and more on the living they did along the way This will become a precious keepsake of someone s legacy Sometimes elderly individuals have difficulty carrying out tasks such as reading and writing An ideal solution would be to have younger generations record the responses for the aging parent and or grandparent Not only would it provide a valuable service when needed but the bonding that can come from those moments is simply immeasurable At Old Soul Publications our goal is to bridge the generational gap through interactive journals
